Introduction

Pioneer Preacher by Natalie Black begins with Rev. Samuel Black I, a Presbyterian preacher who was born 1700, perhaps in Scotland. He was said to be s/o James, a wool merchant. Rev. Samuel emigrated from Ireland to PA about 1732-35. He was in PA, Carolina and Delaware for a time before moving to Albemarle Co. VA where he died 9 Aug. 1770, near Crozet, VA. His wife Catherine Shaw survived him. It is not known whether Catherine Shaw was related to James Shaw, father of Keturah who married his grandson Samuel Black III. Other references confirm these facts. Rev. Sam had brothers who were in VA before his move there.

Author's line continues with son Samuel Black II and grandson Samuel Black III b. VA, who married Keturah Shaw (d/o James and Anner Shaw) and moved from VA to Livingston Co. KY, the part which became Caldwell Co. KY in 1809.

Pioneer Preacher does not follow the grand children of Samuel Black III. This book is an attempt to continue the line, mostly from the children of Samuel and Keturah (Shaw) Black.

The children of Samuel Black III in KY were:
David Lowery; John Thomas; Celestine Logan who married Hiram Hawkins Brelsford; Mary Katherine who married William D. Miller; Dorcas who married Maxwell Pope Phillips. These families were related to a considerable number of Caldwell and Crittenden Co. families.

The author has two direct lines from Sam Black III through son David Lowery Black and daughter Celestine Black Brelsford.

It must be remembered that Caldwell Co. was formed from Livingston Co. KY in 1809, thus all records before 1809 will appear in Livingston Co. which was formed from Christian Co. in 1798. Much needs to be researched in the earlier counties, and from newspaper records of Caldwell and Crittenden, the nearby Co. When the counties changed, it did not mean that people moved, thus the same land deeds will appear in 2 or 3 counties at different times. Sometimes land had to be resurveyed when a county changed.

Names having a # above their name are continued on another page. P.P. means that family appears in Pioneer Preacher with additional info. added by me.

24. David A. Black was born November 10, 1861, Caldwell Co. Kentucky, (Ref: Caldwell official birth rec. on Mormon film). David died March 10, 1903, Leesville, Gonzales Co. Texas, from consumption, aka Tuberculosis.
David A. Black was s/o David Lowery Black4 (Sam 3,2,1,) and wife Maria Elizabeth Trotter. Maria died from Tuberculosis, one month after his birth.
(Refs: Caldwell Co. births, deaths on FHC microfilm; Buckner Orphan Home Record, Dallas TX, recorded when David's orphaned children were admitted as residents; obituary; family records).

David's middle name may have been Allen or Augustus.

David Black's obituary was printed in the Gonzales Inquirer, Gonzales, Texas, 10 March 1903, p.3. (Microfilm copy located at Gonzales Library 1993).
"News was received in Gonzales this morning from Leesville, of the death of Mr. Black who moved to that place about February 5, coming from KY with his wife, who was a daughter of the late S.B. Brelsford of Wrightsboro. His death occurred this morning at about 2 o'clock, after a lingering illness, he being a sufferer from the effects of that dread disease, consumption. The interment will take place this afternoon at 4 o'clock at the Leesville cemetery."

It has been said that David hemorrhaged while suffering from this disease. It is possible that David had been infected at birth since this disease can be carried for years in one's body, until such a time that one's immune system becomes weak. Consumption seems to have been rife in Caldwell Co. KY.

I could not find a grave for David in an old listing in the Leesville cemetery. (Did they bury contagious people separately? Try I.O.O.F. cemetery there).

Did Leesville have a newspaper?

(Did another news paper carry an obit. also, possibly in Caldwell or Crittenden Co. KY, where he would have been well known)?

David's father, David Lowery Black moved from Caldwell Co. Kentucky about 1878, when his father and siblings were dismissed from the Bethlehem Presbyterian church near Crider, in Caldwell Co. They moved to Ft. Worth, Tarrant Co. TX, where David appeared with them in

1880 census. David returned to Kentucky by 1894.

David A. Black was married first in Crittenden Co. Kentucky on 25 September 1894 to Ellen O'Brien, by Elder T.C. Carter, at Tom Paton's house. Witnesses were Tom Paton and S.C. Bennett. The groom was of Caldwell Co. Kentucky, Marriage License 24 September 1894. (add Source). Ellen was born 5 October 1872, probably in Crittenden or Lyon Co. KY; died between September 17 and October 1895 in Kentucky, after about one year of marriage. Where was she buried? O'Brian descendants claim there was no issue by this marriage. ? O'BRIEN

I have photo of the couple.

Ellen was the daughter of John Logan O'Brien (b. ca 1833 KY, died 14 October 1884; of Eddyville, Lyon Co. KY in 1880) and his wife Sarah McElroy, (born 5 March 1841 KY, died 13 January 1919 at the home of James B. Paris near Tiline KY). This couple was married 9 February 1860 at Crittenden Co. Kentucky. (Ref: Matthew Patton, descendant of Ellen's sister Nannie (O'Brien) Patton. Matthew resided Fredonia KY in 1994; Phila. PA in 2005.

David A. Black is well identified as having married both Ellen O'Brien and Jennie Brelsford DODDS because identical studio photos, of David and Ellen were held by Melvel Paris (of Glenwood Illinois in 1994, an O'Brien descendant from Ellen's sister, Sarah (McElroy) Paris) and held by by Georgia Mae (Black) Baker, daughter of David and his second wife Jennie (Brelsford) (DODDS) Black. In the O'Brien family, David A. Black was remembered with fondness, per mathew Patton + melvel Paris.
The photos was taken by Griffin and Watkins in Princeton, Caldwell Co. KY, probably ca 1894, at the time of his first David's marriage. David resided in Fredonia, Caldwell Co. KY, which is close to the Crittenden Co. KY border.

Georgia's Black Baker's Texas cousins knew that her father David A. Black had a previous marriage to Ellen O'Brien.

David A. Black of Fredonia, Kentucky, was married second on 2 June 1898 at Wrightsboro, Gonzales Co. TX, to his cousin Jennie Mae (Brelsford) Dodds, second marriage for both of them, at the home of Jennie's father. Jennie was born 19 May 1864 Princeton, Caldwell Co. KY, died 30 April 1910, San Antonio, Bexar Co. ~~KY~~ TEXAS, buried City Cemetery, San Antonio, Texas. ADD # in cem.

Jennie was the daughter of Samuel Black Brelsford5, (Celestine4 Black, Samuel3,2,1,) and Deniciah "Jane" Turley. Samuel was born 22 November 1829 Caldwell Co. KY, died 20 September 1899, Leesville, Gonzales Co. Texas. Deniciah Jane was born 3 May 1831 Crittenden Co. KY, died 3 March 1886 Leesvile Texas. They were married 19 February 1852, Caldwell Co. KY.

Jennie was the widow and second wife of her first husband Dr. David Miers Dodds of Crittenden Co. KY, who was her second cousin once removed through the James Shaw Sr. family. Jennie was also her husband David A. Black's first cousin, once removed. David A. Black and David Miers Dodds were second cousins through the James Shaw Sr. family of Caldwell Co. KY.

D.A. Black and Mrs. Jennie Dodds, License 24 May 1898 by J.V. Depoyster, Clerk of County Court; marriage 2nd day of June 1898 by J.B. Kerr, Minister of Gospel. Recorded 23 July 1898 by J.V. Depoyster.

David A. Black and Jennie (Brelsford) Dodds were married at the home of her father S.B. Brelsford on Thursday, by Rev. Kerr, in a unique and most appropriate ceremony. The occasion for a family reunion was the marriage of S.B. Brelsford's widowed daughter Mrs. Jennie Dodds to Mr. Black of Fredonia, Kentucky. The knicknacks for such an occasion were in abundance. One guest asked for another cup of syllabub. The bride and groom left at once for their Kentucky home. (Gonzales Inquirer, V.2, #12, 14 June 1898, p.1). There is more to the article, not copied by Dorothy, now dec'd.

Samuel Black Brelsford resided at Wrightsboro, Texas with his second wife Martha T. (Elder) Barnett, whom he had married in Texas in 1888. Jennie's mother Deniciah died in 1886, before either of Jennie's marriages. Jennie's father died a year after her marriage to D.A. Black. David's father died eight months after he D.A married Jennie.

Frank Marion Dodds, (brother of Jennie's first husband), and his wife Celestine Delilah (Brelsford) Dodds, (sister of Jennie's father, resided at Gonzales Co. Texas. F.M. and Celess moved from Caldwell Co. KY to Gonzales Co. Texas about the same time as Jennie's parents. The Dodds' entertained the newlyweds at dinner on the day that they left for Kentucky, according to an old letter from a relative to Georgia (Black) Baker, daughter of David and Jennie Black.

The official TYPED Death Certificate from Texas Dep't of Health, Bureau of Vital Statistics, omits the certificate number 1817; omits parent's names, but lists parents as born KY; omits informant; omits dates of treatment by Doctor; lists her death in Ward 6; lists Jennie as residing at place of death for six years. Daughter Georgia (Black) Baker had obtained Jennie's death certificate from the San Antonio Health Dept. at a much earlier date, but the clerk wrote it in pencil. This one had one additional piece of information; the names Hanaver and McClaugherty were written after Sloan and Hagy, which may have been part of the funeral director Co.

David A. Black:

The studio photo of David A. Black, taken on or about 1894, shows him to be a handsome man with a receding hairline and a thick mustache. He was formally dressed with a white bow tie. His nose appears large in the picture. He would have been abt 30-33 yrs of age in the photo.

Another of Georgia's cousins wrote her that her father David A. Black had been a history teacher; was in politics; a public speaker and a member of a Founding Father Society in Kentucky. I have no proof of any of this information. If there was such a society, the Black family would have been eligible, being in Caldwell Co. KY from ca 1804.

David A. Black probably moved to Texas with his father David Lowry Black and his siblings, who were dismissed by letter from the Bethlehem Presbyterian Church near Crider, Kentucky on November 12, 1878. I did not find a record for David A. Black joining or leaving the Church where his father and siblings were members. (A fire destroyed the church at a later date and the records were reconstructed).

David A. Black would have been seventeen years of age in 1878 when the family moved to Tarrant Co. Texas.

Katie Reed (Black) Lassiter was said to have been named after a family friemd. A neighbor in 1900 census was Kattie Reid, perhaps the friend that Katie was named after.

Need sale deed for property that Black owned in 1900. Could it have once belonged to his father?

Note that David A. Black's cousin William P. Black, s/o James Shaw Black, resided in Fredonia KY in 1900, listed on p.145. William had David's two nephews in his household, Fay Black, 21, b. Dec. 1878 and Albert Black 18, b. May 1882, both b. TX, with both par. b. KY, listed as cousins, who were sons of David's brother Samuel Robert Black. Their mother Susan Belle (Rustin) Black had also returned to Caldwell Co. KY from TX and died in 1891. I have no record for Samuel Robert Black after 188 census in TX.

Was David a railroad fireman? Was there a Southern Pacific R.R. in KY? The application for David Black's children to be admitted to the orphan's home in TX in 1910, lists David A. Black was an Engineer. (He may have progressed to railroad engineer).

1901, Sept. 1, David A. Black's son Charlie Brelsford Black was born Fredonia KENTUCKY, proof that David was in KY that late. (Ref: Buckner orphanage applic. abt 1910 listing ch. of David A. Black). Charlie was told that his father worked on the Southerne Pacific Railroad and used to wave at his father when the train passed by. If so, that was in Caldwell Co. KY, becuse David was nto well enough to work when the family moved to Texas.

Jennie (Brelsford) (Dodds) Black: (very fertile)

I have three studio photos of Jennie Brelsford. The first photo was with her first husband David M. Dodds. Jennie looked almost scowling, was well dressed wearing a long gown with a bustle; had an hourglass figure; flower in hair, possibly her wedding photo. The photo was taken at M. Hughes, photographer, Gonzales Co. TX. In the second photo, Jennie wore a pincurl style hairdo, curls close to her head, had a great figure. She was wearing a long, sliding gold chain with rubies and pearls on a pocket watchwhich was tied to her waist. (I remember this piece of jewelry, later stolen from the home of my sister Betty Baker Miller). The third photo was a waist sized photo, with Jennie beautifully dressed; her face was round with a softer look.

David Black's daughter Georgia (Black) Baker was told that her mother had attended a finishing school in her youth. Georgia was 10 years old when her mother died. She remembered Jennie as having auburn hair, had an organ in the house which she often played, and had many items of fine jewelry.

Georgia had addresses for her mother Jennie as Crosley St. and Magnolia St. in San Antonio, I don't know how accurate. Georgia said her mother died suddenly from Ptomaine poisoning, caused by bad home canned food. She was playing the organ when she keeled over.

Cousin Marietta Ball's letter stated that Jennie (Brelsford) Dodds stayed with her Uncle Nathan Washington Brelsford as a widow, before her (1898) marriage to David A. Black; that Jennie could make a dinner table look attractive with decorated butter plates; that Marietta visited Jennie and her husband Dr. D.M. Dodds, brother to Uncle Frank Marion Dodds, when Marietta was a tiny girl, Dr. Dodds then residing at Hawood TX (?Harwood); that Frank and Aunt Celess (Brelsford) Dodds had Marietta's family for dinner the day that Jennie and David A. Black were leaving for KY after their marriage. Since Marietta was born March 1888, this would place D.M. Dodds alive ca 1893/7 in order for her to remember D.M. Dodds. (Nathan Washington Brelsford, who resided near Harwood TX, was Marietta's grandfather).

1903, David Black's obituary says he moved from KY to TX Feb. 5, 1903. Jennie, whose parents were both deceased, moved with her dying husband to Leesville, Gonzales Co. TX, where she had relatives. When D.A. Black died, Jennie was left with three small children and no living parents, parents-in-law or grnd-parents.

Jennie was widowed twice, after two short marriages, leaving her, at age 39, with three small children to support. Her parents and grandparents were deceased as well as her husband's parents and grandparents. Jennie was 45 years old when she died, five days after the 1910 census.

David Miers Dodds:

I have a studio photo of Jennie Brelsford and her first husband David M. Dodds. Jennie looked almost scowling, was well dressed wearing a long gown with a bustle; had an hourglass figure; flower in hair, possibly her wedding photo. The photo was taken at M. Hughes, photographer, Gonzales Co. TX.

Find these photos. Does Marlis have them?

*** Describe David in this photo.

David M. Dodds was said to have been a physician, practising in ?(Harwood) TX, but I have no proof of that.

David Miers Dodds was born Feb. 14, 1849, Caldwell Co. KY. He was said to have died from a hunting accident, sometime after his marriage to Jennie Brelsford in 1888, probably died in Texas.

David M. Dodds was son of David S. Dodds, (b. 7 June 1810 KY, d. 20 June 1851, KY, buried Wilds Cem. near Crider,Caldwell Co. KY) and his wife Elizabeth Brown (b. 1809, d. 1850 Caldwell Co. KY, d/o John Brown of Caldwell Co. KY).

David Miers Dodds was the grandson of Francis Dodds and Mary Ann Shaw; great grandson of James Francis Dodds and Agnes McMeechan and James and Anner Shaw, the last couple buried in Wilds Cemetery in Caldwell Co. KY.

David Miers Dodds married first February 2 1870, (or February 18, 1870 from another ref.) in Crittenden Co. KY to Rachael R. Brantley, (d/o Jordan Brantley and wife Susan Elvira Travis, who were both born in KY). Dodds and Brantley were married at Jourdan Brantley's house by Dr. M. Bristow; witnessed by Frank Dodds, (likely David's brother) and William Lamb. License to marry was obtained the same day by H.M. Witherspoon, Deputy Clerk. (Other ref. says bride was Rachael Rosena Brantley).

The FHC Mormon Pilot Program also lists this marriage.

The Travis Family history calls her Rosena Brantley, born March 22, 1847 in KY, died Nov. 28, 1901; divorced and said to have remarried. Karen Binkley wrote that Rachel was buried as Dodds in Wheeler Cemetery, which is a mile from Marion in Crittenden Co. KY.

The James Wheeler Cemetery record lists Rachel R., b. 22 March 1847, d. 28 Nov. 1901, d/o William Jordon and Susan Elvira (Travis) Brantley. Infant son Dodds born and died 9 Mar 1873. Note that this rendition lists no married surname for Rachel.

The Travis family resided Copperas Springs near Tribune and near Flinn's Ferry. They belonged to Cumberland Presbyterian Church, perhaps in Crittenden Co.

David and Rachael had three children by this marriage, then were divorced after 1880 census and before his July 1888 second marriage.

David married second July 15, 1888, (Gonzales Co. record says married 14th).
Gonzales Inquirer, V.36,#5, 19 July 1888, heading "Jennie Brelsford married D.M. Dodds."

No issue by this marriage.

Dr. D.M. Dodds was brother of Frank Marion W. Dodds. Dr. Dodds practiced at Halletsville, Gonzales Co. TX. Jennie resided Hawood (?Harwood) TX, when married to Dr. Dodds. (Ref: (letters to Georgia Baker from cousin Marietta Ball in 1964. Marietta was b. 1888 TX, d. 1985 TX, d/o Zouella Brelsford and husband Joseph A. Ball).

It is likely that David Dodds moved to TX after his divorce from Rachael Brantly, to be near his brother Frank, who resided in Gonzales Co.

Dodds was a cousin to both his second wife Jennie Brelaford and Jennie's second husband David A. Black, throufgh the James and Abber Shaw family of Caldwell Co. KY.

This was Francis Wilson Dodds and his wife Dorcas Amelia Shaw, his mother Mary Anner Shaw who marr. Francis Dodds Sr., and who was also grandmother to F.W. Dodds' nephew David Miers Dodds, in this household.

Note that David Lowry Black resided next door to his cousin, Sheriff Francis Wilson Dodds in 1860, with his son David A. Black in residence. Although young D.M. Dodds next door was thrteen years older than David A. Black, the two must have known eaxch other well. Both married Jennie Brelsford.

D.M. Dodds returned from an extended tour through Illinois last week, canvassing in behalf of his tobacco. He reports a successful trip.

David Miers Dodds had three children William Albert, born 14 April 1871, KY and Singleton Edgar born 9 March 1874, Marion KY, (WY death certif), both of whom moved to Wyoming, and one son who died in infancy, born and died 9 March 1873, (Wheeler cem. list, Crittenden Co. KY).
(Refs: The Travis Family by James F. Price, publ. 1926, copy seen at Marion, Crittenden Co. Ky library; marr. certif.; 1880 census).

1888, July, D.M. Dodds married his cousin Jennie Brelsford.

1910 April census, Gillette Crook Co. Wyoming.
Singleton and Albert W. Dodds were both listed near each other. Singleton was barkeep in a saloon; Albert, a Liquor merchant, and married for eight years, with a wife and 3 children.

1920 census, Singleton was in Sheridan, Sheridan Co. WY. Albert's widow lived in the same town with her 3 children. By 1930, Albert's widow Leona had moved on to Los Angeles CA, where she owned her own home and her son Vernon lived with her.

NOTES:

David Miers Dodds had a first cousin, Dr. David McLean Dodds, who was born ca 1856, s/o Finis Ewing Dodds of Caldwell Co. KY. This cousin David married 1898 at Webster Co. KY, as second husband to Queen Isabella Curry, widow of Samuel Wallace. I cannot find this other D.M. Dodds in 1880 census.

In 1900 census, Webster Co. KY, cousin David was listed as a physician with his wife Queenie, and her young son Neile Wallace.

Dr. Thomas Dodd, b. S.C. res. Fredonia KY in 1860, perhaps a relative.

Family of Ellen O'Brian, first wife of David A. Black:

In 1860 census, west half of Crittenden Co. KY P.O. Dycusburg, widow Celia McElroy, 53 yrs, (ca 1807) and her dau. Sarah McElroy, 18 yrs, (ca 1842), resided with John B. Stephenson and wife Rachel, (26 & 28 yrs (1832), respectively, all in house b. KY, ditto marks.

Online submissions at ancestry.com claim that Cecilia Wheeler, b. 1815, married 5 Feb. 1829 Livingston Co. KY to Thomas Crouch, b. 1808 Harrison W. VA, died 8 Dec. 1840 Livingston Co. KY. Three Crouch daughters were born between 1831-1834, the eldest being Rachel born 1831 Livingston Co. KY.

Census records seem to confirm that Mrs. Celia McElroy b. ca 1806/7 had a marriage previous to 1832, to the father of Mrs. Rachel Stephenson. Thomas Crouch may well be this man.

Celia was listed as marrying Isaac Benjamin McElroy, b. 1784 N.C., d. 1846 Crittenden Co. KY.

Marriages Caldwell Co. KY, Bk 1, publ. bk I have lists one Isaac B. McElroy married 29 July 1810 Elizabeth Bennett, Security Stephen Bennett. Also lists the marr. 4 Feb. 1810. The first date may have been the marr. bond.

Did the above Isaac marry second Celia (Wheeler) Crouch or did Celia marry a younger Isaac McElroy.

Also widowed mother-in-law Celia McAlray, (sic), 74 yrs, (ca 1806) Indiana, N.C. S.C. (Celia was known as McElroy on other census records).

Of these McElroy children, Nannie m. William Patton/Patten; Rosa m. John Newton Easley; Ellen m. David A. Black; Sarah m. Mr. Paris, perhaps James B. Paris.

These censuses confirm that Mrs. Rachel Stephenson, b. ca 1832, and Sarah (McElroy) O'Brien b. ca 1842, were both daughters of Mrs. Celia McElroy, b. ca 1806/7, who married Mr. McElroy before 1842.

Matthew Patton's submission lists John Logan O'Brien b. 1833 Livingston Co. KY, d. 14 Oct. 1884; married 9 Feb. 1860 Crittenden Co. KY Sarah McElroy, born 5 March 1841, Crittenden Co. KY, died 13 January 1919 at Jas. B. Paris' home near Tilene KY. Matthew lists Sarah as d/o Isaac Benjamin McElroy 1787-1840, who was born and died at Livingston Co. KY and his wife Cecilia Wheeler b. 1815 KY, no death listed, d/o Solomon Wheeler.
(If this is the correct Isaac, he probably died at least a yr or two later than 1840).

This John O'Brien, residing next to Sam B. Brelsford 1860, 1870, was likely the grandfather of Ellen O'Brien, the first wife of David A. Black. David married second Jennie Brelsford, d/o Sam Black Brelsford.

Sam Black Brelsford and David A. Black were first cousins. Jennie Brelsford was first cousin, once removed to her 2nd husb. David A. Black.

Sam B. Brelsford and family moved to Texas in 1871, so Jennie Brelsford would not have known Ellen O'Brien who was born ca 1873.

JENNIE MAE BRELSFORD AND DAVID MIERS DODDS AND DAVID A. BLACK

46. See pp 184-198 this manuscript Gen. 5, treating #24 David A. Black, s/o David L. Black, (Sam3,2,1) for this family and not repeating the same narrative under Brelsford in Gen. 6.

Jennie Mae Brelsford was born 19 May 1864 at Princeton, Caldwell Co. KY, died April 30, 1910, San Antonio, Bexar Co. TX, d/o Samuel Black Brelsford and Deniciah "Jane" Turley, both of Caldwell Co. KY. Samuel was s/o Celestine Logan Black (Sam3,2,1) and Hiram Hawkins Brelsford Sr. Deneciah was d/o John W. Turley and Margaret Crain/Crayne/Green, all of Caldwell Co. KY. aka Peggy variant spellings of the name.

Mgt's father was Heinrich "Conrad" Grein, a Hessian soldier for the British in Rev. War. Conrad was captured by Gen. Wash.'s troops in Trenton during Rev War + was POW in PA.

Jennie Mae Brelsford married first on July 14 or 15, 1888, in Gonzales Co. TX, to her divorced cousin Dr. David Miers Dodds, (cz through James Shaw family of Caldwell Co. KY). Dodds was born Feb. 14, 1849, Caldwell Co. KY, died between 1888 and 1898 in TX, the date that Jennie remarried. Dodds was s/o David S. Dodds and his wife Elizabeth Brown of Caldwell Co. KY. Jennie had no known issue by Dodds.

Jennie Mae (Brelsford) Dodds married second on June 2 1898, in Leesville, Gonzales Co. TX, to her widowed cousin David A. Black, born November 10, 1861 Caldwell Co. KY, died March 10, 1903, Leesville, Gonzales Co. TX. David was s/o David Lowery Black, (Samuel3,2,1), and his wife Mariah Elizabeth Trotter, of Caldwell Co. KY.

Husband Dodds:
Dodds had two sons who moved to Wyoming, by his first wife, Rachel Rosena Brantley, of Crittenden Co. KY, whom he married in February 1870 in Crittenden Co. KY. Rachel was born March 22, 1847 KY, died Nov. 28, 1901, buried Wheeler Cem. in KY. Rachel was d/o Jordan Brantley and his wife Susan Elvira Travis of Crittenden Co. KY.

Dodds was said to have been a physician practicing in ?Harwood TX and died, probably in TX, in a hunting accident. David M. Dodds' brother was Francis Marion Dodds, who married Celestine Delilah Brelsford, sister of Samuel Black Brelsford. F.M. Dodds and wife, also moved from Caldwell Co. KY to Gonzales Co. TX.

Husband Black:
David A. Black married first 25 Sept. 1894 Crittenden Co. KY to Ellen O'Brien, born 5 Oct. 1872, KY, died between Sept. 17 and Oct. 1895 in KY, (marr. 1 yr), d/o John Logan O'Brien and his wife Sarah McElroy of Eddyville, Lyon Co. KY. David Black had no issue by Ellen, according to O'Brien descendants.

Her father died of TB before her 3rd birthday, and her mother died when she was 10 years old. Georgia then resided with her Uncle Charlie A. Charles Brelsford Black and wife ? Mrs. Neilsen

Charles Brelsford Black was the youngest s/o David A. Black and Jennie Brelsford. Charles was born 1901 in Fredonia, Caldwell Co. KY. Charles moved to TX with his parents as a baby. Charles was orphaned at 9 yrs of age and was raised in Buckner Orphan's home in Dallas with his sisters Katie and Georgia.

Charles moved to Brooklyn about 1924, influenced by his sister Georgia who was soon to move to Brooklyn with her husband Homer Baker.

Charles was drafted for WW II, but was overage and was discharged early. Charles married late to a widow who had grown children.

Charles and his wife moved to Long Island, NY, where they both died.

No issue.

1881, 5 Oct., p. 63, Crittenden Co. Newspapers by Brenda Jerome. Shady Grove, Dr. D.M. Dodds is teaching a splendid school. (This was probably David Miers Dodds).

(think this was another name for Fredonia or Crider);

1882, 29 March, Crittenden Co. Newspaper Abstracts by Brenda Jerome, p.80: near Oak Grove Locals.
D.M. Dodds returned from an extended tour through Illinois last week, canvassing in behalf of his tobacco. He reports a successful trip.

David Miers Dodds had three children William Albert, born 14 April 1871, KY and Singleton Edgar born 9 March 1874, Marion KY, (WY death certif), both of whom moved to Wyoming, and one son who died in infancy, born and died 9 March 1873, (Wheeler cem. list, Crittenden Co. KY).
(Refs: The Travis Family by James F. Price, publ. 1926, copy seen at Marion, Crittenden Co. Ky library; marr. certif.; 1880 census).

1888, July, D.M. Dodds married his cousin Jennie Brelsford.

1910 April census, Gillette Crook Co. Wyoming.
Singleton and Albert W. Dodds were both listed near each other. Singleton was barkeep in a saloon; Albert, a Liquor merchant, and married for eight years, with a wife and 3 children.

1920 census, Singleton was in Sheridan, Sheridan Co. WY. Albert's widow lived in the same town with her 3 children. By 1930, Albert's widow Leona had moved on to Los Angeles CA, where she owned her own home and her son Vernon lived with her.

NOTES:

David Miers Dodds had a first cousin, Dr. David McLean Dodds, who was born ca 1856, s/o Finis Ewing Dodds of Caldwell Co. KY. This cousin David married 1898 at Webster Co. KY, as second husband to Queen Isabella Curry, widow of Samuel Wallace. I cannot find this other D.M. Dodds in 1880 census.

In 1900 census, Webster Co. KY, cousin David was listed as a physician with his wife Queenie, and her young son Neile Wallace.

Dr. Thomas Dodd, b. S.C. res. Fredonia KY in 1860, perhaps a relative.

HUSBAND - David A. Black

David A. Black, born Nov. 10, 1861, parents David L. Black & Elizabeth Trotter, listed in V.R. Caldwell Co. KY, Mormon FHC Microfilm 216819.

(This was during Sutton Law of 1850, which was approved Jany 9 ,1852, repealed Aug 29, 1862, so only 10 yrs when clergymen, midwives and physicians were required to keep a Register of Births, Marriages, Deaths, including maiden names, in KY. Records were to be submitted at end of each year to the County clerk office. The clerk was to give a record to the Assessor office. After law was repealed in 1862, V.R. were not required until 1910.
Film includes many counties of KY, so must have been a State law).

A small obit. for David was published in Gonzales Inquirer, in TX , March 10, 1903, p. 3 , which is on microfilm at Gonzales Texas library.
News was rec'd in Gonzales this morning from Leesville, of the death of MR. BLACK, who moved to that place abt Feb. 5, coming from KY with his wf, who was daughter of S.B. Brelsford of Wrightsboro. Mr. Black's death occurred this morning about 2 o'clock, after a lingering illness; he suffered from effects of that dread disease consumption. Interment will take place this afternoon at 4 o'clock at the Leesville Cem.

David's name does not appear on an old Leesville Cemetery booklet, where many Brelsfords are buried. There were many unknown burials in that cemetery. Apparently David does not have an extant gravestone there.His dau. Georgia Black Baker used to say that her father was bur in Goliad, but she didn't know where he was buried.

Jennie Mae Brelsford b 1864 Ky

m1 July 1888 - Gonzales Co TX to cousin David Mears Dodds who died before ?1898

Dodds had 2 sons by first wife; no known issue by Jennie Brelsford

m2 David A Black, cousin
June 1898

(Both husbands cousins to each other, also.)

Jennie was 2nd wf to both husbands

" D.A. Black's first wife d 1895 in Ky after one yr marr,
Ellen O'Brien (David - no known issue by O'Brien)

Jennie was 24 at first marr

Jennie was 34 at 2nd marr
3 ch by D.A.Black - very fertile. If David had lived after 1903, there would have been more ch.

When did Dodds Die?

Family rumor has it that Jennie had an illegitimate son that became a catholic priest.
If so, when?
Brelsfords + Blacks were Presbyterian in Ky + prob in TX also

David A Black's first wf OBrien (Irish?)
(possibly Catholic?)
(what cem was OBrien buried? + her parents)

there is a 10 yr gap between Jennie's two marriages.

Jennie apparently stayed in TX after DA Black died in 1909 until her own death 7 yrs later. at 46 yrs of age

Hazel Lassiter, wd of Gene Lassiter told Jackie Humphrey that Walter Lassiter, Katie Black's husband did not do well financially + that the family had a difficult time financially.

HUSBAND - David A. Black (Continued)

There is another cem. in Leesvile called I.O.O.F., list not seen.

David A. Black married first to Ellen O'Brien, acc. to letter from Georgia's 1st cousin Mary (Black) Hansard, written to her first cousin Georgia (Black) Baker in 1960's.

Also, a relative of Ellen had the same photo of David and Ellen that my mother Georgia had, of her father and his first wife, so this proves it.

David A. Black marr. 2nd to his cousin wd Jennie Mae Brelsford) Dodds, widow of David Miers Dodds.
See Gonzales Inquirer.(

Also see familysearch.org (Mormon) TX Marriages 1837-1973 , origin Texas-EASy online which reads D.A. Black marr widow Jennie Dodd, 2 Junlack;s e 1898 Gonzales Co. TX, film 1310950. Indexing batch M00415-4.

David's dau. Georgia Black was told that David A. Black was buried Goliad, Tx, also conversely, she was told that none of the Blacks were buried at Goliad. Goliad cem. list not seen. I don't know where David A. Black,s father David L. Black was buried, four yrs before in 189; having died at Aransas Pass, San Patricio Co. TX, while residing with his son Chas. T. Black, who resided San Patricio Co. TX in 1900 census. David's father did reside previously, for a short tim, in Goliad.

1880 census, David A. Black was single, 19 yrs, living with father David L. Black and his sibs, in Tarrant Co. TX. His nephew was b. in Ft. Worth.

David A. Black was of Caldwell Co. KY when he married, on 25 Sep 1894, to Ellen O'Brien, at Crittenden Co. KY. That he was the same David that later married Jennie (Brelsford) Dodds is proven by contact with Ellen's living O'Brien/ Patton relatives in 1994, who provided me, Jackie Baker Humphrey, with a photo of David A. Black, husb. of Ellen O'Brien, which is the exact same photo that my mother Georgia (Black) Baker had in TX, of her own father David A. Black. The photo was a professional one taken in a photography studio,
Ellen O'Brien d. Sept. 1895. They were married only one yr. No known issue by 1st wf O'Brien.

familysearch.org lists Texas Marriage D.A. Black to Jennie Dodd (sic), 2 Jun 1898, Gonzales Co. Tx, Batch Number M59187-5. Texas VR. Film No. 1310950. Ref. No. 2:1CW1TVD.

Gonzales Co. TX Marriage LICENSE of D.A. Black and Mrs. Jennie Dodds in testimony of J.V. Depuyster, Clerk of County Court of Gonzales Co., sealed on 24 May 1898. This paper includes Rites of Matrimony and certifies that I joined in marriage, D.A. Black and Jennie Dodds, on 2nd day of June 1898. Signed by J.B. Kerr, Minister of Gospel. Recorded 23 July 1898 by J.V. De Puyster, Clerk.
This certificate rec'd by Jackie (Baker) Humphrey on June 30 2006, from Records Center and Archives , PO Box 77, Gonzales TX 78629.

David A. Black, of Fredonia KY, married second as second husb. to his cousin Jennie Brelsford, widow of D.M. Dodds, on 2 June 1898 at Wrightsboro, Gonzales Co. TX, at home of her father Samuel B. Brelsford. They returned immediately to KY (Gonzales Inquirer 14 Jun 1898 V2 #12).

There was an article in Crittenden Co. newspaper in 1898, when David returned to KY with his bride Jennie, in Brenda Jerome's bk, read by Betty Gordon. I have not seen this.

Notes

HUSBAND - David A. Black (Continued)

Son Charlie B. Black, Jackie's Uncle, was told that his father, David A. Bl,ack worked on Southern Pacific R.R. and that Charlie used to wave as the train went by. This surely was not in TX because David with TB was not able to work while living in TX. If it was in KY, Charlie was only one yr old when the family moved to TX. David A. Black could have been a RR Engineer vs a brakeman or fireman.

1910 1910 David A. Black was an Engineer, local, acc. to applic. of David's orphaned ch. for admission to Buckner Orphan Home in Dallas TX, in Nov. 1810. David A. Black was b. Princeton KY;, d. Leesville TX, was Presb.
David A. Black had TB and family moved back to Leesville TX about Feb. 5, 1903 (obit.), (probably to stay temporarily with or near one of wf Jennie's Brelsford,s siblings, during last illness of her husb. Perh. stayed with Mary Susan (Brelsford) Haynes or Richard Warner Brelsford or Nannie Belle (Brelsford) Holmes in Leesville).

1870 census, Caldwell Co. KY, David A Black res. with widowed father, David L. Black, was 8 yrs old, occup. farm laborer.
Family lore says David A. Back Black res. Goliad TX, worked a farm purch. withis father's money. This would have to be between 1880 and 1894, if correct. I think this incorrect because David A. marr. first in KY in 1894, was wd in 1895, res. in KY in 1898, when he married 2nd in TX, while visiting, and went immediately back to KY after 2nd marr.
(David A's bro. Chas. T. Black was known to res. at Goliad for a time). I think family members mixed up the 2 bros., David and Chas.

David A. Black was tall and fine looking, acc. to family lore in the O'Brien fsmily.

WIFE - Jennie Mae Brelsford

sources: birth from Buckner Baptist Children's home, Dallas TX, marr. certif, death certif, Georgia's husband Homer Baker and her 3 chidren's personal knowledge of their mother.

Vol. 3, p. 485. R.C. Buckner, Dallas TX. Application information for admission to Buckner Orphan's Home in Nov. 1910, listed that Georgia had very little education; had measles and Whooping Cough in 1906; had been vaccinated for smallpox; was honest and truthful. Georgia owned no property; had no legal Guardian; there was no contention about putting Georgia in the institution. Application was made by Mrs. Sarah L. Brelsford who wrote that she was of Leesville, Gonzales Co. TX and was the only friend (relative struck out in applic.). Sarah transferred all authority and control of Georgia to the home, during the time of Georgia's minority, agreeing not to interfere in any manner. Signed 22 Oct. 1910. Witn. were W.W. Littlefield and George Holme, M.D . The applic. was approved by Deacon J.D. Haynes and Deacon E. DeShuler, of Leesville TX.
Note that Sarah L. (Haynes) Brelsford, the applicant; was the widow of Georgia's Uncle Charles Alexander Brelsford and sister of Jesse Dean Haynes, who had married Georgia's Aunt Mary Susan Brelsford. George Holmes, M.D. was married to Celestine Haynes, d/o Mary Susan and Jessie Haynes. Celess (Haynes) Holmes was first cousin of Georgia).
(Georgia's brother and sister were also admitted for residency there).

It would seem that there must have been a Guardian at some time during Georgia's residence at Buckner home. She was only 10 yrs old when she was admitted.

Note that all four of Georgia's Black and Brelsford grandparents died before she was born. The the only other Brelsford Aunts and Uncles of Georgia, that were alive in 1910 in TX, were Richard Warner Brelsford with 8 ch in 1910, Nannie Belle (Brelsford) Holmes, with 5 ch in 1910, Mary Susan Brelsford, 53 in 1910, wife of Jesse Haynes, and bro. of Charlie A. Brelsford's wf, Sarah Haynes. Mary Susan & Jessie Haynes had a dau. Celess who marr. Dr. George Holmes abt 1908.
No Black family relatives were living in the area in 1910. Georgia's Uncle Chas. T. Black (1856-1934), was a widower with 3 children in Goliad TX in 1910. Georgia also had a spinster Aunt, Dorcas Frances Black aka Fannie, b. 1852, who resided and was raising the children of Elam Logan Brelsford , a cousin, in 1910. The wife of the Brelsford cousin was an inmate with a long term illness.

Georgia was 5 ft 7 in. tall, hazel eyes, brown hair. Beautiful face, nice figure.

Registered Professional Nurse. Orphaned by age 10. Went to live with her Uncle Chas. Brelsford and wf Sarah Haynes abt April 1910; Chas. died Sept 1910 by kick from horse. 2 months later, his wf sent Georgia and siblings to Buckner Orphan's Home in Dallas, TX.

1900 census Fredonia, Caldwell Co KY, Georgia listed with her parents and sister Katie.

Charlie was encouraged to move to NYC by bro.in law Homer Baker, which he did abt 1924. Charlie was drafted in 1941 as a soldier, which was a mistake because of his age. He was discharged from service during the war. Charlie resided with his sister Georgia Baker from abt 1934-1942 on E. 17th St and afterward on E. 16th St.. He was a member of the Polar Bear Club whose members swam in the ocean at Coney Island every January 1st. He was handsome, tall, blond, blue eyes, nice physique, always dressed well. Shy. HUSBAND - David A. Black

David A. Black, born Nov. 10, 1861, parents David L. Black & Elizabeth Trotter, listed in V.R. Caldwell Co. KY, Mormon FHC Microfilm 216819.

(This was during Sutton Law of 1850, which was approved Jany 9 ,1852, repealed Aug 29, 1862, so only 10 yrs when clergymen, midwives and physicians were required to keep a Register of Births, Marriages, Deaths, including maiden names, in KY. Records were to be submitted at end of each year to the County clerk office. The clerk was to give a record to the Assessor office. After law was repealed in 1862, V.R. were not required until 1910. Film includes many counties of KY, so must have been a State law).

A small obit. for David was published in Gonzales Inquirer, in TX , March 10, 1903, p. 3 , which is on microfilm at Gonzales Texas library.
News was rec'd in Gonzales this morning from Leesville, of the death of MR. BLACK, who moved to that place abt Feb. 5, coming from KY with his wf, who was daughter of S.B. Brelsford of Wrightsboro. Mr. Black's death occurred this morning about 2 o'clock, after a lingering illness; he suffered from effects of that dread disease consumption. Interment will take place this afternoon at 4 o'clock at the Leesville Cem.

David's name does not appear on an old Leesville Cemetery booklet, where many Brelsfords are buried. There were many unknown burials in that cemetery. Apparently David does not have an extant gravestone there.His dau. Georgia Black Baker used to say that her father was bur in Goliad, but she didn't know where he was buried.

There is another cem. in Leesvile called I.O.O.F., list not seen.

David A. Black married first to Ellen O'Brien, acc. to letter from Georgia's 1st cousin Mary (Black) Hansard, written to her first cousin Georgia (Black) Baker in 1960's.

Also, a relative of Ellen had the same photo of David and Ellen that my mother Georgia had, of her father and his first wife, so this proves it.

David's dau. Georgia Black was told that David A. Black was buried Goliad, Tx, also conversely, she was told that none of the Blacks were buried at Goliad. Goliad cem. list not seen. I don't know where David A. Black,s father David L. Black was buried, four yrs before in 189; having died at Aransas Pass, San Patricio Co. TX, while residing with his son Chas. T. Black, who resided San Patricio Co. TX in 1900 census. David's father did reside previously, for a short tim,

1880 census, David A. Black was single, 19 yrs, living with father David L. Black and his sibs, in Tarrant Co. TX. His nephew was b. in Ft. Worth.

David A. Black was of Caldwell Co. KY when he married, on 25 Sep 1894, to Ellen O'Brien, at Crittenden Co. KY. That he was the same David that later married Jennie (Brelsford) Dodds is proven by contact with Ellen's living O'Brien/ Patton relatives in 1994, who provided me, Jackie Baker Humphrey, with a photo of David A. Black, husb. of Ellen O'Brien, which is the exact same photo that my mother Georgia (Black) Baker had in TX, of her own father David A. Black. The photo was a professional one taken in a photography studio,
Ellen O'Brien d. Sept. 1895. They were married only one yr. No known issue by 1st wf O'Brien.

This certificate rec'd by Jackie (Baker) Humphrey on June 30 2006, from Records Center and Archives , PO Box 77, Gonzales TX 78629.

David A. Black, of Fredonia KY, married second as second husb. to his cousin Jennie Brelsford, widow of D.M. Dodds, on 2 June 1898 at Wrightsboro, Gonzales Co. TX, at home of her father Samuel B. Brelsford. They returned immediately to KY (Gonzales Inquirer 14 Jun 1898 V2 #12).

There was an article in Crittenden Co. newspaper in 1898, when David returned to KY with his bride Jennie, in Brenda Jerome's bk, read by Betty Gordon. I have not seen this.

(Owned frame home free and clear, no mort. In rechecking this census pg, I don't see this info. Do I have it somewhere) ?
Need to get sale of land aft. David's death.

Son Charlie B. Black, Jackie's Uncle, was told that his father, David A. Bl,ack worked on Southern Pacific R.R. and that Charlie used to wave as the train went by. This surely was not in TX because David with TB was not able to work while living in TX. If it was in KY, Charlie was only one yr old when the family moved to TX. David A. Black could have been a RR Engineer vs a brakeman or fireman.

David A. Black was an Engineer, local, acc. to applic. of David's orphaned ch. for admission to Buckner Orphan Home in Dallas TX, in Nov. 1810. David A. Black was b. Princeton KY;, d. Leesville TX, was Presb.
David A. Black had TB and family moved back to Leesville TX about Feb. 5, 1903 (obit.), (probably to stay temporarily with or near one of wf Jennie's Brelsford,s siblings, during last illness of her husb. Perh. stayed with Mary Susan (Brelsford) Haynes or Richard Warner Brelsford or Nannie Belle (Brelsford) Holmes in Leesville).

1870 census, Caldwell Co. KY, David A Black res. with widowed father, David L. Black, was 8 yrs old, occup. farm laborer.
Family lore says David A. Back res. Goliad TX, worked a farm purch. withis father's money. This would have to be between 1880 and 1894, if correct. I think this incorrect because David A. marr. first in KY in 1894, was wd in 1895, res. in KY in 1898, when he married 2nd in TX, while visiting, and went immediately back to KY after 2nd marr.
(David A's bro. Chas. T. Black was known to res. at Goliad for a time). I think family members mixed up the 2 bros., David and Chas.

Copy of original Marriage Certificate 2 February 1870, David M. Dodds was married Miss Racheal R. Brantley at Mrs. Bowden Brantley's , in the County of Crittenden, in the presence of Frank Dodds and Sam'l Williams.

(Frank Dodds was bro. of David).

David's first marriage to Rachael Brantley listed in Mormon Pilot program as married 2 Feb. 1870, Crittenden Co KY. How was his name listed there?

Said to have been an M.D. practicing in Halletsville TX abt 1888. Ref: Letter from cousin to Georgia (Black) Baker.

David M. Dodds was bro. of Francis Marion W. Dodds, who was known as "Frank"; was married to Celestine Brelsford, d/o Hiram Hawkins Brelsford and wf Celestine Logan Black.
1964 letter from cousin Marietta Ball to Georgia Black Baker - David M. Dodds was s/o David S. Dodds of Caldwell Co. Ky.

David M Dodds 's brother John Franklin Dodds listed in a bible record.
David M. Dodds, of Caldwell Co KY, marriage license 2 Feb. 1870, H.M. Witherspoon, Dep'y Clerk. He married first on 18 Feb. 1870 to Rachael A. Brantley, at home of Bousden Brantley by Dr. M. Bristow, witn. Frank Dodds, Wm Lamb. Crittenden Co. Marr. rec.

D. M. Dodds had no known issue by 2nd wf Jennie Brelsford, which leads me to believe he died soon after marr. to Jennie, but note that Jennie in 1910 census is listed with having bore 8 ch., if this info was put in the correct column.
D.M. Dodds father died when he was age 2, his mother died when he was age 1. He was raised by relatives.

(Could it be possible that he was not an M.D., but had a Doctorate for teaching? Or was he an M.D. who was not practicing medicine or became a physician later? Which David M. Dodds was he)?
(David McLean Dodds was residing in Fredonia in 1870 in Shady Grove. He may have been the teacher).

David may have been the Dr. D.M. Dodds who taught a splendid school at Crittenden. Co. KY. Crittenden Co. KY Newspaper Extracts by B. J. Jerome. At What date?

D.M. Dodds, husb. of Jennie Brelsford was said to have died in a hunting accident in TX, which had to be between 1888 marr. and before June 1898 when Jennie remarried.

Note that David Dodds ch. by first his wife Rachel Brantley, Singleton and Wm Albert, moved to Crook Co. WY, but were preceded there by their first cousin Francis Leighton Trotter. Francis was in TX after his parents died, his mother being Martha Dodds, sister of Frank Marion Dodds who raised the orphan Trotters in TX. Martha and Frank's brother David Miers Dodds was divorced and then moved to TX and there married second to Jennie Brelsford. I don't know if Singlton and Wm Alfred Dodds were ever in TX, or worked on a trail drive pushing TX cattle to Wyoming as did Francis Trotter. Trotter may have been the impetus for his younger cousins to move to Wyoming.

(Note that the typed copy of certificate is incomplete and contains errors; does not list the list the certificate # 1817 as in the original; does not list the names of Jennie's parents, listing only that they were both born in KY.
The original HANDWRITTEN certificate clearly lists that Jennie died in Ward 5, and that clearly that she length of residence where she died was one year and 6 months. The typed document has misspellings, lists Jennie's death in Ward 6, and that Jennie resided at the place where she died for 6 yrs.).

what do you have showing the Trotters in Wyoming ?

HUSBAND - David Miers Dodds Dr. (Continued)

Note that David Dodds ch. by first his wife Rachel Brantley, Singleton and Wm Albert, moved to Crook Co. WY, but were preceded there by their first cousin Francis Leighton Trotter. Francis was in TX after his parents died, his mother being Martha Dodds, sister of Frank Marion Dodds who raised the orphan Trotters in TX. Martha and Frank's brother David Miers Dodds was divorced and then moved to TX and there married second to Jennie Brelsford. I don't know if Singlton and Wm Alfred Dodds were ever in TX, or worked on a trail drive pushing TX cattle to Wyoming as did Francis Trotter. Trotter may have been the impetus for his younger cousins to move to Wyoming.

Notes

HUSBAND - Homer Edward Baker Sr. Mayfl (Continued)

Won race in Stamford Bridge England in 19 __.
Must add info here.

Had Retinitis Pigmentosa which caused blindness, and also his sister Ruth Baker and Aunt Edith Collins Davidson (maternal side) were affected. Homer also became deaf, but his Aunt Edith did not become deaf.
I cannot find where this disease originated. No blindness in the large Bow family that shared the Gaylor and Weaver line with Homer. No blindness in census records on these lines.
I do not know parents of Philip Gaylor or his wf Margaret. No blindness in census recs of Albany NY for Hiram Gaylor or his relatives. I do not know Hiram's wf Sally Weaver's sibs or parents.
No known blindness in the large Vultee family in Germany or in NYC census records.
I do not have info. re: desc. of sibs of William Collins b. 1798, except for one Arlis ___, desc. of sister Lucinda Collins ___ who knows of no . blindness in her line from Lucinda.
No blindness known in later generations of Collins/Baker except for Homer, his sister and his Aunt.
Since Homer's Aunt Edith (Collins) Davidosn was affected, this affliction did NOT come from the Baker/Hinsdlale family line which has been throughly researched by Homer's dau. Jackie Baker Humphrey and other Baker/Hinsdale descendants.
Retinitis Pigmentosa had to come down line the Collins ancestry through Collins, Vultee, Gaylor or Weaver lines, but which one?

Homer could see well enough to drive car until about 1931, age 39.

Motorcycle accident, knee injury halted his track career.
He taught athletics, including swimming in the Panama Canal zone and San Antonio, Texas prior to marriage. Met wf Georgia, an R.N. when he had his appendix removed in San Antonio. He called her and "angel from heaven" when he came out of anaesthesia.
He moved back to B'klyn NY in 1925, became a Real Estate Broker, had his own business, economic Great depression of 1929 & blindness interrupted that career abt 1932.
Entered blind home for rehabilitation abt 1937/8; during WW I yrs abt 1942, Homer became a jobber for brushes, brooms, etc. with his own business, had guide dog. Worked until he was 72 yrs of age.
unhappy marriage, separated for many yrs, divorced 1949.
6 ft Tall, portly in mid life, intelligemt, strict, beautiful blue eyes, brown hair, skinny growing up.
Learned braille, used 2 very strong hearing aids, still one had to shout for him to hear.
Sports cartoonist for Brooklyn newspapers and The Amateur Athlete early mid life.
During Great Depression abt 1934 , did handwriting analysis in Coney Island concession and sold candy on the street for a short time to make ends meet.

Clara Bow,"The It Girl", silent screen star was his second cousin on maternal Gaylor side.

1893, Homer b. June 8 at Buffaflo, NY., parents resided on Main St.

1898, May 20, Homer res. Bklyn, with parents, when they signed a cemetery contract witrh other relatives.
1898, Oct. Homer's mother Nellie (Collins) Baker, joined Reformed church in Bklyn.

1900 census Homer at 6 yrs old, b. NY, resided with his parents Charles and Nellie Baker and Grandmother Nellie and step-grpa Chas. Caldwell at 26 Berkeley Place, B'klyn NY.

1901 Aug. 13, Homer resided at 35 St. Marks place, Bklyn, NY, when sister Ruth Baker was born.

1903, Jan'y, Homer's father Charles H. Baker died, while residing at 261 Prospect Place, B'klyn.

From 1905 to Jan'y 1920 census recs: Homer resided with mother at 33 Prospect Place, Bklyn.

1914 Homer was in Europe for track meets.

1915 census, official census day June 1, Kings Co. , NY, E.D. 17, Assembly Dist. 10, Block 4, Ward 9, original p. 328, p.

Mayflower Line

There are only 10 descendants are alive in 2013 from Nellie (Collins) Baker's line from William Collins (b. 1798, Springfield MA-d. 1866 Bklyn NY) , Collins branch , which leads back to Mayflower line of Gov. William Bradford. These indiviuals are Homer Baker Sr's 3 ch, Homer's 5 grch. and Homer's 2 great grandch. The only possible future descendants of this line would be children of Jeren Nilsen and Olivia Humphrey, who are great grandch. of Homer Baker Sr. through his dau. Jackie Baker Humphrey and David Baker, (now 48 yrs and unmarried) grandson of Homer Baker Sr. through his son Homer Jr. (Note that 2 sons of Homer Jr. d/y befor marrying).

There are only 4 descendants from Edith (Collins) Davidson's line from William Collins (b. 1798 Springfield MA-d. 1866 Bklyn); Irene (Davidson) Howard's son John Howard Jr., of Alexandria VA , his only living son Wm Brooks Howard and Wm's two children Wm and Annie Howard, also eligible desc. of Wm Bradford, through the Brooklyn NY Collins branch. Wm and Annie Howard are young enough to have possible future children.

Thus, there are only 5 of Wm Collins (1798-1866) desc. of the NYC branch, still alive and young enough to have future children, 3 of the Baker/Collins line and 2 of the Howard/Collins line.

Note that Homer Baker Sr. and his cousin Justin Baker had similar shape of their head, in profile, also hair on arms grew similarly. Although they did not look alike, their similarities were very striking, showing that they had the same Baker ancestry.

about putting Georgia in the institution. Application was made by Mrs. Sarah L. Brelsford who (sarah) wrote that she was of Leesville, Gonzales Co. TX and was the only friend. (R relative struck out in applic.). Sarah transferred all authority and control of Georgia to the home, during the time of Georgia's minority, agreeing not to interfere in any manner. Signed 22 Oct. 1910. Witn. were W.W. Littlefield and George Holme, M.D . The applic. was approved by Deacon J.D. Haynes (Jessie Dean) and Deacon E. DeShuler, of Leesville TX.

Note that Sarah L. (Haynes) Brelsford, the applicant; was the widow of Georgia's Uncle Charles Alexander Brelsford and sister of Jesse Dean Haynes, who had married Georgia's Aunt Mary Susan Brelsford. George Holmes, M.D. was married to Celestine Haynes, d/o Mary Susan (Brelsford) and Jessie Haynes. Celess (Haynes) Holmes was first cousin of Georgia).

(Georgia's brother and sister were also admitted for residency there).

It would seem that there must have been a Guardian at some time during Georgia's residence at Buckner home. She was only 10 yrs old when she was admitted.

Note that all four of Georgia's Black and Brelsford grandparents died before she was born. The the only other Brelsford Aunts and Uncles of Georgia, that were alive in 1910 in TX, were Richard Warner Brelsford with 8 ch in 1910, Nannie Belle (Brelsford) Holmes, with 5 ch in 1910, Mary Susan Brelsford, 53 in 1910, wife of Jesse Haynes, and bro. of Charlie A. Brelsford's wf, Sarah Haynes. Mary Susan & Jessie Haynes had a dau. Celess who marr. Dr. George Holmes abt 1908.

No Black family relatives were living in the area in 1910. Georgia's Uncle Chas. T. Black (1856-1934), was a widower with 3 children in Goliad TX in 1910. Georgia also had a spinster Aunt, Dorcas Frances Black aka Fannie, b. 1852, who resided (with) and was raising the children of Elam Logan Brelsford , a cousin, in 1910. The wife of ~~the~~ (Elam) Brelsford (cousin) was an inmate with a long term (mental) illness.

Georgia was 5 ft 7 in. tall, hazel eyes, brown hair. Beautiful face, nice figure.

Did she? In Leesville?

Registered Professional Nurse. Orphaned by age 10. Went to live with her Uncle Chas. Brelsford and wf Sarah Haynes abt April 1910; Chas. died Sept 1910 by kick from horse. 2 months later, his wf (SARAH) sent Georgia and siblings to Buckner Orphan's Home in Dallas, TX.

SAID to be from

1900 census Fredonia, Caldwell Co KY, Georgia listed with her parents and sister Katie.

1910, April census San Antonio TX, Georgia, age 10, b. KY, listed with her wd mother and her siblings, no others in hh. Her mother died 5 days later.

1920, January 10/12, census, Dallas, Dallas TX, Buckner Orphanage, Pct 3, p. 27 B, sheet 3B. Georgina (sic) Black age 18, born N.S. (not stated). Both par. b. US. Her sibs Katie and Charlie Black were also there and all 18 yrs, born N. S. (not stated). The informant must have had a list of over 18 residents and lumped the ch. all together.

Nurse educated San Antonio TX Class of 1923 says Betty Baker.
marriage in TX, 1924, 15 July

Georgia's notebk lists her marr. at First Bapt. Church of San Antonio TX on July 15 1924 by Dr. Rev. Gates. Beatie Griffin, Mrs. and Mr. Palphrey and many Sunday School teachers and students were witnesses, as well as Georgia's cousin Jim Brelsford, who later married and res. in Dallas TX.

The only likely Jim Brelsford that I know, would have been James, b. ca 1899 s/o Richard Warner Brelsford and grs/o Sam B. Brelsford.
Homer doesn't mention him in his writing on the marr. certif.

1930 census, B'klyn NY Georgia was with husb. See Homer's narrative.

BLACK FAMILY

Compiled by Jacqueline Brelsford Baker Humphrey

Pioneer Preacher by Natalie Black begins with Rev. Sam Black I, the immigrant 1732-35, and wf Catherine Shaw; Sam II and wf Mary; Sam III and Keturah Shaw. Rev. Sam from Scotland to Ireland, to Pa. Va, Carolina.

P.P. does not follow some of the grand children of Samuel Black III. This is an attempt to add missing info. mostly from from the children of Sam and Keturah (Shaw) Black. They are David Lowery, John Thomas and Celestine Black. Celestine married H.H. Brelsford, thus her line has the surname Brelsford.

Some info. contributed by Betty Gordon of John Thomas Black line, Elaine Baxter of Nathan Washington Brelsford line and Barry John Talley of Walker Chambers Brelsford line.

Info. taken from four page Brelsford Family History written by Nathan Washington Brelsford 1905 and John Brelsford of Dallas/Ft. Worth.

WILLIAM BLACK AND MATILDA ROWE

William Black was s/o Samuel^2, (Rev. Sam^1) and Mary Black. William was born between 1764/79, (based on birthdate of his father and his own marriage to Matilda). He died 30 May 1831, Oldham Co. KY (War 1812 Pension).

William married 26 Dec. 1809, Matilda Rowe acc. to Ky bible rec. v. 6, p 12 and War 1812 Pension Abstracts by Virgil White. Matilda Rowe d. 12 April 1881.

Hist. of Albemarle Co. Va by Rev. Edgar Woods, p 145 incorrectly lists William and Matilda´s marriage and children. He confuses this Wm3 with his Uncle Wm2, s/o Rev. Sam1. See Pioneer Preacher by Natalie Black.

1812 War Pension Abstracts lists Pension WC1752 for William Black´s service in VA Militia, Robert Mc Culloch´s Co., lists his wife and date of marriage, also soldier´s date and place of death. (Was this WC a widow claim)?

REV. SAMUEL BLACK AND CATHERINE SHAW

1. The Roanaoke of Colonial Days by F. B. Kegley states that Sam Black was married at Albemarle Co. Va after having been a missionary among the Scotch Irish in the area of Augusta Co. Va for four years from 1743-47.
Bible record states that Sam Jr. was born 13 March 1743 which would indicate marriage about 1742.

Colonial Clergy of the Middle Colonies states that Sam Black came from Ireland; Ord. Brandywine Manor, Chester Co. Pa; Forks of the Brandywine Ch 10 Nov. 1736, settl. there 18 Nov. 1735-May 1741; inst. Mt. Joy, Adams Co. Pa; Conewago Ch, (formerly Franklin), now Geinburg, Pa, May 1742; settl. Mt Joy, 1741-4 April 1745; Londonderry, Lebanon Co, Pa, 1741-45; Peach Bottom, York Co. Pa, Slate Ridge Ch 1757-1758; Rockfish, Nelson Co. Va, 1752-1770; Mtn Plains, Nelson Co. Va 1752-1770; Old Side Presb., d. Rockfish, Va 9 Aug 1770.

Ship Passenger Lists, National and New Eng (1600-1825) by Boyer list Names of Ministers from Ulster who served ministry of Presb. Ch. in N. Am. 1680-1820. Sam Black, p. 16 - Licensed Armagh bef. 1735; Pa, VA, N.C. To date, I have not seen his NC service researched in print.

1798, Sept. Bk 4, p 16, 17. Administration papers, Albemarle Co. Va for Catharine Black appears to be widow of Sam Black. Sam Black, Esq. Adm. of estate. Property held was Dinah, aged 27, India, aged 6 yrs, Roger, aged 18 months. Certified 6 Oct. 1798 by Wm Ramsay, Francis Davis, Jos. Alexander, Wm Davis. Property sold that day at public auction for 145 ?pounds. Rec. Dec. Ct, 1798. Wm Ramsay was likely father or bro. of John who m. Sam II´s dau. Jos. Alexander was related to Rev. Sam I´s brother´s line.

Was Catharine younger than her husband? Was she a second wife? Who was the Rev. Sam Black who m Hughart, see Virkus. Could the slave property be traced to Id. her. Note that Sam I left a slave Roger in his will. Was he father of the baby Roger?

Conjecture

Were the Davis men in Catherine´s Adm. papers related to Chesley and Mary Tate Davis of Va and Newberry Co. SC? If so, it would explain why James and Samuel Black were witnesses to her will and Adm. of her eatate in 1791 and 1795. Mary Tate was b ca 1733 in Hanover or Fredericksburg, Louisa Co. Va. Her husb. Chesley Davis was b ca 1708 in Md.

Also, if the Black and Chesley Davis were connected, it would explain how Wm Shaw, prob. son of James, met and married the Davis granddaughter Polly Waters. See later this document.

Family records of Natalie Black's husbands' line state that Mary's maiden name was Black and that she was d/o Sam's Uncle John, no proof. Natalie's other info. states that Uncle John had no dau. Mary.

" The Logan Family of Lincoln Co. Ky" by Hattie M. Scott Genealogies of Ky Families, 1981, pp. 690-91, lists Betty Logan, d/o David who d. Va. and wf Jane who moved to KY. Betty was sister of Gen. Benj. Logan. Betty had a dau. Peggy Wilson. The article states that it is not known whether Betty or her dau. m. Wilson. Another bro. of Betty was Nathaniel who m1. Judith Wilson in 1787, and prob. m2. Polly Harvey in 1801. Unplaced in the Logan line, but thought to be related was Thos. Logan who had son in law

The names of Wilson and Stevenson seem connected to our Black/Shaw family, see Wilds Cem. listings. Crider, Ky. Sam Black III named a son William Wilson Black.

(John b. 1793, Rockbridge Co. Va. His father Sam from Ire., moved from Va to Garrad Co. Ky shortly after 1793). Eliz. m. Wm C. Hainline.

William Shaw was her brother who married Mary Waters, mother of Maria Eliz. Trotter who m David Lowery Black, s/o Sam and Keturah.

Keturah Shaw was b. Nov. 13, 1779, Kaskaskia, Ill., died Aug. 12, 1852, in the 72 yr of her life, (gravestone Wilds Cem), Caldwell Ky. She was a frontier child in Nashville, Tn, lived in a fort. (birthplace 1850 census). See later pages for lengthy narrative on her parents.

Sam and Keturah were both bur. Wilds Cem. near Crider, Ky, where Keturah's parents James and Anna Shaw were buried. James' being the earliest gravestone that is still intact in this cem.

(Our Ancestral Plots by Kyle, Wilds Cem., lists Samuel Oct. 11, 1779-Oct. 9, 1859, incorrectly. Keturah, Nov. 13, 1779-Aug. 19, 1859, 79th yr, incorrectly. Book has errors mixing 2 with 9, since the number 2 on the gravestone looks very much like a nine. I viewed this stone Sept. 1991. Caldwell Co. Ky VR lists her death as Mary Black, d. Aug. 12, 1852, age 72, born IL, died from cold chills, par. James and Anner Shaw. I believe this is Keturah, her death date coinciding with gravestone. She may have been Mary Keturah or Keturah Mary. It was common for people in the family to be called by their middle names.

Sam appeared in Livingston Co. Ky in 1802, renting land from David Shaw, prob. his cousin and bro. of his future wife, (Croom, reck dates).

1804 Sam Black bought 200 acres Donelson's Fork of Tradewater River. This was the part of Livingston Co. that changed to Caldwell 1809.

1832 Sam had a grist mill on Donaldson at Black Spring Branch (Hist. Caldwell Co. by Clauscine R. Baker, p. 162).

1839 Aug. 19, Caldwell Co. (sp) The abovementioned Eddyville Rd ran alongside the Wilds Cem. The old sunken roadbed can presently be followed for some distance, (Sheridan).

Ky Geny and Biog. states that Sam Black came to Ky about 1800 and patented 160 acres where L. Adamson later resided, and remained there til his death, age 83. (Believe this was John Lindsley Adamson).

The Bethlehem Cumberland Presbyterian Church is located six miles northwest of Princeton and one mile north of Crider, on the Ohio Valley Division of the Illinois Central RR in Caldwell Co. Ky. The first preaching for this church began in 1810 at the Elkhorn Tavern. In October 1814, the church was organized by Rev. John Barnett, who preached there for 22 years. It was the Anderson Presbytery. A log church was built 1816 and completed 1820. In 1846, this ch. was torn down and a brick bldg erected. This bldg was demolished by a strong windstorm in 1877 and replaced the same yr by another bldg. Sam and Keturah d. 1852, after the brick ch. was built. Their ch. lived to witness the destruction of this church.

Sam Black and his wife Keturah were two of 17 charter members of the congregation which number included the pastor and his wife. Sam was ordained as a ruling elder at this time, thus was active in the organization of the church. Sam and wife Keturah were listed as members at the 1814 organization. Three Kinkaid ladies, Mary Ann, Phebe and Elizabeth, were also charter members. (Note that in 1770 in Virginia, Joseph Kinkead signed as witness to the will of Rev. Sam Black I, our Sam's grandfather). Soon after, Francis Dodds, Clara Dodds, Anna Dodds, Jane Dodds, Elizabeth Dodds, Alexander Adamson, Dorcas Shaw, Isabella Adamson were amongt those who joined the church. People with these names intermarried into the Black, Shaw and Brelsford families.

In 1816, a log church was erected, not being completed until 1820. In 1846, the log church was replaced by a neat brick church. This church was completely demolished by a cyclone April 18, 1877. Rev. Love kept the church records at his residence which burned in the 1860's. The church records from 1814 to 1864 were destroyed in this fire. (Add other ch rec from newspaper).

In 1860, the church set apart land for burial purposes and was a central cemetery for the congregation.

The Army had large supplies of munitions there for the troops who accompanied the Indians on the "Trail of Tears" in __ yr. The Co. seat was moved to Salem, near Marion, before being moved to Smithland.

The maiden name of Sam III's mother Mary, and that of Keturah's mother Anner is not known. Since Sam III named ch. with the middle name of Logan and Wilson, they are clues to these maiden names. (James Wilson of Caldwell Co. was b. Scotland, not related).

A Samuel Black in SC and Mo records:

1. A Sam Black was a witness to Administration of the estate of Mary Tate Davis in Newberry Co. SC in 1795. James Black was a witness to her 1791 will. Our Sam had a bro. James. Mary Davis was grandmother of Maria Eliz. Trotter who married David Lowery Black, s/o Sam and Keturah. To date, I have not found what connection our Black family might have had to the Davis family in the 1790's in SC. The Davis family were in Va before SC.

2. 1796, Dec. A Sam Black was in the New Madrid area of Missouri having no property. This was when it was a Territory of France and called Upper Louisiana.
Ramsay family there early, too.

3. A Sam Black claimed land on the Mississippi River, New Madrid District. This land was granted in 1811 to Sam Black or his legal Representatives. This was the area where the Waters and Trotter families resided.

Thos. W. Waters, father of Polly Waters Shaw Trotter resided 1802, where Commerce, Scott Co. Missouri now stands, near New Madrid.

New Madrid is less than 100 miles from Crider area of Ky

where Sam settled. Wm Shaw, prob. s/o James Sr., and Wm´s wife Polly Waters, mother of Maria Trotter, appear in a deed with the heirs of Thos. W. Waters in 1826/7 in Scott Co. Mo. Mary Davis, of the 1795 estate listed above, was the mother of Polly Waters. Sam Black and William Shaw became brothers in law in 1804, and also were probably cousins through Sam´s grandmother Catherine Shaw.

SAMUEL BLACK III AND KETURAH SHAW

3 Samuel Black III, was s/o Sam^2, (Rev. Sam ^{1}) and Mary Black. He was b. Oct. 11, 1772, Albemarle Co. Va, d. Oct. 26, 1852, 81st yr of his life, (gravestone). Died Pneumonia, Caldwell Co. Ky. Ky Vital Statistics 1852-1859, p. 32 (Princeton Ky Lib.) and FHC Caldwell Co Reel states Sam Black III was born Albemarle Co. Va., died 26 Oct. 1852 and that his parents were Samuel and Mary Black. His middle initial may have been B.

Samuel Black married Keturah Shaw, Marriage Bond - William Shaw and Samuel Black bound on 12 March 1804, Livingston Co. Ky, recorded prob. at Centerville, which was then the Co. seat. Record is now at Smithland, the present County Seat for Livingston Co. (p. 141, 1799-1808). Pioneer Preacher lists marriage as 13 March 1804. William Shaw was her brother who married Mary Waters, mother of Mariah Elizabeth Trotter who married David Lowery Black, s/o Sam and Keturah.

Keturah Shaw was born Nov. 13, 1779, Kaskaskia, Ill. now Randolph Co., died Aug. 12, 1852, in the 72nd yr of her life, (gravestone Wilds Cem), Caldwell Ky. She was a frontier child in Nashville, TN, lived in a fort. (birthplace 1850 census). See later pages for lengthy narrative on her parents.

1830, July 22, S.B. Black was an organizing member of a Colonization Society to promote the colonization of free colored people on the coast of Africa. (Hist. Caldwell Co KY by Baker, p 145). The index also lists Samuel Black on this page, but only S.B. Black is listed on the stated page. If this was our Sam, we now have a middle initial for him. I have not found any other S. 1832 Sam Black had a grist mill on Donaldson at Black Spring Branch (Hist. Caldwell Co. by Clauscine R. Baker, p. 162).

1835, 50 acres Donaldson's Fork. Purchase totals 757 acres by 1835, but had sold off 170 acres. Still owned 580 acres 1840.

1839 Aug. 19, Caldwell Co. Order Bk F: County devised Common School Districts, one of which was #12, Cash District, beginning at mouth of Samuel Black's spring branch on Donaldson's Fork; running S.20W. passing between Black's house and horse mill to Eddyville Rd, thence to John Hayden's house; thence to Grigg's old place on the knob; thence to the range line at George Robinson's old house; thence N.20E. to corner of #11 near Mrs. Smith's; thence to Mrs. Nancy Maxwell's, Elihu Calvert's, the crossing on ford near Naomi Stone's, thence down Donaldson's Fork to the beginning.

The abovementioned Eddyville Rd ran alongside the Wilds Cem. The old sunken roadbed can presently be followed for some distance, (Sheridan).

Ky Geny and Biog. states that Sam Black came to Ky about 1800 and patented 160 acres where L. Adamson later resided, and remained there til his death, age 83. (Believe this was John Lindsley Adamson).

The Bethlehem Cumberland Presbyterian Church is located six miles northwest of Princeton and one mile north of Crider, on the Ohio Valley Division of the Illinois Central RR in Caldwell Co. Ky. The first preaching for this church began in 1810 at the Elkhorn Tavern. In October 1814, the church was organized by Rev. John Barnett, who preached there for 22 years. It was the Anderson Presbytery. A log church was built 1816 and completed 1820. In 1846, this ch. was torn down and a brick bldg erected. This bldg was demolished by a strong windstorm in 1877 and replaced the same yr by another bldg. Sam and Keturah d. 1852, after the brick ch. was built. Their ch. lived to witness the destruction of this church.

Sam Black and his wife Keturah were two of 17 charter members of the congregation which number included the pastor and his wife. Sam was ordained as a Ruling Elder at this time, thus was active in the organization of the church. Sam and wife Keturah were listed as members at the 1814 organization. Three Kinkaid ladies, Mary Ann, Phebe and Elizabeth, were also charter members. (Note that in 1770 in Virginia, Joseph Kinkead signed as witness to the will of Rev. Sam Black I, our Sam's grandfather). Soon after, Francis Dodds, Clara Dodds, Anna Dodds, Jane Dodds, Elizabeth Dodds, Alexander Adamson, Dorcas Shaw, Isabella Adamson were amongt those who joined the church. People with these names intermarried into the Black, Shaw and Brelsford families.

In 1816, a log church was erected, not being completed until 1820. In 1846, the log church was replaced by a neat brick church. This church was completely demolished by a cyclone April 18, 1877. Rev. Love kept the church records at his residence which burned in the 1860's. The church records from 1814 to 1864 were destroyed in this fire. (Add other ch rec from newspaper).

In 1860, the church set apart land for burial purposes and was a central cemetery for the congregation.

Note that in 1813, Alex. Stevenson appt Hugh Stevenson to transfer plat and certif. to Aner Shaw, 200 acres of George Kinkead's Christian Co. KY land and another 200 acres of Geo. Kinkead's Livington Co. KY land. Thus, Geo. Kinkead seems intimately connected to Shaw or Black or both. Some of George Kinkead land later became Caldwell Co.

Centerville, near Fredonia, was the first Co. seat for Livingston Co. It is just a highway marker now. The Army had large supplies of munitions there for the troops who

accompanied the Indians on the "Trail of Tears" in __ yr. The Co. seat was moved to Salem, near Marion, before being moved to Smithland. Were the Centerville records moved to Smithland?

The maiden name of Sam III´s mother Mary, and that of Keturah´s mother Anner is not known. Since Sam III named ch. with the middle name of Logan and Wilson, they are clues to these maiden names. (James Wilson of Caldwell Co. was b. Scotland, not related).

Notes:
One Samuel Black in SC and Mo records:

1. A Sam Black was a witness to Administration of the estate of Mary Tate Davis in Newberry Co. SC in 1795. James Black was a witness to her 1791 will. Our Sam had a bro. James. Mary Davis was grandmother of Maria Eliz. Trotter who married David Lowery Black, s/o Sam and Keturah. To date, I have not found what connection our Black family might have had to the Davis family in the 1790's in SC. The Davis family were in Va before SC.

2. 1796, Dec. A Sam Black was in the New Madrid area of Missouri having no property. This was when it was a Territory of France and called Upper Louisiana.
Ramsay there early, too.

3. A Sam Black claimed land on the Mississippi River, New Madrid District. This land was granted in 1811 to Sam Black or his legal Representatives. This was the area where the Waters and Trotter families resided.

Thos. W. Waters, father of Polly (Waters) (Shaw) Trotter resided 1802, where Commerce, Scott Co. Missouri now stands, near New Madrid.
New Madrid is less than 100 miles from Crider area of Ky where Sam settled. Wm Shaw, prob. s/o James Sr., and Wm's wife Polly Waters, mother of Maria Trotter, appear in a deed with the heirs of Thos. W. Waters in 1826/7 in Scott Co. Mo. Mary Davis, of the 1795 estate listed above, was the mother of Polly Waters. Sam Black and William Shaw became brothers in law in 1804, and also were ~~probably~~ Perhaps cousins through Sam's grandmother Catherine Shaw.

JAMES SHAW AND WIFE ANNER

It seems important to future researchers to document the parents of Keturah Shaw, wife of Sam Black, although they are not part of the main body of this work. An interesting narrative of the life of James Shaw can be found in Emily Croom's Ky Brelsford and Kin.

Keturah's father, James Shaw, d. May 15, 1803, 52 yrs. Her her mother Anner Shaw, d. June 11, 1825, 74 yrs. Both bur. Wilds cem. in what is now Caldwell Co. Ky, was Livingston Co. when James died. Also in Wilds, her bro. John Shaw d. 1835, 40 yr. (Dorothy Dean Cook supposedly copied a handwritten bk at Smithland, Ky narrating the Shaw family which says James was b. 1738, (not correct). Says James m ca 1773, prob. ok).

James was s/o Wm Shaw who was alive in Davidson Co. Tn in 1790. Estimate his birth ca 1700-1730, possibly in VA or NC. Perhaps resided on New River in what is now Wythe Co. Va if Wm Shaw Rev. War Pension S1338 was his son. Joseph Shaw of Davidson Co. Tn was probably another brother of James. Another possible brother of James may have died early in TN and left widow Olive.

Anner Shaw, wd of James, named daus. Mary Ann Dodds, Dorcas Shaw and son John Shaw in her will of 1816. Her dau. Keturah and son in law Sam Black were witnesses, although Keturah was not a beneficiary. Perhaps she had received her share at a prior time.

ADD Hugh Kercobe also witn

An 1822 deed with Anner and her ch. selling a lot in Davidson Co. Tn names all her then living ch. and her 2 sons who d without issue. In that deed, dau. Mary Stephenson was named and her Dodds dau. was called Anner. Apparently she was called by her middle name.

James Shaw was the Issuing Commissary for the Illinois Reg't. in Rev. War. He petitioned for reimbursement for sundry supplies furnished by Shaw to the (Kaskaskia) Ill. Reg't. during Rev. War. See House of Delegates, 1793, p. 2. Ref; Va. Soldiers of 1776, by Louis A. Burgess, p. 1259. His petition found in Caldwell Co. Courthouse, also.

James was a first settler at Ft. Nashboro, now Nashville, Tn. He operated the first ferry there. He received a land grant for staying to protect the fort from Indians when most of the settlers abandoned the area. Moved to Caldwell, Ky abt. 1793.

James Shaw was at Nashboro with de Montbruen who had been at Kaskaskia when he was there. Timothy de Montbruen, a fur trader, had a military warrant for 3 parcels of land in Caldwell Co. Ky in 1797, 422 acres on Skinframe Creek and 450 acres on Donaldson's Fork of Tradewater River and 1777 acres on Little River and Old Eddy Trace. Did James Shaw move to Caldwell Co. because of de Montbruen's influence? Flinn, an early settler of Caldwell Co. was also from Davidson Co. Tn. (Hist. Caldwell Co).

Maiden name of Anner unknown to me. Possibilities are Kincade/Kinkaid, Greer, Wilson, Stevenson/Stephenson, Stewart/Stuart, McDowell, Dodds or Ewing.

Anner owned land from original patent of Geo. Kinkead that was originally in Livingston Co, the part that later became Caldwell Co. Ky. When she sold that land in 181_, she named Hugh Stevenson POA. Hugh Stevenson sold land to heirs of Matthew Stevenson in 181_. Matt Stevenson was her son in law.

Abner Greer witnessed an 1822 document in Caldwell Co. when Anner and her ch. were selling land in Davidson Co. Tn.

Jonathan Greer of Hopkinsville, Ky, b 1804 SC, had son Abner b 1834, who moved to Scott Co Mo.

The Ewing and Wilson names were carried down by ch. of the family. Finis Ewing was a prominent preacher and family may have named after him, so Ewing not such a contender for her maiden name.

The family had numerous connections to the Dodds family.

Stewart/Stuart connection to Shaw appears in _____.

Livingston Co. Ky, deeds, v1, by Brenda Joyce Jerome refers to our known Shaw family.

NOTES for clues to maiden name of Anner, wf of James Shaw.

DODDS
Earliest Dodds I found was James Francis, b. ca 1740-50, m by 1774 to Agnes McMeechen. He d. 1796/7 in SC or Tn. Two of his ch. went to Caldwell Co. The Dodds family intermarried several times with Shaw and Brelsford in Caldwell Co. Ky. Two other sons m. Perkins. There are Perkins in Wilds cem. See page on Celestine Brelsford and Francis Marion Dodds.

Anner's dau. Mary Anner Shaw Dodds named a child Francis Wilson and another Finis Ewing Dodds in 1822. Sam Black and Keturah Shaw named a ch. with middle name Wilson in 1819. (James Wilson in Caldwell Co. was b. Scotland, a different family, not related). A Wm Wilson was in Augusta Co. Va. in 1769, see Chaulkley, p. 107.

Was Perkins family rel. to Shaw? James Shaw land adjoined Perkins in Livingston Co. and Perkins bur. Wilds cem. Perkins fam. was in Mo or SC reck.

Genealogies of Ky Families, 0-Y, p. 326-327 mentions Stewart/Shaw connections. John Stuart m. Mary Shaw. His

He may have been the man who owned land on New River opposite mouth of Wolf Crk with Andrew Reid, 1775, (of Rockbridge Co., son in law of Sam McDowell of Jessamine Co. Ky). Ralph Stuart later lived nearby. James Stewart and Andrew Reid were assignees of John Hill. This James would be of age to be bro. of Anner, wf of James Shaw. The author surmised without proof that James d. in Knox Co. Tn in 1815. His ch were: Jane Moore, Mgt Moore, Robt, John, James, Andrew and Joseph. His son Andrew Stewart's will of 1817, Lincoln Co. Note that in Early Adventurers on Western Waters by Kegley, Dorcas, 21 yrs, d/o Wm Shaw, m John Heldreth Feb 9, 1775. James Shaw was surety.

EWING
Andrew Ewing b. 1740 was in Davidson Co. Tn with James Shaw, 1787. Andrew was a close friend of James Robertson and was a Legislator. He was s/o Wm Ewing and Sarah Shannon. Alexander Ewing was also in Tn with Shaw. If Anner was from this family, would need to find other ch. of Wm. Clan Ewing of Scotland by Elbert Wm R. CELESTINE LOGAN BLACK AND HIRAM HAWKINS BRELSFORD

4. Celestine Logan was d/o Sam Black III (Sam II, SamI) and Keturah Shaw. Born 29 Dec 1804 nr Fredonia, Caldwell, Ky, d. (9 Aug 1855, Caldwell Tn rec) July 9, 1855 cem. listing and bible and Nathan Brelsford family hist., age 53, Apoplexy, bur. nr Crider Ky, Brelsford Cem. with her daughters Emeline Brelsford and Mary Jane Brelsford Robinson.

There are only 5 readable stones in this cem. Unplaced in family, are two fieldstone graves: C. N., b. 1826, d. 1914; L.C.N., b. 1827, d. 1904. There are many other graves in this abandoned cem. which I viewed in Sept 1991. It is interesting to wonder if other stones are face down in the soil and potentially readable. The cem. is about a half mile or so off the road near Crider on private property, is overgrown and in a woods. Celestine's gravestone is a large imposing spire.

It would appear that the original road was accessible and leading to the Brelsford home but the road was relocated. Mr. Traylor, a local resident states that there is the foundation of a building about a half mile from the cem. on top of the hill. This may have been the Hiram Hawkins Brelsford home.

Celestine L. Black married Hiram Hawkins Brelsford Dec. 9, 1824, Caldwell Ky, at Methodist Ch., by Rev. Edmund Wilcox. (P.P. calls him Abram). Hiram was s/o Nathan Brelsford and Elizabeth Ann Garner, d/o Henry. Hiram was born in Ohio, 10 Feb 1802, (perhaps Ross Co. or Ross tnsp, Butler Co. Ohio) He grew up in Christian Co. Ky, Cumberland Valley, western Ky, from age 2. He d. 27 Dec 1858, (bible owned by Baxter). Bethlehem Presb. at + her family lore says he d. Fort Scott KS Bourbon Co.

Bible record ~~were~~ Chillicothe 10 Jany 1802

many of Hiram's ch were living @ Ft Scott KS in 1860.

Stonewall Jackson Baxter's family record states that Hiram died near Ft. Scott, Ks. (Emily Croom's KY Brelsford and Kin states Hiram d. 27 Dec. 1857, Caldwell Co. KY, place of burial unknown.)

SR acc. to son Nathan W Brels.

It has been said that his son Nathan Washington Brelsford believed that Hiram was born in Ross Co. Ohio. In 1800, Ross Co. was larger than at present. It encompassed all of Fayette, Madison, Franklin, Delaware; most of Union, Fairfield, Highland; half of Morrow, Knox, Licking, Hocking, Vinton, Jackson, Pike; some of Marion, Clinton, Green, Clark, Champaign and Logan.

need TaxList

The only counties in Indiana Territory 1800-1802 were Clark + Knox because Hiram maybe b. Indiana

There was a Henry Garner listed in Ross Tnsp, Butler Co. Ohio in 1820. It is believed that Eliz. Garner's father died abt 1808/10. There were also Brelsfords in Butler Co.

Elaine Baxter quotes from a letter from a Brelsford desc. who was a sister of Stonewall Jackson Baxter, Sr. The sister was quite friendly with Nathan Washington Brelsford. She wrote: when Celestine Black Brelsford died in 1855. Widowed Hiram Sr. moved to Kansas with his then unmarried children. He died soon after in Ks in 1858. Kansas was Indian Territory at this time. There were burials at Ft. Scott, and there is a National Park there. Research has not been done to find his grave.

The Bethlehem Cumberland Presbyterian Church in Crider, Ky has the following record:

Nathan Brelsfrod joined church 1845, left by letter 1857.
James Brelsford joined church 1856 by experience, left by letter 1857.
Evaline Brelsford joined church 1856 by experience, left by letter 1857. Rejoined ch. by letter 1864, d. 1865. She m. William P. Black, 1864, (s/o James Shaw Black).
Hiram Brelsford joined ch. 1 Aug. 1853 by experience, left by letter 1858. It does not say if Hiram Sr or Jr. I am inclined to believe this was Hiram Jr.

In March 1857, Hiram Sr. sold his farm to Finis Ewing Dodds, his wf's cousin from the Shaw side of her lineage. This fits with a move out of town that year.

Since all of the above were children of Hiram Sr., we might reconstruct that the family moved to Ks in 1857 and left aftr there before 1860 census. James moved to S. Dakota. Ref. letter from him telling of his marr. in S. Dakota. Evaline, Hiram Jr. and Nathan returned to Caldwell Co. Ky.

Hiram and Celestine res. Crittenden Co. for a time before marriage, moved to Caldwell Co. by 1824. He was on Caldwell Co. tax roll, 1826. In 1830, he res. next to Sam Black III, Celestine's father. In 1833, he res. Donaldson's Fork, Tradewater River, 200 acres.

Hiram was s/o Nathan Brelsford, (28 Feb. 1775-29 Jul 1839, d. Caldwell Co. KY), and Eliz. Ann Garner, (8 Jan 1782 VA-May 1863 Wright Co. MO) d/o Henry. Nathan settled in Christian Co. Ky and had 10 Ch. Henry Garner had property in Hampshire and Frederick Co. Va.

The McKinley-Phillips Cemetery is located on the present-day David Haire farm on Nunn Switch Road. I'm not sure how many miles out that road it is, but he was kind enough to allow me entry to his farm to visit the graves of my long-ago relatives. I can tell you that it is very hard to get too, I had to go through several large fields before coming to it. It is located out in the middle of a large field in a grove of trees, exactly in the center of the field. I am not sure David Haire would want people trying to get to it, because of rutting up his fields before or during crop time. He did tell me and my family that we could go there anytime we wanted too, but we were very careful to not get into his crops which were being planted at the time. I believe it was in 1994 when I went there and copied down these names.

m Jane Morrow Black

The John Phillips listed 3-20-1767 was my Gr.Gr.Gr.Gr.Gr. Grandfather. He was born on the voyage across the Atlantic Ocean while coming to America. His parents were John George Robert Phillips and wife, Jane Edgar Phillips. They remained in North Carolina, but John arrived in Crittenden County in the March 1806. He was the first Phillips in my line to arrive in Crittenden County.

–5m Maxwell Pope Phillips m Dorcas Patrick Black

The cemetery started out being called just Mckinley Cemetery, but since mostly Phillips are buried there, the name was revised to include both familes, it is now called McKinley-Phillips Cemetery. Here are the list of graves located there:

X J.W. Phillips 2-12-1818- (this is only date on stone, but this was John Walker Phillips my Gr. Gr. Grandfather, and I know by research that he died 1-7-1900.)
Catherine S. Phillips daughter of William C. and M. A. Phillips. no dates left on stone.
M.A. Phillips 3-17-1817-2-18-1866
Almeda Phillips 9-28-1857 daughter of Wm. C. and Mary Phillips (only date on stone, apparently still-born)
Mary B. Brantley wife of W.B.Brantley 7-19-1844
John R. McKinley Jan. 1881-Jan. 1931
Robert McKinley 8-7-1914-Jan. 1919
W.C.Phillips (this is William) 4-28-1822-7-30-1857 Margaret Phillips wife of D.A. Flannery, daughter of Thomas Stewart Phillips and Mary Phillips. no dates we could read.
X Thomas Stewart Phillips 10-6-1793 - 9-22-1854 son of John and Mary Stewart Phillips. Jane Phillips 10-26-1774-3-26-1854, wife of John Phillips.
John Phillips 3-20-1767-12-15-1851
X R.B.Phillips (Robert Black Phillips) 12-04-1809 - 12-23-1864 son of John and Jane Morrow Phillips
Jane Phillips, wife of Robert Black Phillips, 8-22-1814 - 8-17-1862
S.B. Phillips 1856 no other dates on stone.

This concludes the graves found in McKinley-Phillips Cemetery.

I thought it might help someone doing research on the Phillips family, especially considering the location of the cemetery, it would be very hard to get to it most of the year. It is a very peaceful looking place, although weed are grown up around some stones. It was serene there. It sits, as I told you before, in the center of the field, totally surrounded by an oval-shaped grove of trees. I hope someday soon to return there and make pictures. Â A little history on John Phillips. He arrived here with his 6 children in 1806 from North Carolina. His first wife Mary Stewart Phillips, had died there. It was to Crittenden County he brought his children and re-married to Jane Morrow Black early in 1809. John and Jane lived there on the farm that now holds the cemetery where they rest. His sons remained there on the

X

X

farm for many years after he passed away. John was dis-inherited by his father John George Robert Phillips because he married Mary Stewart, his first wife, against his father's wishes. When Mary died, he left Mecklenburgh,North Carolina, and moved here to start a new life for himself and his children. He spent most of his life cut-off from his father, simply because he married the woman he loved, Mary Stewart.

History states that John George Robert Phillips was a man of great wealth, and came from a wealthy family, but he chose to turn his back on his own son for not "abiding by his wishes." What a selfish man he must have been! I don't know but I've always believed John Phillips must have had a lonely life considering the circumstances. How tragic it was this happened. I want to thank you for allowing me this opportunity to share with others who might be searching for these Phillips, the location of their final resting place. I know I am always thrilled to locate the graves of my long-forgotten ancestors, and I'm sure this will help someone out there. Thanks again!

8. David "Low(e)ry" Back was born Oct. 3, 1816, Caldwell Co. Ky, (Caldwell Co. Rec. LDS reel), d. Feb. 23, 1899, 82 yrs, 4 mo, 20 days at Aransas Pass, San Patricio Co Tx, (Bethl. Presb. Ch. rec.; Mary Black Hansard, grdau. gives place, also). He was s/o Samuel Black III, (Sam2, Sam1), and Keturah Shaw.

David "Lowery" Black's burial place is not known to me. Goliad, Tx is a possibility. David L. resided with his son Charles Thomas Black in his last years. Charles T. was found on census in San Patricio Co. Tx in 1900 and belonged to the A.F. and A.M. Lodge of Goliad, Tx. Did his father also belong? David L. Black's son David A. Black was living in Fredonia, Caldwell Co. Ky in 1900. (~~Relative Frank Dodds' wf Celestine Brelsford Dodds died in TX in the same time frame and her body was shipped from Gonzales Co. He resided with his son Chas T. Black in his last yrs.

MARIAH

David Lowery Black married Nov. 24/27, 1845, Caldwell Co. Ky to Maria Elizabeth Trotter, by F. C. Usher, (Ref: Fowler, Caldwell Rec. Bk 2, p. 64, return 27th). Usher was a teacher at Cumberland Presb. College, Caldwell Co. Maria was born Mo (census), 31 Oct. 1829, (gs) perhaps in Scott or Miss. Co. She married at age 16, resided and died Caldwell, Ky, Dec. 8, 1861, age 32, consumption, another word for Tb, (Caldwell VR). She was buried in Wilds Cem. near Crider/Princeton, Ky. Maria was d/o Robert Trotter and Polly/Mary Waters as given in the Caldwell VR, FHC Reel 216819, handwritten record. When Maria was born in MO, there were only 29 families in Scott Co. MO became a State in 1821. She died 4 wks after giving birth to son David A. Black.

> Polly/Mary Waters was born 1790 Newberry Co. S.C. She married 2nd to Robert Trotter ca 1827/8 prob. in MO. Trotter was born 1783 Augusta Co. Va, died between mid 1840 and early 1846, probably in Scott or Mississippi Co MO. Polly died 1 Nov. 1858, 4 days after making her will in Caldwell Co. Ky. She mentions her daughter Maria Black; David L. Black was her executor. She had a previous marriage to William Shaw, who died about 1826/7 in LA. Shaw was s/o James and Anner Shaw, and was a cousin of her daughter Maria's husband David L. Black.
>
> Robert Trotter's land claim in Spanish Missouri was granted in 1811 on Bayou St. Thomas water course, New Madrid Dist. Commissioner's certif. #622. Robert was in Scott Co. Mo in 1830 and 1840 census. He had 17 young people in household. There were only 29 families there in 1830, consisting of 241 people. Robert was the son of David Trotter, who was murdered and scalped 28 January 1802 by Indians in Grande Prairie, New Madrid District, Upper Louisiana, which did not become part of the U.S. until 1803, the time of the Louisiana Purchase.

David L. Black joined the Bethlehem Cumberland Presb. Church near Crider, Ky about 1830, (ch. rec), his father Samuel having joined in 1814. He was born about the time the log church was built in 1816 and was still being used when he joined in 1830. In 1846, the log church was torn down and a brick church was built. David L. resided in Fredonia KY in 1870, but belonged to the old Bethlehem Presb. church near Princeton/Crider in Apr. 1877, when it was demolished by a strong windstorm. Rebuilding of the church began Aug. 1877. David L. moved to Tx about 1878, when he transferred out of the church.

1858, Oct. 28, Caldwell Co. Ky will of Mary/Polly Trotter: Maria Trotter Black to have the negro woman Ellen, and Ellen's child Thomas Alpheus; also a negro girl named Belle.

Maria must have been ill for at least a year (1860-61) since progression of Tb to the terminal stage would take some time. The Shaw and Trotter children of Mary/Polly Trotter had a lawsuit over these and her other slaves. The outcome was that abt 1861, the apportionment was changed, (add fianl outcome). Note how close this was to the time of the freeing of slaves during the Civil War.

1859, David L. Black was Guardian for Charles L. Trotter, his brother in law. Strange because Chas. was b. 1831. Perhaps, this was for a land transaction, only, relating to the estate of Polly Trotter. This was listed in 1859 businees, (was it orig. 1851/7, must (reck). Oct. 28, 1858, Chas. Trotter was not living in KY, (mother's will). Look for him in MO or LA. Why wasn't this POA instead of Guardian?

Emily Croom supposes in her book Kentucky Brelsford and Kin that these were probably the children of his brother John Thomas Black which is incorrect. John Thomas Black was alive and well in 1863, + had differ Ch died in 1887. David L. Black's mother-in-law, Mary Polly Trotter, died in 1858 and his wf Maria Trotter died in 1861. I would guess this was land that once belonged to Mary Waters Shaw Trotter, David L. Black's mother-in-law.

David L. Black was said to have remarried to ____ Mann, by whom he was said to have had 2 children. This wf was related to his son Charles T. Black's wife Jewell Mann, whom he married sometime after 1880, (Letter to Georgia Black Baker from her 1st cousin Mary Black Hansard, abt 1970). I have not been able to figure when David's

2nd marr. took place. A wife does not appear with him: on 1870 census in KY; when he removed from the church in KY in 1878; on 1880 census in Tarrant Co. Tx, although he was listed as married. Wf Maria Trotter died in 1861.

Add info. from Bethlehem Church article. News art. Oct. 17, 1968, etc.

1878, 12 Nov. David L. Black and all his then living children (except son David A.), as well as dau.-in-law Sue Belle Rustin Black, was listed as leaving Bethlehem Cumberland Presb. Church near Crider/Princeton, Caldwell Co. Ky by letter. No wf was listed as leaving with them. Since he resided with his son Charles Thomas in his elderly years, he probably did not have a wf at that time. The likely time for David to have a second wf was after 1880, especially since son Charles likely married in Tx. In 1880, he was 64 yrs old. Did he really have children of the second marriage that late and after that date? Is information correct from Mary Black Hansard letter?

1878, was thus the time when David L. Black moved to Texas. His son son David A. Black was not mentioned as leaving this church. Perhaps, they joined a Tx Presb. church.

David L. Black and his family were said to have travelled to Tx in 3 or 4 big horse drawn wagons. They stopped at camps along the way, crossing the Mississippi River on a barge. They were first at a small town near Ft. Worth, Tarrant Co., where son Charles operated the Post Office. David L. Black purchased a farm with proceeds of the sale of his farm in Ky. (Ref: Letter to Georgia Black Baker from relative).

That Thomas, s/o John Thomas, was in Crittenden Co. Ky about 1882 on family farm. Note that David L.'s sister, Celestine Logan Black Brelsford, had dau. Mary Ann who m. Joseph L. Robinson, so was this Robinson related?

There was a preacher in Caldwell, Ky named David Low(e)ry, first preached there, 1828. Was a teacher at the Cumberland college there. Need to ck out his age. David Lowery Black, b. 1816. Could he have been named after him? Was he related? Think there was a David Lowery in Dvidson Co. Tn with James Shaw, reck. (Poss. clue to maiden name of Sam II Black's wf). Negative to poss. rel. was that there was a preacher named George David McLean in Caldwell Co. in 1851, d. 1854. A Shaw relative Finis Ewing Dodds named a child David McLean Dodds, 1854. Perhaps it was a custom to name children after favored preachers.

Notes Trotter family:

1802, David Trotter Father of Robert, had certificate for permission to settle in New Madrid, Scott Co. Mo. This was before the Louisiana Purchase of 1803. A deposition held to prove he homesteaded was made in 1806, when Jacob Myers testified stating that David, his wf and 8 ch. settled and built a cabin in 1800 at New Madrid. It wasn't until 1811, that David's claim was finally granted on Lake St. Mary watercourse, New Madrid, Mo.

Incorrect family lore claims that Maria was dau. of Judge Sam Trotter of Louisville, Ky who was Brig. Gen´l in Ky Reg´t during War 1812. Family lore often has some truth to it which is explained as follows. She was actually greatniece to Samuel Trotter of Lexington KY, a prominent family there who were originally from Aug. Co. VA. Also relatd to Brig. Gen´l George Trotter, War 1812.

No known relationship:
In Caldwell Co. Ky, we find Polly Trotter, 1820. (cannot be Polly Waters)

Bethlehem Church records state that John T. Black joined Bethlehem Presb. Ch. Crider, Ky in 1830, the same year that David Lowery Black joined. Since John Thomas Black is reported to have been born in 1822, he joined the church when 8 yrs old acc. to this record. Other known relatives were about 13 or 14 when they joined the church. The early church records which included 1814-1864 were burned. The handwriting of the person who wrote 1830 next to his name was different than the first entry and was probably written in at a later time.

John left the church by letter in 1858 when he moved to Crittenden Co. Ky. The church record of his death written in a different handwriting states that he died 87 or 88. It does not state whether this means year or age. Other entries in that column are all listed as year. Betty Gordon's records have death date of 1887 from tombstone.

John and Mgt. Black resided Bethlehem Church, Donaldson, Caldwell Co. until about 1858. They were charter members of Belles Mines Cumberland Presb. Church.

Janis, I was giving you only direct ancestors. When I listed H.H. Brel I meant Sr. not Jr. Emma Eliza Owen was a missionary in Brazil, no relation to us, except that she married in. Her husb. H.H. Jr. was a brother to our mutual Sam Black Brelsford, not a direct ancestor. I have Emma Owen as Having died in Detroit Mich in 1922.

So, here are yours and my direct ancestors from sisters Nanny Belle & Jennie Brelsford who died in 1910 in San Antonio. They are Gen. 6 in this version. Jennie marr. Twice. Her marr. To David Black gives me a double line to the Black Family.

Parents Sam Black Brelsford and wf Deneciah "JANE" Turley. Gen. 5.

Grandpar. Hiram Hawkins Brelsford Sr. and wife Celestine Logan Black; John W. Turley and wf Margaret Crayne aka Green. Gen. 4.

Gr. Grpar. Nathan Brelsford & wf Eliz. Ann Garner; Sam Black III & wf Keturah Shaw; James Turley; Conrad Grien aka Green aka Crain. Gen. 3.

Gr. Gr. Grpar. Henry Garner; Sam Black Jr; James Shaw; John Turley Sr. Gen. 2.

3rd gr. Grpar. Rev. Sam Black Sr and William Shaw Sr. the earliest in this version, Generation 1..

Now switch to descendants of Jennie and Nanny Brelsford, where yours and mine diverge.
Georgia Black, my mother, and Arthur H. Holmes, your grpa, who were first cousins to each other.
Jackie Baker, me, and ur Mom Anna Holmes, who were 2nd cousins. This makes me ur 2nd cz, once removed, and my children Sandra and Steve Humphrey, ur 3rd cousins, Janis.

I could see the photo of Emma Eliza Owen that you sent me, but could not print it.

I am also having trouble with my printer; maybe it is out of ink. My vision is not good and my computer has a light blue screen, no contrast, so I am rather handicapped. My dau in law is the one who got me into the Ancestry DNA, but she is very busy.
I don't know when she will be able to help me.

I think it might be best if u give me ur phone no., so we can talk, then u won't think I am a complete idiot. Do u live in TX?

I printed out 15 pages of the family of Hiram Brel Sr. and wf Celestine Black, before the printer stopped working.

My number is 321 327 2215, landline.

I am too old to research now. I am interested in what you have researched. I was born in N.Y. and never met any of my mother's relatives, except Uncl Charlie, my mother's brother, who lived with us and had no children. My mother knew some of the Brelsfords, but hardly anything abt the Black family. She moved back to TX.

Have u read Emily Croom's bk on the Brelsford and allied family? She didn't connect our 2nd Black, Sam Jr. to the third Sam.

She also didn't know the reasons behind the Crayne, Grien, Green, Crain variations. Our distant cousin Hazel Pflueger went to Germany and obtained much abt Conrad Grien and is oninternet.

Natalie Black wrote a bk on the Black family, including our Rev. Sam, but not much in her book follows our line.

What is it that u want to know most abt our mutual lines?

Jackie.

HUSBAND - Hiram Hawkins Brelsford Sr.

Hiram H. Brelsford and Celestine Black's bible lists his birth Feb. 10th 1802, died Dec. 27, 1858.
Celestine Black was born December 29th 1804. Celestine Black, the wife of H.H. Brelsford died the 9th of July 1855.
H.H. Brelsford married Celestine Black December 9th 1824, and thus the family was established.

Note difference in birthdate of Hiram in the two bibles, Jan. vs Feb.
Bible lists the names and birth dates of his ch. etc.
add more.

Another Brelsford bible prob. belonging to his son Nathan Washington Brelsford listed Hiram Hawkins Brelsford born near Chillicothe Ohio Jan. 10th 1802. Celestine Logan Black was born in Caldwell Co. KY Dec. 29th 1804. H.H. Brelsford and C.L. Black were married Dec. 9, 1824. Hiram H. Brelsford died Dec. 27, 1858. Celestine L. Brelsford died July 9th 1855.

sometimes listed as Hyram.
Hiram may have been born in Ross Co. OH, family lore. (Try Butler Co. Ross Township OH). Hiram lived in Christian Co. KY as a child.
Wm
Son William says his father Hiram was b. Indiana on 1880 census. Hiram may have lived close to the border of OH and Indiana.

Marriage Bond was for 50 pounds in Caldwell Co KY, 6 Dec 1824, Hiram H. Brelsford and Samuel Black.
Bonds were made to be certain there was no lawful cause to obstruct said marriage. Bonds became void when there was no reason to block it.
Samuel Black, father of Celestine, gave permission for marriage. Celestine was 19 yrs at marriage, almost 20, why did her father need to give consent? Could she have been born later?

HUSBAND - Hiram Hawkins Brelsford Sr. (Continued)

They moved back to Kentucky by 1870, except for John Taylor Brelsford, who died at Ft. Scott and James Madison, Brelsford , who traveled all over the Black Hills and married there.

Hiram's daughter Mary Jane Brelsford and husband, Joseph L. Robinson, were also at Fort. Scott in 1860 census in theor own household. The Robinson's also moved back to Kentucky before 1870 census..

Hiram Jr. not in Kansas in 1860 census. He resided with sister Elizabeth and her husb. John Lindsay Adamson in Princeton, Caldwell Co. KY.

Note that in 1880 census Hiram's son, Samuel B. Brelsford and James and John, list their father as born KY, but Hiram's son Nathan lists father as b. OH; Hiram's son William B. Brelsford lists his father as b. Indiana; some of Hiram's children. were dead in 1880. Celestine doesn't list where her parents were born. I can't find son Marjoram in 1880 under any spelling. Marjoram was supposed to have died in Waco, McLennan TX in 1881.

sunken graves in Brelsford cem. Caldwell Co. KY, need to be dug out to ck for any missing gravestones.

Dorothy Brelsford Key gives Chilicothe OH as place of birth for Hiram, no proof.

Who was Isaac Brelsford on 1870 Princeton, Caldwell KY census index p. 474? Must reck to see if sp is correct and who were neighbors.

who was james brelsford b. ca 1853 ky, living caldwell co ky, 1860, with w. h. kevil 43 b. ky ca 1817, and mary b. ca 1827 ky . also a domestic, philander chambers, male, b. ky ca 1831 ky.

One Hiram Hawkins was a Bath Co. KY Legislator 1855-57. Interesting name.

WIFE - Celestine Logan Black

Church Recs. in Caldwell Co. list Celestine A. Brelsford, died 1855.

Her gravestone is a tall spire in Caldwell Co. KY, near Crider, says died age 53,
Brelsford Cem. is one mile off the road on private property. An old abandoned road is near the cemetery.
What is said to have been the old Brelsford house ruins, in a field, probably was origianlly accessed by this abandoned road.

Brelsford Cem. typed list: In Memory of Celestine Black b. Dec. 29, 1804, married to H.H. Brelsford, died July 9, 1855.

Celestine was married 29 Dec 1824, on her birthday, died of heart failure acc. to one of the Nathan Washington Brelsford renditions in the Owen Family Collection. However, the marr. bond was Dec. 6 1824, and I have seen the marr. listed as 9 Dec. 1824, must find my reference and cite it here.

Caldwell Co. KY deaths, FHC film 216819, lists Celestina Black Brelsford born Caldwell Co., died of apoplectic stroke, died. age 53, Aug 9 , 1855, resided Fredonia, d/o Samuel and Keturah Black..
(not s how)
Celess was said to have been born in Dec. 1804.
She died in Aug. 1855, 53 yrs , which means she had not yet had her birthday in 1855, which calc. to her birth in 1801, which is incorrect. Her parents were said to have marr. March 12 1804.
Either the parents marr. is wrong or her age at death is wrong.

CHILD 1 - Mary Jane Brelsford

Mary Jane Brelsford was prob. b. Caldwell Co. KY.

This Patent was made shortly before his mother died. It may be that Nathan was the first of the Brelsfords to move to KS.
The 1861 sale of this land probably indicates that the Brelsfords left KS about this time.

was the only woman that he ever wanted to marry. He was announcing the birth of his son Charles. It was the first letter that he had sent to his relativs in 20 yrs.
James wrote that he had travelled in the far west , including Mexico, before settling in Lead City, S. Dakota , in the Black Hills. I have a copy of that letter, the original of which is held by Barry Tally, a Brelsford relative.

Wife Emma Hodnett was not related to Brels.. She was 30 yrs old at her 1878 marriage, James was abt 44 yrs at marriage to Hodnett.

James M. Brelsford married Emma Hodnett at Springer House on Xmas in the eve. 1878. They had a baby boy b. the Sun. before 3/16/1880 and a baby girl b. May 25 1881 at Terraville. (Elsie says that the Springer House seems to be connected to Deadwood and Lead S. Dakota.

The Battle of Little Bighorn; Custer's last stand, was in 1874, to put a time frame of what occurred in the area.

James M. Brelsford married his cousin Frela (-?-) , according to the 1905 Brelsford Family History, written by Nathan W. Brelsford, but I have not found any proof of that marriage.

I have not found the womam Frela in any of the Brelsford or Black family lines. It was an unusual name in any early census. By 1870 census, I did see the name Frela in a Ball family, but not of an appropriate age to marry Brelsford, and I don't know if Frela Ball had any kinship with Zouella Brelsford's Ball husband.

If James Brelsford had a previous wife Frela, who was also his cousin, it would likely have been in KY ca 1850-1857, or after 1860.

CHILD 8 - Hiram Hawkins Brelsford Jr.

Note: I have a copy of the Owen family History which shows Hiram Brelsford Jr's marriage to Owen and follows their ch. , but has only a few early dates.
Written 1910 by Emma Eliza (Owen) Brelsford, who was a missionary in Brazil in 1890.

Included in the Owen and Brelsford Family Records, collected by Pearl Thomas Farthing, is another rendition of the Brelsford family, written by Nathan Washington Brelsford , date unknown.
The writer Nathan W. Brelsford was not certain of his grpa Nathan Brelsford's 2 brothers, but he thought they were Wm and David. Nathan W. Brelsford also wrote that he had not seen nor heard of any of Nathan and Elizabeth Ann's ch., nor any of their families, for abt 45 to 50 yrs. (This must refer to the families that moved away from KY and didn't go to TX).

Nathan, the writer, said the first Brelsford HEARD OF by the writer , came from Wales ca 1765/70, and settled in VA. This first heard of Mr. Brelsford had 3 sons Nathan, Wm and David.
(Note that he doesn't say that the first Brelsford heard of was his ancestor. However, he follows with that first Brelsofrd's son Nathan, ASSUMING he was our proven Nathan, who married Elizabeth Garner.
The first Brelsford's heard of may have been the Brelsfords who settled in Hampshire Co. VA, of whom I , J.B. Humphrey, cannot find any relationship to our line.

This Nathan W. Bre;lsford rendition collected by Farthing, says that Phoebe Brelsford married Jinkins; Sarah Brelsford marr. Selby, the correct name. Note that Jinkins was actually Jenkins.

The narratrive follows our proven Nathan Brelsford and wife Eliz. Garner, and their 10 ch. Compiled Dec. 5. 1904 at Gonzales TX by N.W. B.

Index to "Early McLennan Co TX deaths, by John Usry, publ 1987, says Hiram H. Brelsford Jr. died July 18 1877, age 41.

HUSBAND - Samuel Black Brelsford

Bible of Hiram Hawkins Brelsford and his wife Celestine Black list son Samuel B. Brelsford born November 22, 1829. Death not listed unless it was on a page no longer readable.

Another rendition of a Brelsford bible, probably belonging to Nathan Washington Brelsford, listed Samuel B. Brelsford's sam birth date, Nov. 22, 1829, and on a separate page, that he died Sept. 20, 1899.

Brelsford Family History written 1905 by Nathan Washington Brelsford, lists Samuel Black Brelsford, b. Nov. 22, 1829, died Sept. 20, 1899, s/o Hiram Hawkins Brelsford and Celestine Logan Black. Samuel married Denesiah "Jane" Turley. Came from Kentucky. Settled at Leesville, Gonzales Co. Texas. Had nine children, John Hawkins Brelsford, James Calvin Brelsford, Charles Alexander, Mary Susan, Richard Warner Brelsford, Margaret Celestine, Jennie May, Nannie Bell, Eva Black Brelsford.

Caldwell Co. KY V.R. FHC film 216819 lists Samuel Brelsofrd age 22, born Caldwell Co., married Feb. 19, 1852 to Denecia J. Turley 20, born Crittenden Co.

Samuel Brelsford, born Caldwell Co. KY, married first 19 Feb. 1852, Caldwell Co. KY, at 22 years , to Deneciah Jane Turley, who was 20 yrs, born Crittenden Co. KY. The Clerk wrote this in official Caldwell Record on 24 Aug 1853.

familysearch.org lists marriage of S. Brelsford to D.J. Turley, Feb. 16, 1852, Bk 2:128. File No. C0080815.

Samuel Brelsford married second on 4 August 1888, to wd Martha (Elder) Burnett They were married by Rev. Riley, perhaps in Wrightsboro TX. Another d.o.m. 5 Aug.
The Gonzales Inquirer, published 16 Aug. 1888, announced Samuel's second marriage to Mrs. Mattie T. Barnett.

IGI lists marr. of Samuel Brelsford to Mrs. M.T. Barnett , 31 July 1888, Gonzales Co TX

Obit says Samuel Brelsford was Sup't of Sabbath Sunday School, at Leesville, TX for many yrs. Samuel was a Ruling Elder of the Wrightsboro Church until his death from a stroke. Burial service Leesville Cemetery by Rev. J.B. Kerr.
A letter from Bernice Brelsford to Georgia (Black) Baker, grand daughter of Samuel Brelsford, listed that Samuel B. Brelsford contracted for, and built the Presbyterian Church at Wrightsboro, TX, and started the Leesville Cemetery.

The Leesville Texas Cemetery booklet lists Samuel Brelsford's birth and death dates incorrectly as Nov 27 1823-Sept 27 1897, age 73. (See newspaper obituary for his correct 1899 death, at 69 yrs, which lists a wrong birth date). Obit lists names of his parents and place of birth; lists that all his children reside in Gonzales Co TX, except his dau. Jennie, Mrs. David Black , living in Caldwell Co. KY). Samuel was bur. next to his first wife Deniciah Jane, nee Turley, in Brelsford Cem. (Cem. rec). The Owen family History, in the Brelsford part of it, lists Samuel 's death in Wrightsbor, TX

Samuel Brelsford joined Bethlehem Cumberland Presbyterian church, near Crider, Caldwell Co. KY, abt 1845. (Church recs. were reconstructed after a fire at the church. Sam was a Deacon there 1866-1870, Clerk of Session in March 21, 1870. Left by letter 24 Dec. 1870, about the time he was moving to TX.

Dau. Eva Brelsford was said to be born at Luling, Caldwell Co. TX, Dec. 1872, but father res. Gonzales Co. TX 1871. Call have when he sold KY land). What words missing here?
Samuel Black Brelsford owned land at Canoe Creek TX.

This is very close to Harwood TX, where dau. Jennie (Brelsford) Dodds married her 2nd husb. David A. Black in 1898. Jennie and David were Jackie Baker's grandparents.

1880, May 1, Gonzales Inquirer editor described Sam B. Brelsford as one of shrewdest and most intelligent farmers in the Co. "Stirring, progressive farmer, pleasant, intelligent and energetic."

Sam's enthusiam for his part of the county was published in response to a local controversy and published in Emily Croom's bk on Brelsford family.

Letter Samuel Black Brelsford wrote to the editor of the Gonzales Inquirer publ. May 29, 1880:
We have no desire whatever to become a sounding brass or a tinkling cymbal, neither are we engaged in land speculating, but facts are said to be stubborn things and figures do not lie [when based on facts]. We just wish to say to Major Ruseell, that, before writing up the farming interest of Gonzales County he make a tour through he western portion, making Sandies, with it's tributaries, a specialty, visit

the different cotton gins, take the number of bales put up for the last 3, 5 or 7 years, and compare with gins oerating on the rivers. As you are well aware, Mr. Editor, most of the writing up of Gonzales County, heretofore, has given the boom to the river lands. This, however, might have been excusable to some extent years ago, but things have been changed; resources are being developed (in this Sandies country) today, and facts and figures realized that would have been regarded twenty years ago as a chimera of the brain.

A sensible public have long since learned that when big "I" and little "u" put in an appearance, big "I" is too frequently found on the weaker or wrong side and must needs be constantly pulling up props. We see this verified constantly in individuals. in communities in the politics of the day, and alas, thst it is true even in religion. Believing however that the major will give the thing "top - side out with care," we wish him success, and say to him if he will call round we will give him a real old Krnucky welcome.

11 yrs later Sam Black Brelsford died Sept. 20, 1899 having been ill with paralysis. He was bur. with first wf in Leesville Cem. He was a member of Cumberland Presb. Church Church and a Sunday School worker.

Coal was found on his land. He organized the Leesville Cemetery and contracted for the building of the Wrightsboro Presbyterian Church.

A TRIBUTE OF LOVE

BRELSFORD - Samuel B. Brelsford was born Nov. 22, 1820 (wrong yr, should be 1829), and died September 20, 1899, in the full assurance of the blessed Redeemer. He was a son of Mr. and Mrs. Hiram H. Brelsford and was born and raised in Caldwell county Ky. He left a kind companion, five children, three brothers and many relatives and friends to mourn his loss. His children are all living in Gonzales county (TX) except Mrs. David Black who lives in Caldwell. Ky. He professed religion in early life and has lived within the pale of the church ever since. He loved his church loved his pastor, but loved his Savior more tnan all. He was superintendent of the Sabbath School at Leesville quite a number of years and lectured the children very often during their Sunday School celebtrations. He was a ruling elder of the Wrightsboro church until his death. He and his family came to Texas in 1870. His dear companion died March 3, 1886, at her home near leesville. He was married to Mrs. M.T. Barnett, nee Elder, August 5, 1888 by Rev. P.M. Riley,

who so sadly realizes tje great loss she has sustained. He told her, oh so often, that all that troubled him about dying was leaving her. She told him not to trouble himself about hat, that the Lord would provide for her. About the 20th of May he was stricken with paralysis. Suffered very much vertigo at first. All was done for him that a kind doctor, a loving companion, dear children and many kind friends could do. His companin now tenders her heartfelt thanks to all those for their many kindnesses to him. He said a few days before he died that when he got to Heaven he would tell his first wife that the children were coming. What a cinsolation. During all of his affliction he mever suffered any pain. Said he felt as well as he ever did in his life, but could not use his limbs much, could walk but very little by himself. Saturday evening, the 16th, he received another stroke of paralysis and sank rapidly and never could speak another loud word. It affected his speech. He would answer our questions and deemed rational to the last. May the Lord bless the bereaved ones. Written by a friend.

His remains were interred in Leesville cemetery. His burial services were conducted by Rev. J.B. Kerr.

Perhaps it was in his large house that his children, Mary Susan, Chas Alexander and Lottie all lived in together in different wings with their respective families. It was said to have had 7 bedroms.

Notes
Turley Family Rec. by Beth Mitchell and ano. lists our Turley family in section of Others, p 529-531, 535, 537-539, not connecting them to early VA Turleys of the main section of the book. Anna Turley Noland's line in that book has 2 Black lines from our Rev. Sam Black I.

George Rorer was b. 1791, d. 1847, s/o Abraham and Nancy Rorer, who m. 1811, Nancy Rowlin or Nowlin, d/o James and Nuvana Rowlin or Nowlin. All of these people were in Pitts. Co. Va. George and Nancy moved to Caldwell Co. Ky. Since he was contemporary with Denecia's father, John W. Turley, the families may have been connected and moved together. Note that Abram Rorer was Guardian to 2 of Conrad Crayne Sr.s ch. in 1824 in Pitts. VA. Mgt Crayne Turley was an heir of Conrad Crayne Sr. Rorer fam. was from PA bef. VA. Needs to be researched.

In 1860 census, Lindsay and Liz Adamson resided next to Decatur Wilds who bought the land that the Wilds Cem. sits upon. JAMES MADISON BRELSFORD AND EMMA J. HODNETT

1~~3~~. James Madison Brelsford was s/o Celestine Logan Black (Sam 3,2,1,) and Hiram Hawkins Brelsford. He was born Dec 22, 1834, prob. Caldwell Co. Ky, died Sept. 30, 1905, Fall River Co. South Dakota. He was buried in Evergreen Cem., Section F, Hot Springs, S.D., but listing says b. Dec. 22, 1835. Cem. stones read by Jodi and listed online at Fall River Co. site. 1900 census says b Dec. 1833.

? Brelsford Hist →

James married his cousin Frela____ according to Nathan Washington Brelsford Family History of 1905. This seems to be untrue unless he married twice. He did not have wife in 1860 census in Fort Scott Kansas when he was 25 yrs old and living with his unmarried siblings. He travelled around the Rocky Mtns from Mexico to British America, for 15 yrs or so, according to his own letter, which seemingly negates an early marriage. His letter mentions that Emma Hodnett was the only woman he ever wanted to marry.

James married Emma J. Hodnett 25 Dec. 1878, in Lead City, Lawrence Co. S. Dakota at the Springer House Hotel owned by her brother-in-law Edward H. Springer. Emma was about 30 years old in 1878 and was from Maine according to a letter written by James to his brother William in Delaney KY. The Black Hills Daily Pioneer S. Dakota newspaper publ Dec. 27 1878 announced the marriage.

Emma was born 31 Jan. 1844 in Orient, Aroostock Maine and died 22 Feb. 1932 in Hot Springs, Fall River Co. South. Dakota. She was d/o Patrick Hodnett and Mary Lesure. (AHodnett@aol.com).

Emma's sister, Mrs. Jane Springer, resided in Nevada in 1877 just before moving to Lead City S. Dakota.
The newspaper mentioned that Emma was sister of Mrs. Springer. Newspaper article of May 30 1878 stated that the New Springer Hotel of E.H. Springer was located on California St. in Lead City.

Springer's biography listed him as living in Virginia City Nevada in 1877, moing to Lead City in May that yr. Apparently, Emma Hodnett travelled with them which placed her where James M. Brelsford resided, and to marry him the following yr.

James joined the Bethlehem Cumberland Presb. Church, Crider, Ky on Aug. 24, 1856 by experience. He left by letter in 1857, probably when moving to KS.

James moved with his father and unmarried siblings to Ft. Scott KS in 1857 after the death of his mother. His father Hiram died in 1858 at Ft. Scott KS.

The Brelsfords had purchased property in Kansas and it took awhile to sell it.

1860 census, Ft. Scott, Bourbon Co. KS, James was 25 yrs old, living with his brother Nathan W. Brelsford, 27 yrs, who was head of household. His younger unmarried siblings, Celestine 20 yrs, Eveline 17 yrs, Mahlon 18 yrs, John 13 yrs was also in household.

Of James' siblings, Mahlon died shortly after the 1860 census. By 1862, brother Nathan the II and sister Celestine Brelsford were residing in Crittenden Co. KY, where they both married. Celestine married Francis Marion W. Dodds. John Brelsford died in 1863. Eveline married her cousin John P. Black in 1864 in Caldwell Co. KY.

Their other siblings were already married and stayed in KY when their father Hiram and his unmarried children moved to Ft. Scott KS.

Note that 1861-1865 were Civil War years.

27 June 1880, Letter from James M. Brelsford of Lead City, Lawrence Co. South Dakota. It was addressed to his brother William B. Brelsford, Dulaney, KY.

Dear Brother,

I received your letter of May 23rd, yesterday. I was very glad to hear from you. It is the first leter I have had from you in so long a time I cannot recolect the time. I use to get letters from Sister Emma before I married, but since then she quit writing. I am truly glad you and Patsy (you used to call her) are getting along well and you have done well for the Brelsford family too.

133

When I saw you and Martha Jane last (twenty three year ago last month), you only had one baby Jim Tom and now you have had eleven. I want you to write me a long letter and tell me where and how our foulks are. I had one or two letters from Samuel after he went to Texas, then Suller wrote one or two and quit. Nath. quit writing after his second marriage. Celess and Frank quit writing after they took the Trotter children to raise, so you see I have lossed all account of every one. I would like to know how Mary Jane's three little girls are doing, you spoke of the boys. Also Lizz' children, how often did Lindsay marry after hir death. Also, about Uncle Jim Shaw, Lowery, and John Black. What became of Nancy J. Wild, also Tom Wild, widdow Mary Em. How is Dorcas Phillips and Jackson doing, how many children have they? The last thing Dorcas ever said to me was that she was going to have an Ash Hopper full of children.

Will, I suppose you should like to know something about myself. Well, ever since 1860, I have been batting along the Rocky Mountain range from Mexico to British America making forth thousand dollars per year to twenty or thirty thousand less than expenses, so you see I have been all the time on the go and have had my ups and downs. I come to the Black Hills in '76, never have made any money since I came, but in 1878 there was a young lady of about thiry summers (I was forty four), came out from Maine with hir sister and brother-in-law. Of course I got what all men have, well to make it short, she was the first woman I ever saw that I wanted to marry and not withstanding me being poor I could not live unless I married. And on Christmas day 25th Dec. 1878, myself and Emma J. Hodnett married. And I am satisfied if I would of married the same girl fifteen years ago, I would been worth a million dollars today. Will, I know I have the best Wife in all the world, and hir friends all tell hir she was lucky in getting so good a husband. Will, sufise it to say we never have, nor never would if we was to live a thousand years have our first cross word or look. For we were both old enough to and have sense enough to know how to treat each other and we are each of us Supremely contented with each other.

We had, on the 13th day of March 1880, as fine a boy born as ever claimed the name of Brelsford,. We call him Charles Edward. He is only a little over three months old and will play and laugh more than some children does at one year old. He has very bright blue eyes and dark hair.

We have a good house to live in and are doing better than the most of our neighbors. Felix Ingram is living in Deadwood, has a wife and one boy, is doing tolerable well. He has a sawmill and sells and delivers a greate anount of lumber and shingles and has always made money. He is the assessor of Lawerence Co. and a good fellow generally. Write soon and often and I will give you a discreption of our Hills and how we make money. Direct to Lead City, Lawerence Co. Dakota.

Myself and wife send our best love to you all, Yours truly, J.M. Brelsford.

P.S. Give our respects to Sister Emm and tell hir to write for we wrote last. Hooray for Hancock. J.M.B.

(The above is copy of James Brelsford's letter, sent to me by Barry Talley, also a Brelsford descendant).

The people mentioned in the letter are as follows:
Sister Emma was wife of brother Hiram Hawkins Brelsford Jr. Samuel was brother Samuel Black Brelsford. Suller may have been Sulie, d/o Samuel. Nath was brother Nathan Washington Brelsford. Celess was sister Celestine Brelsford married to Frank Marion W. Dodds, the Trotter children were orphaned nieces and nephew of Frank Dodds, who were children of Martha Jane Dodds and Charles Lucas Trotter. Mary Jane was sister Mary Jane Brelsford who married Joseph Robinson, the 3 girls were Mandonia, Elizabeth and Altezarah; Lizz was his deceased sister Elizabeth Brelsford who married John Lindsey Adamson.

Adamson married twice more after she died. All Adamson's wives were connected to the Brelsford/Black family. Wife two was Dodds, wife three was McCaslin, the widow Guess.

Uncle Jim Shaw was James Shaw Black. Lowery was David Lowery Black. John was John Thomas Black. All of whom were children of Samuel Black and Keturah Shaw and they were siblings of James M. Brelsford's parents; Celestine Logan Black who married Hiram Hawkins Brelsford Sr.

Dorcas Phillips was married to William D. Jackson. She was d/o Dorcas Patrick Black and Maxwell Pope Phillips. Her grandparents were Samuel and Keturah Shaw Black.

The Dakotas were part of the Louisana Purchase in 1803. Lawrence Co. was established in 1875 from an unorganized Territory. It is a western Co. adjoining the Wyoming border. Deadwood is the Capitol. The influx of settlers arrived there in 1863 after the first Homestead Act was passed. S. Dakota became a State in 1889.

In 1876, Deadwood was part of Indian Territory, and was a wild and wooly place. It was a mining town. James M. Brelsford must have been an adventurous type.

Since James was wandering during the years of the Civil War and he does not mention war service, we might assume that he did not serve.

The Hot Springs Plaster Co.

The Hot Springs Plaster Co.
This Company furnishes plaster for buildings instaed of lime plaster and also makes a very superior article of dantal plaster; 28 1/2 acres of ground adjoining the works embody the quarry. Shipments are made as far as Portland Ore. and Seattle Wash.; also to Denver, Grand Island and O'Neil. The daily 12 hr capacity is thirty tons.

The company is incorporated at $100,000, in 2000 shares of $50 each. J.M. BRELSFORD is President; George H. Stoddard is Vice Pres. and C.E. BRELSFORD is Secretary and Treasurer. At present 10 men are employed, but the company unquestionably has a greater future than it's projections imagine. Hot Springs is a good business town for almost any line of business. Retailers naturally have an increasing business fronm strangers, as well as those who make their home at the Springs. The location of the town and it's railway facilities are such as to recommend the investment of capital in wholesaling and manufacturing.

Hello, I am a neice of Helen Osmotherly Brelsford, but both she and Charles were dead before I was born. they are both buried in our local cemetary. It is the Evergreen Cemetary at Hot Springs, SD.
I know nothing about the parents. They may have children buried beside them.
there is printing there and I forget now what it say. Guess I could go recheck when I am in Hot Springs again, which I am fairly often.

So what connection are you to them?
And are you in the US?
I will anxiously await for your reply. I have done some digging and find just about nothing.
regards
Edith

Jackie,

In my genealogy notes I have a Helen Osmotherly (my grandmother Dorothy's sister) born in England on March 24, 1879. Then I have her listed as Helen Osmotherly Brelsford in a page copied from some history book of early
X settlers in Hot Springs. I don't have the book but there's a Richard Petty in the Minneapolis area from whom I copied it. He's somehow related, too. And in Dorothy's obituary in 1964, she was survived by two sisters, Sue and Mabel, so Helen must have died before that. I never knew Helen. I do know lots of
X Osmotherlys are buried in Hot Springs. Have not been able to check which ones.

If you know anything more about the Osmotherly's, I'd love to hear about it. And tell please me how you are related to the Osmotherlys.

CELESTINE DELIA BRELSFORD AND FRANCIS MARION W. DODDS

18 ~~15~~. Celestine Delilah Brelsford, (Delia nwb) was born June 30, 1839, Caldwell Co. Kentucky, (reck Caldwell records). Brelsford Hist. and bible says she was born June 30 1840. She died Feb. 11, 1899, Gonzales Co. Tx. She was buried in Slayden in Slayden Cem., Gonzales Co. TX where her date of birth was listed in on line cem. records as 30 June 1840. She was daughter of Celestine Logan Black, (Samuel 3,2,1,) and Hiram Hawkins Brelsford Sr. (Nathan1).

The Slayden Daily Inquirer 13, 16 and 21 Feb. 1899 has her obituary: Mrs. Celess Dodd, wife of Frank Dodd. Another obit. Weekly Inquirer of 23 Feb. 1899 says Sister C.D. Dodd, wife of Elder F.M. Dodd. One of these articles listed her as Dodds.

She was married Dec. 18, 1862 in Crittenden Co. Kentucky (by T.J. Wilds), at the home of Nathan Washington Brelsford. Witnesses were William P. Black and J. W. Shaw. Lic. obtained Dec. 17, from Benj. Frank Marion Dodds was also surety for mar. bond 8 sep 1869 for D. C. Terrill and Rossean Rustin, (Cald. mar. by Kyle, p 98).

The Wilds family.

The Wilds Cemetery must have been named for his family, yet James Shaw was the earliest found grave there. One bit of information from a descendant without documentation states that this cemetery was on land once belonging to Samuel Black.

I count 32 known descendants and spouses of descendants of James and Anner Shaw buried in this cemetery. Others in the cemetery may also be descendants.

Richard Sheridan, Trustee of Wilds Cem. has tracked sale of land that cem. stands on. In 18 Oct. 1858, Deed Bk T, pp 112-114: Decatur Wilds bought 212 acres, the Dodds farm at an estate sale in Princeton. This appears to be the David S. Dodds property since his ch. were named in the transaction. He does not mention the cem. being there. David S. Dodds was s/o Francis Dodds and Mary Ann Shaw. He was grandson of James and Anner Shaw. David was m to Eliz. Brown.

Subsequent sale and division of the land mentions the graveyard. It would seem that when the cem. received a name, Wilds owned the land.

Sam Wilds b. 1790 Maryland, res. Tn 1817-1847, in Ky by 1849. Son Alfred T. m. Nancy Jane Miller gr. dau. of Sam Black III. Alfred and another son Decatur are bur. Wilds Cem. Crider, Ky with Blacks and Shaws. Decatur Wilds married Sarah Traylor. He was b. 1817, Tn, d. 1864, Caldwell, Ky. Alfred Wilds had a half sister N.C. Wilds who m. W.M. Lewis and moved to Henderson Co. Ky by 1877. They were related to J.F. Wilds (Caldwell deeds).

Thomas J., perhaps a preacher, was another son of Sam Wilds. He m. Mary E. Stevenson who may also have been connected to the Shaw family.

Since Sam Wilds was in Tn so much later than our Shaw family, I don't think there was any other early connection to the family.

WILLIAM P. BLACK AND EVALINE BRELSFORD AND MARY WILSON

21. William P. (?Peden) Black, born 16 July 1843, Crider, (near Fredonia), Caldwell Co. Ky, died 6 January 1916 or 1918, Caldwell Co. Ky, buried in Bethlehem Cemetery, Caldwell Co. Ky. William was son of James Shaw Black (Sam^3,^{2},^{1}) and his wife Janet Dodds Peden. William was known as Squire Black.

William was one of two children; his brother David Alexander Black died at age 17. William's family farm contained over 600 acres, 350 in cultivation.

Marriage Bond Caldwell Co. KY, Book 6.
William P. Black, farmer, Eveline Brelsford, both 21 yrs, first marriage for both, 29 Nov. 1864, married by Rev. W.C. Mc Gehee, Pastor of Bethlehem Presbyterian Church. Surety William P. Black and S.B. Brelsford, (Sam Black Brelsford). William listed his father as born Caldwell Co and his mother as born S.C. Evaline listed her father as born Christian Co. KY and her mother as born Caldwell Co. KY. (Actually, her father had resided in Christian Co., but was born in Ohio according to 1850 census record).

Evaline Brelsford was born 9 Oct. 1843, Caldwell Co. Ky and died 30 July 1865, 21 yrs, 9 mo, 21 days, daughter of Hiram Hawkins Brelsford Sr. and wife Celestine Logan Black. Evaline was a cousin of her husband William P. Black.

Note that Kentucky Genealogy and Biography, by ___, listed their marriage as 1854, incorrectly). William and Evaline had no issue. Evaline joined Bethlehem Presbyterian Church, near Crider, Caldwell Co. KY, on August 24, 1856 by Experience, left by letter 1857, (when moving to Ft. Scott KS with her widowed father and her unmarried siblings. Evaline rejoined the same church in Kentucky, by letter, on August 14, 1864. Evaline died July 30, 1865. (Ref: Bethlehem Church record and Wilds Cemetery Rec. Nathan Washington Brelsford's Brelsford Family History, lists Evaline's death on July 17 1865).

1857, William Black joined Bethlehem Cumberland Presbyterian church, by experience, Caldwell Co. KY.

Evaline Brelsford was also of Gen. 5 in the Black family line through her mother, Celestine Logan Black4, (Samuel 3,2,1).

1860 census Eveline Brelsford, 17 yrs, born KY, resided in Ft. Scott KS with her unmarried siblings. Her brother Nathan was listed incorrectly as Mathew, head of house. This was shortly after Eveline's father died at Ft. Scott.

1867, 13 February, William P. Black, 23 yrs, married second Mary A. Wilson, 33 yrs, (b. 1834), widow of Samuel G. Leech. Bride's father consents to her marriage to Black.

Mary A. Wilson was born January 7, 1834 in KY. Mary had a sad affliction by 1893 and died Sept 14, 1897; buried Bethlehem Cem. Caldwell, KY.

Mary was the daughter of "Scotch James" Wilson (born 8 Sept. 1806 in Town of Dundee, Fifeshire Scotland, died 22 April 1868) and wife Amanda Wyatt. (born 28 June 1808, died 20 November 1878). Mary's parents were married 12 March 1829. Mary and her parents were buried in. Bethlehem Cem. Mary joined Bethlehem Presbyterian Church 1849 by Experience.

1860 census, Mary was listed with parents as 31 yrs, b. KY.

William P. Black resided within a mile of Bethlehem Academy where he was educated, completing the English course in 1861. William spent the next two years on his father's farm, then became a school teacher for several years. In 1868, he taught at Bethlehem Academy.

1865, 14 January, Caldwell Co. KY, James T. Morse sold five acres land on Donaldson Fork of Tradewater River, Caldwell Co. KY, for $125, to William P. Black. Recorded 20 April 1865. This was the same day that he sold land to to other relatives of Black.

1865, 14 January, Caldwell Co. KY, Bk V, p.12. E.H. and Rose Morse sold land for $975, to William P. Black, on Donaldson Fork of Tradewater River, to be paid 1 March 1866. This land was bounded by Jarrett Morse's survey etc. The land was conveyed to Morse by Wright Nichols, W.G.L. Morse and D.L. Black, Commissioners, on 16 April 1859.
(Note that D.L. Black was my great grandpa David Lowery Black, Uncle of William P. Black).

1867, p. 329. William P. Black, James Shaw Black, Surety, for Margaret E. Shaw. (Margaret was born 1849, d/o John Waters Shaw & Polly Stewart Phillips).

1860 June 22 census, Princeton, Caldwell Co. KY, Willam Black, 16 yrs, b. KY, was listed with his parents.

1870 census, Walnut Grove, Fredonia District, Caldwell Co. KY, p.446.
William Black, 27, born KY (ca 1843), Real Estate, $1000, Personal Property $1000, farmer; Mary, 26, born KY (ca 1844 acc. to this census), Chas. Leech, 15, born KY, Edgar Leech, 10, born KY, Jane Black, 2 yrs, born KY (ca 1868), James C.

Black, infant, born Nov. 1869 KY. Also in house was a negro woman servant, Rosa Wilson, 13 yrs born KY. (Note this was 5 yrs after Civil War, when many former slaves took the surname of their former masters).

(Note that Mary, believed born 1834, must have been 36 yrs in 1870 census. Charles Leech may have been a ward of Sam G. Leech. Edgar was probably Mary's son by her previous husband Samuel G. Leech. This census was taken 5 yrs after the end of the Civil War when slavery was abolished. Former slaves often took the surname of their last owners, thus Rosa Wilson).

Neighbors in 1870 included John H. Turley, Clark Wilson, and Frank and Celestine (Brelsford) Dodds. Dodds moved to Gonzales Co. TX shortly afterward with others of the Brelsford family.

William Black always resided on the old homestead which at one time comprised of 600 acres, with about 350 acres in cultivation. This farm belonged to his father and perhaps also his grandfather. William raised and traded farm stock animals, handling about 100 head per year. In 1991, Teddy Holt may have resided on this old farm.

William Black was an elected Civil Magistrate serving Fredonia District for eight yrs; was Commissioner of Public Roads, which was then an elected office. (See Kentucky Gen'y and Biography, V.4, p.2, by Thomas W. Westerfield).

William Black was ordained a Deacon at Bethlehem Cumberland Presbyterian church in Caldwell Co. KY, August 29, 1886-1890, succeeding his father James Shaw Black, after his decease. As a Deacon William was Clerk of the Session. William was ordained a Ruling Elder April 13, 1890 in this church. In 1905, William was on the church board and wrote a historical report. MARY WILSON and first husband SAMUEL G. LEECH

Mary had a daughter Jane Leech, by her first husband, born Skinframe, Caldwell Co. KY on 4 April 1853. Jane was not listed on 1860 census with family. Mary also had a son James Leech who died May 17 1855 at 13 months of age. (Possibly also a son Herbert Leech who married Jessie, moved to East St. Louis Mo, but not found there on census by this author J.B. Humphrey.

1860 census WHERE, lists children in household of Samuel G. Leech, Charles 5 yrs and Hervey 3 yrs. Chas. and Hervey were said to be Wards of Leech, also in house William Darby, 12 yrs, b. Ky. His mother or other relative may have been Mrs. M. Darby, 54; her listed occup. was Lady, living with Mary Wilson's parents. Samuel G. Leech born 1828, died 1863, buried Adamson Cem. Caldwell Co. KY. From cemetery clues, the G. may have stood for Glenn. Princeton Leader newspaper suggests a tie of the Leech family to the Crider family. The Crider family came from Pittsylvania Co. VA, same as my Turley family.

> James Alexander Leech and James H. Leech were Elders of Bethlehem Cumberland Presb. Ch at Crider, Ky before 1905. In 1905, C.A. Wilson and J.D. Leech were on the church board. These were possibly related to 1st husband of Mary Wilson.

SAMUEL ROBERT BLACK AND SUSAN BELLE RUSTIN

Gen. 5, should precede p. 142, P.P.

22 ~~19~~. Samuel Robert Black was born ca 1849, Caldwell Co. Ky. He was s/o David Lowery Black (Sam3,2,1) and wife Maria Elizabeth Trotter. It would appear that he was named after both of his grandfathers. Death not found, alive Tarrant Co. TX 1880 census.

Sam R. married, age 28, 14 Feb. 1877, Susan Belle Rustin, 18 yrs, Caldwell Co. Ky by Rev. Isaac B. Self at the home of his Uncle James "Shaw" Black, Caldwell Co. Ky. Samuel was a farmer, both residing Caldwell Co. at marriage. First marr. for the couple. Witnesses were cousin William P. Black, Chas. M. or W. Leech, Hale Rustin, (prob. the Joseph "Hale" Rustin who had m. Nancy Jane Miller, grd/o Sam Black III and Keturah Shaw). At marriage Sam R, stated his mother was born in Mo. and father was born in Ky, (Caldwell Marr. Bond Bk 12, p. 171; census). He and Uncle James Shaw" Black were sureties for $100 marriage bond. Shaw prob. acting in lieu of her father who was prob dead

Susan Belle Rustin was (b. 1861, Ref?) (mar. 1877 minus 18 yrs equals born 1859) in Caldwell Co. Ky, age 18 at marriage in 1877. She may be the one of the name who died 1891, (Bethl. Presb. ch. rec. near Crider, Ky). Her parents were born in TN according to Susan's marriage bond. James "Shaw" Black, Uncle of her husband Samuel R. Black, acted as her Guardian at time of her marriage. She was listed as a minor. Can we assume that her parents were deceased by the time of her marriage? Was she related to the Black family or to the wife of J. Shaw Black?

Sam Robert Black joined Bethlehem Presb. Ch. Dec. 3, 1876. Same church
Susan Bell Rustin joined Cumberland Bethlehem Presb. Church Dec. 2, 1876, the same day that Wm Edgar Rustin joined, possibly her brother. Sam R. and Susan Belle Black were dismissed by letter Nov. 12, 1878 just before moving to Texas.

If Susan was the same Susan Bell Black who joined Bethlehem Presb. Ch. Nov. 28, 1884 by letter (her husband not in the church record) it may indicate that Sam R. Black died prior to that time, perhaps in Tx. Also, it would mean she moved back to Ky and rejoined this church. I could not find Samuel in Tx census soundex for 1900. Their son Albert L. married in Caldwell Co. Ky in 1911 which supports Susan's return to Ky. I did not look for Sam R in Ky 1900.
Sue Bell Black that joined Ch. 1884 d. 1891 (Church Rec)

His mother died one month after he was born. She had Tb, and David was undoubtedly infected before birth. His middle name may have been Allen or Augustus.

Obit. in Gonzales Inquirer, Gonzales, TX, 10 March 1903, p. 3. (Microfilm copy located at Gonzales Library 1993). News was received in Gonzales this morning from Leesville, of the death of Mr. Black who moved to that place about Feb. 5, coming from KY with his wife, who was a daughter of the late S. B. Brelsford of Wrightsboro. His death occurred this morning at about 2 o'clock, after a lingering illness, he being a sufferer from the effects of that dread disease, consumption. The interment will take place this afternoon at 4 o'clock at the Leesville cemetery. Did another paper carry an obit. also?

1st known marriage:
A cousin wrote Georgia Black Baker in the 1960's that David had a previous marriage to an Ellen O'Brien. David A. Black m. Ellen O'Brien in Crittenden Co. Ky, 25 Sep 1894 by Elder T.C. Carter at Tom Paton's house. Witnesses were Tom Paton, S.C. Bennett. Groom of Caldwell Co. Ky, license 24 Sep 1894. Fredonia is close to the Critt. Co. border. He is identified as the same David A. Black by identical pictures held by Melvel Paris, an O'Brien desc. of Ellen's sister and one of David A. Black that his daughter Georgia Black Baker owned. Melvel resides Glenwood, IL in 1994. The picture was taken by Griffin and Watkins in Princeton, Caldwell Co. KY. I make assumption that it was taken by 1895 since that is when Ellen died. Melvel also has a picture of Ellen O'Brien taken by the same photographer when she was 14 yrs old. In the O'Brien family, David A. Black was spoken about with fondness.

David returned from Tx to KY sometime after the 1880 census and before his 1894 marriage. Ellen O'Brien was born 5 Oct. 1872, prob. in Critt. Co. She died between Sept. 17 and

I do not find a record for David A. Black joining or leaving Bethlehem Church where his father and siblings belonged. He would have been 17 yrs of age in 1878 when the family moved to Tx. Since children worked at a very early age, it is possible that David A. lived and worked elsewhere, perhaps with a relative after 1870, before 1879.

1880, David Black, 19 yrs, resided with his father David in Tarrant Co. Tx. He prob. went from Ky to Tx about 1878 as did his siblings and father. His father and siblings were dismissed by letter from the Bethlehem Church near Crider, Ky on Nov. 12, 1878. This probably meant that they joined a Tx church about that time.

~~Bethlehem~~ Cumberland Presb. ~~nr Crider, Ky~~. Rosena was born March 22, 1847 in Ky, died Nov. 28, 1901. 1880 census, they resided Marion, Crittenden Co. Ky, p. 30. David Dodds was listed as a farmer, 31 yrs, wf 33 yrs, ch. Wm, 9 yrs, Singleton E. 7 yrs. J.A. Brantley, cousin lived with them. They were divorced between 1880-1888. She was said to have married again, but her name was Dodds on her gravestone in Wheeler Cem. (what town?) They had 3 children William Albert, born 14 Apr. 1871, Ky and Singleton Edgar born 9 March 1873, Ky, both of whom moved to Wyoming, and one who died in infancy. (Ref: Travis Family by James T. (Dr. Thomas Dodd b. SC res. Fredonia, 1860).

Cousin Marietta Ball letter stated that Jennie Brelsford Dodds stayed with her Uncle Nathan Washington Brelsford as a wd, before her m. to David A. Black; that Jennie could make a dinner table look attractive with decorated butter plates; that Marietta visited Jennie and husb. Dr. Dodds, brother to Uncle Frank Dodds, when she was a tiny girl when Dr. Dodds lived at Hawood TX (?Harwood); that Aunt Celess Brelsford Dodds had Marietta's family for dinner the day that Jennie and David A. Black were leaving for KY after their marriage. Marietta was b. March 1888. This would place Dodds death closer to 1894/8? (N.W. Brelsford was Marietta's grf.).

Georgia Black stated that her mother had red hair. Describe picture. She owned and played the organ. She had many items of fine jewelry.

Blood cousins to both David and Jennie:
Nathan Brelsford Jr. lived near Harwood Tx.
Frank Marion W. Dodds, cousin and Jennie's former brother-in-law and his wife Celestine Brelsford, who was also their common blood cousin resided Gonzales Co. TX.

David's daughter Georgia (Black) Baker was told that Jennie attended a ladies finishing school.

Jennie had a tragic life. Her mother Deneciah Turley Black d. in 1886 when Jennie was 21 yrs old; her father d. in TX in 1899, when she was 35 yrs old, when Jennie was living in KY with her 2nd husb. Jennie was m. less than 10 yrs to her first husb., perhaps much less because there were no ch. by him. She remarried for another short time, only 5 yrs to her 2nd husb. Jennie, age 39, was left with 3 small ch. to support and no parents or gr parents to help her. David's

parents were deceased.

Son Charlie Brelsford Black was told when a mature man that he used to wave to his father David when he went by on the train and reported to have worked on Southern Pacific RR. Acc. to obit. David Black did not return to Tx until Feb. 5 and died there March 10, 1903 which is consistent with family records. Thus he did not work on RR in TX after 1901 birth of son Charlie. If he worked on RR 1901-2, it had to be in KY. Was there a Southern Pacific RR in KY? Was it correct, that Charlie waved to his father? Since Charlie was only 1-1/2 yrs when he died, this is second hand info. The application for admission to the orphan´s home stated that David A. Black was an engineer.

1904, Jennie Black resided San Antonio, prob. at 106 Sharer (death certif). Dau. Georgia had Crosley St. and Magnolia St. as San Antonio addresses for Jennie, don´t know how accurate.

1910, 30 April, Jennie Brelsford Dodds Black died San Antonio, Bexar Co. Tx, age, 45, 11 mo, 11 days; sudden acute cardiac paralysis, intermittent Fever, 14 day duration. Died 106 Sharer, Ward #6, death certif. signed by M. J. Bliem, Dr. or coroner. Certif. gives her birth as May 19, 1864. Filed May 5, 1910, PG 21, F # 193. She had resided 6 yrs where death occurred. 106 Sharer was prob. her residence. Funeral dir. Sloan and Hagy. Certif. obtained 1985 from San Antonio Metro. Health District, 332 Commerce St. San Antonio, 78285. She was bur. San Antonio, City Cem. #3. Dau. Georgia had obtained the same death certif. info. from the Health Dept. at an earlier date which was written unofficially in pencil. It had one additional piece of info., the names Hanaver and McClaugherty written after Sloan and Hagy which appears to be part of the funeral director Co.

Jennie left 3 small ch. (Dau. Georgia said her mother d. from Ptomaine poisoning, bad home canned food.

The 3 ch. were taken in by Jennie´s brother, Uncle Charlie Brelsford and his wf Sarah Haynes in 1910. He was kicked by a horse and d. same yr. The 3 ch. were sent to Dallas to Buckner Orphans Home where they grew up.

Notes: Thos. J. Wilds m. Miss M.E. Stevenson 31 Aug. 1863. The Wilds Fam. were from TN. Was he preacher? They were not in Caldwell Co as early as the Shaws and Blacks. Decatur or Alfred Wilds came into possession of the land having the Wilds cem. where James Shaw was the first known bur. there in 1803. I do not find the Wilds fam. in Caldwell Co. 1810-1840 census. In 1860 Decatur Wilds b. ca 1817 TN with wf Sarah A. Traylor resided near James Shaw Black and David Lowery Black and John Lindsay Adamson who m Eliz. Brelsford, d/o Hiram H. Brelsford. Alfred Wilds b. ca 1819 Tn m. Nancy Miller d/o William D. Miller who lived next door. William D. Miller was m. to Mary Kath. Black, d/o Sam Black and Keturah Shaw and sister of James Shaw Black and David Lowery Black.

All of these neighbors were desc. of James Shaw and Samuel Black III. Was M.E. Stevenson related to Black/Shaw? She must have been b. by 1847.

WILLIAM SHAW AND FAMILY

Gen. 1. Author's 4th great grandfather.

1. WILLIAM SHAW SR. was probably born ca 1700-1730, place of birth unknown, poss. Va or SC. He was alive April 12, 1790, Davidson Co. N.C. deed, which is now TN. see later in JAMES SHAW narrative. Look for father poss. named James, Jos., James or Hugh.

One William Shaw resided Davidson Co. TN from about 1786-1832 according to his Rev. War Pension Application S3881. His application tells us that he resided on New River in what is now Wythe Co. VA at time of Rev. War. IF he was son of Wm Shaw Sr. of whom we treat, then we need to search this area of VA for our ancestry. I do not find 3 Wm Shaws in Davidson Co. early on, thus the Wm Shaw of the Pension is likely of our family. perh

Our William could have been an immigrant in this country if he was of Ulster Scot lineage as was Rev. Sam Black and the majority of the people who settled in what was known as the far West of that era. See Shaw/Black connections later under JAMES SHAW narrative.

unknown if related.
1789, Jany 20, Bk A, p. 289. Davidson CO. NC.
Oct. 15, 1788, Absalom Hooper and wf Elizabeth sold to WILLIAM SHAW, all of Davidson CO., 130 acres of land with buildings and improvements on the waters of White Creek in Davidson Co. for 400 lbs money. This land being part of Samuel ?Vernors Preemption. The execution proven by Justinian Cartright. Court held in Davidson Co. Jany 5, 1789. (Wm not called Sr. here; Wm, s/o James Shaw Sr said b. 1775, too young to be this Wm).

unknown if related.
1790, March 1, N.C. #1027, Bk B, p. 41.
Military service of John ?Best granted to WILLIAM SHAW, assignee of heirs of Best, a tract of land 640 acres in Davidson Co. on N. side of Cumberland River and the waters of Red River. April __, 1790, between JAMES SHAW who sold to WILLIAM SHAW SR. for 252 pounds money of NC, my ferry BOAT and appurtenances granted to me by Davidson Co. cross Cumberland River to the town of Nashville and adjoining land on NORTH side used as landing places and roads and two lots #31 and #14. April Term 1790.

Description on p. 69, above is for the right of having a ferry business and the 2 lots etc. to sons of JAMES SHAW. P. 70 is for the ferry boat itself and the 2 lots etc. to WILLIAM SHAW SR.
Seems strange, but maybe William and his grandsons were planning to operate the ferry business together. Seems that James Sr. was in business with his father previously. Wm Sr must have been abt 65 yrs old in 1790 and James Sr getting out of this particular ferry business at age 40. James Sr. stayed in Davidson Co. at least through 1792. The 3 grandsons were about 16, 15 and 13 yrs old in 1790. Men could own land at age 16, since they were expected to be in the Militia to fight Indians at that age. Note that James Sr. was original owner of this land having conveyed it to Wm Sr. previously, see p. 69.

WILLIAM, William Jr. and Joseph SHAW all purchased on White Creek which seems to link them to same family group. The names of neighbors Kinkade, Taylor, Hooper and Bradshaw also tie them together. I don't know if the William Shaw who purch. on Red River is of the same family.

JAMES SHAW SR. AND ANNER

Gen. 2.
author's 3rd great grandfather.

2. JAMES SHAW Sr. was born 1750, died 15 May 1803, d. age 52, Livingston Co. KY. If he left a Will, we need to look for it in Livingston, Christian or Lyon Co. KY. His gravestone is in Wilds Cem. near Princeton and Crider, Caldwell Co. Ky; which was Livingston Co. when he died in 1803. He was the son of WILLIAM SHAW SR. who was of Davidson Co. N.C. in 1790, (now TN), proven by deeds and deposition.

JAMES SHAW was probably married ca 1768-1774 to ANNER __, place unknown. Sons James and David were prob. the eldest, born before son William in April 1775. Dau. KETURAH was born Nov. 1779 in Kaskaskia Illinois. (census and GS).

Descendant Dorothy Dean Cook, wrote in 1992 when she was 93 yrs old, that James and Anner moved to Kaskaskia Territory, (now IL), and settled on 400 acres, built a cabin in 1778, cleared 2 acres, raised a crop of corn. In 1779, they cleared 5 more acres and planted another corn crop. Then they moved to Nashboro. From there they moved near Crider KY and settled on a large tract of land near Old Bethlehem Church. No proof cited but she mentioned a small notebook about Shaw family at Smithland KY courthouse. Cook wote incorrectly that James was b. 1738. His gravestone indicates 1750 birth.

JAMES SHAW made a Petition to the Speaker of House of Delegates, VA Assembly in Oct. 1793. He states he was appointed Deputy or Issuing Commissary to the Illinois Reg't in 1779; that he had a small family then living in Cumberland (which I believe may have been Davidson Co. N.C., (now TN). Unsure whether he means his small family was with him in IL or whether his responsibility to his family, endangerd by Indians, in TN prevented his timely application for reimbursement before Oct. 1793. (Believe 1792 was time for claims, see Emily Croom's KY Brelsford and Kin bk).

Wife ANNER was buried beside him ca 1751-11 June 1825. Her Will made in Caldwell Co. KY, 16 Aug. 1816 was witnessed by Hugh KINKADE, SAMUEL AND KETURAH BLACK, will probated 21 Nov 1825. Not all of her ch. were named in this will.

How did Anner ___ Shaw come by land in Livingaston Co. KY that had been patented to George Kinkead. Related?

delete (Unknown is basis of proof of N.C. military service in Rev. War of JAMES SHAW on his Federal gravestone which was placed on grave in 1980's? N.C. was called a Province in 1691 and was Adm. until 1711 by S.C. which did not become a State until

1788. S.C. was separated from N.C. in 1723 when S.C. became a royal colony. N.C. State 1789. (Ref: Handy Bk For Genealogists).

CLUES Shaw/Black connections:
JAMES SHAW may well have been related to CATHERINE (SHAW) BLACK, (wf of REV. SAMUEL BLACK, 1700-1770 of Albemarle Co. VA). CATHERINE BLACK, ADM. of her ESTATE, Sept. 1798, Albemarle Co. VA. Assume CATHERINE was younger than her husband, poss. born ca 1718 if she died abt age 80, a ripe old age of that era, (guesstimate). First known date of birth of child of SAMUEL BLACK was James b. ca 1742. CATHERINE could have been b. as late as 1726 if she was Black's only wife. Black was single when he came to this country 1732/5. He was first in Pa, then NC, then Va. Think also Del, reck. (See various refs. for Black family). IF CATHERINE SHAW was related to JAMES SHAW SR., she was of age to be sister or cousin of WILLIAM SHAW SR., thus Aunt or cousin of James Shaw Sr. of whom we treat. Unknown is place and date of mar. of Rev. Sam Black.

1812, William Shaw, (husb. of POLLY WATERS and s/o JAMES SR, b. 1750), named a child David Black Shaw. William's sister KETURAH SHAW was m. to SAMUEL BLACK III in 1804. Why a child named David Black Shaw? Suggests that Wm's father (JAMES SHAW SR., b. 1750 or his wf ANNER) were related to the Black family.
Note that POLLY WATERS m2 ROBERT TROTTER and was direct ancestor of author with Trotter husb.
Sam Black III was grson of Rev.Sam Black and Cath. Shaw.
Keturah was d/o James and Anner Shaw.

Above are possible clues to where Shaw family resided before IL and TN.

ILLINOIS - history:
1763 France ceded IL to Britain. IL was called IL Country in 1777 under British control. In 1783, IL was part of US; IL was Am. Terr. 1787; Terr. 1809; State 1818 with Capital Kaskaskia. Most inhabitants of Kaskaskia were of French origin, (The War of the Rev. by Christopher Ward, v2, p 853.). Kaskaskia is an Algonquin word meaning "Tribe of Superior Men." (Orlando Sentinel Dec. 4 1998 FL).

1778, George Rogers Clark secured services of Capt. John Montgomery. James Shaw mentions Montgomery in his 1793 petition re: Shaw's military service. 1778, July 4, George Rogers Clark captured Ft. Kaskaskia, (renamed Ft. Gage) from the British.
1779 Col. John Montgomery belonged to Va Military.

Question - did Shaw reside Kaskaskia before Rev? Only proven

info. relates to his service to the IL military Reg't, which was of Patriot alliance in 1779.

The following proves the service of James Shaw to the Illinois Military Reg't Jan 1.- Nov. 14 1779 during Rev., and links him from Kaskaskia, IL to Davidson Co. N.C/TN early in 1780 and to Lyons/Christian Co. KY in 1793 , which became Livingston KY where he died in 1803, now Caldwell Co.

The following establishes James Shaw ca 1750-1803 of Livingston Co. KY and dau. Keturah Shaw 1779-1852 of Caldwell Co. Ky to Kaskaskia, IL. (Keturah states on 1850 census that she was born at Kaskaskia). Also links Anner, wf of James Shaw, who was in Kaskaskia, IL 1779 when dau. Keturah was born, to Davidson Co, Tn and Caldwell Co. KY. Proves James Shaw's presence at Nashboro when it was a territory of NC. early in 1780. Proves James Sr. as son of Wm Shaw Sr. of Davidson Co. Tn and Wm, David and James, (sons of James Sr. and Anner Shaw), as grandsons of Wm Shaw Sr. Anner's lawsuit against Suggs in Nashville, Davidson Co. NC which is now now TN and sale of land in Nashville while residing Caldwell Co. after death of James, proves Anner as wd of James Shaw. Also her grave next to him. Caldwell was set off from Livingston Co. in 1809, reck).

1779, Jany 1, James Shaw was appointed a Deputy or Issuing Commissary to Illinois Reg/t by James Buchannon. Served until 14 Nov, had small family with him. See below, 1793, Oct. 24, Petition of James Shaw to Va House of Delegates regarding his service; also see below under 1815, March 1 - Petition of Anner Shaw, Caldwell Co. Ky, regarding service of James Shaw in Kaskaskia ILL. Territory, Deed Bk B, p. 81/82, Caldwell Co. KY. Corroboration - James Shaw as issuing commissary to ILL. Reg't. found in Journal of House of Delegates, 1793, p. 2 as published in VIRGINIA Soldiers of 1776, Vol. 3, by Louis A. Burgess, p 1259, publ. 1929 by Richmond Press, Inc.
(Was Buchanan's Fort in Nashville named after this James Buchannon? A John Buchanon was in Davidson Co. TN with James Shaw. Va became a State in 1788, N.C. became a State 1789.

This does not seem to be enlisted active service for James, no military rank; need clarification.

James Shaw was abt 29 yrs old in 1779. Did he have any military service before 1779? Note that he ended Commissary service one day after birth of Keturah. Did he wait until her birth to move to TN?

1779, 13 Nov., Keturah Shaw, d/o James, born Kaskaskia, ILL.

N.C. of which the County seat was 200 miles away). Charge for registering claims was $12 per claim. (Croom). (James Shaw Sr. must have settled before June 1780 acc. to the grant below. Why 2 grants)?

A map of 1786 shows James Shaw with 640 acres of land directly across the river from Nashville, adj. to Sam Ewell on the east and Cumberland River on n.w. Pond Branch of the river runs through n.w. corner of his property. Another small branch is on his property with what looks like a lake at the end. James Shaw as Plaintiff in July 1784 vs John Montgomery wherein Montgomery's real estate must be sold to pay debt of 15 pounds plus; also Oct. 1787 wherein Wm Hopkins was a no show and forfeited the case of a borrowed horse worth 30 pounds which he did not return to Shaw.

James Shaw as Defendant:
Oct. 1786 to pay $117 debt to Timothy de Monbreun, Kaskaskia-Nashville Trader. (Note that James Shaw and de Montbreun were early traders in KY, must find my ref. for that).
Oct. 1787 James lost for $460 when John Morney sued for half a note of $920. Doesn't say who had the other half of the note. Oct. 1788 John Morney again, Shaw to pay 180 pounds. (Odd that one debt is for dollars and the other debt for pounds).
Oct. 1787 James lost vs David Shelby 67 pounds plus, but Croom doesn't mention for what the debt was taken.
Oct. 1788 Lardner Clarke, merchant, vs James to pay $121 and again July 1789 when James had to oay Clarke 190 pounds.
(Note that Lardner Clarke sold land to Olive Shaw in Nashville 1780's).
April 1789 James lost to James Todd for debt of 17 pounds plus.
July 1789 James lost to Edward Hickman , a 25 pound note that was four yrs past due.

1793, 24 Oct, Petition of James Shaw, (copy at VA State Lib, Richmond, VA subm. by Rich. Sheridan). Need official copy.

To Hon. Speaker House of Delegates, that Petitioner James Shaw was appointed a Deputy or Issuing Commissary on one January 1779 by James Buchanon who was then Commissary to Illinois Regiment.

Find out if Commissary's were civilians or military or either?

I served til 14 Nov. next following and received no compensation for said service. That during my term of service I furnished, for use of troops of Illinois Reg't under command of Col. John Montgomery, various articles of Provisions amounting as per account authorized by signatures of the proper officers for the sum of $527 paper dollars, for which I was never paid.

The Petitioner stated that he had a small family then * living in Cumberland, that were daily exposed to Indian hostilities, together with his reliance on General Clark and Col. Montgomery to do this business for him, prevented a liquidation of the claim under the regulations heretofore established. He prays his case

was the family in Nashboro while he was in Kaskaskia? No Kaskaskia b. Kaskaskia

This must mean that he didn't press for his pay while at Nashboro (Cumberland) because of the Indian problem there

will be considered and relief granted by the General Assembly as they in wisdom think proper. Etc.

KENTUCKY

perhaps b. late 1791

James Shaw seems to have resided in Logan, (dau. Dorcas b. Logan Co. ca 1790 acc. to 1850 census), Warren, (see deed below), Christian, Livingston Co. KY. He was buried in Caldwell Co. although this area was part of Livingston Co. at that time.

1797, July 19, Bk D, p 459. James Shaw Sr of Warren Co. KY sold Lot 22 Town of Nashville, Davidson Co. TN for 130 dollars to James ?Hennen. Witn. William Shaw (Jr.) Signed 20 July 1797 by Judge H. Tatum when signature sworn to by Teste William Shaw Jr. (Must be Regist). on Aug. 22, 1798. *
(Warren Co was formed from Logan Co. KY in 1797. We know our James Shaw Sr. owned Lot 22 in Nashville; that one of his daus. said on census that she was b. Logan Co. KY. Here is a new place that James Shaw lived, must search this Co.).

History - KY was orig. part of Augusta Co. Va before white men settled there. Later KY was part of Fincastle Co. VA. In 1776, all of KY was called Kentucky Co. VA. Lincoln Co. was formed 1780 from KY Co. VA; Logan Co formed 1792 from Lincoln Co.; Christian Co. was formed 1797 from Logan Co.; Livingston Co. formed 1798 from Christian Co.; Caldwell Co. formed 1809 from Livingston Co. (Handy Bk for Gen.). Thus, for James

Warren Co 1797

Shaw, we need to search records in Logan, Christian, Livingston Co.

Dorcas, dau. of our James Shaw stated on census record that she was born in Logan Co. KY which is the earliest Co. we have for his residence in KY. Whether our adventurous frontiersman James Shaw ever lived in KY before his presence in IL in Jan. of 1779 is unknown. If he was present in KY 1778 or before, it was then part of VA. The first permanent settlement in KY was at Harrodsburg in 1774, Boonesboro was settled in 1775 by Daniel Boone.

The following establishes our James Shaw in KENTUCKY as the counties changed - Christian, Livingston, the part which after his death became Caldwell Co. Also shows the connection of sons-in-law Samuel Black and Francis Dodds.

ca. 1793, William Shaw was in Christian Co. Ky near the area where James Shaw born 1750 settled. He owned 200 acres land in Livingston Co. Ky on Sandy Creek; 120 acres Donaldson Fork Tradewater River, the part that became Caldwell Co. The smaller tract was entered under J. Shaw. (Croom). (Was this William the brother, son or father of our James b. 1750)?

The William Shaw who died in Christian Co. KY 1814 with wf Ann was not of our direct line. Relationship not known

Hist. Christian Co. KY by William Henry Perrin, p. 43, mentions James Shaw as early settler before the Co. was formed (which would place him in LOGAN Co. before 1797). One of the daughters of our James Shaw stated on census that she was born in Logan Co. KY. Other significant names appear including SAMUEL KINKEADE. Christian Co. was once larger than at present. Prior to 1800, Christian Co. was a wilderness.

1796, our James Shaw, original settler of a new Co. Christian Co. Ky, acc. to Emily Croom. (Should this be 1797)?

1797, Christian Co. issued a writ for James Shaw to view and condemn a mill site on Big Eddy River. Also Samuel KINKEADE appointed to view nearest and best way from James Wadlington on Big Eddy etc. Kinkeade later in Livingston & Caldwell Co

- Wadl. name in Caldwell Co

On March 21, 1797, a mill site condemned by writ of ad quod damnum of the court, one on Big Eddy, by James Shaw.

1797, 19 July, James Shaw Sr. was a resident of WARREN Co. KY when he sold Lot 22 in Davidson Co. TN. See Deed Davidson Co. TN, Bk D, p 459.

1799, Our James Shaw was an original settler of the new Co. of Livingston Co. Ky, (Croom).

1803, 15 May, James Shaw died in what was then Livingston Co., his grave is the oldest one found and located in Wilds Cem. in present day Caldwell Co. KY near Crider and Princeton. His wife and some of his ch. and grch. are also in this cem.

no date, Livingston Co. KY, pg 121, James Shaw locates 200 acres add'l claim on branch of Donaldson's Fork of Tradewater, adj. Saml Duvall's NE corner, Stephen Pirkin's line and John Ead's line and corner. (James Shaw Sr. dead 1803 and James Jr. was dead by Sept. 1804, so if was of this family, this deed would be prior to 1803/4).

The following establishes Anner Shaw, (widow of James) and children and their husbands and grandchildren in Caldwell Co. Ky. 1815 Petition establishes link of James Shaw of Livingston Co., the part which became Caldwell Ky after his death as the same man that was in Kaskaskia, Ill in 1779. Also, establishes link between James Shaw of Livingston/Caldwell, Ky, the same man as previously in Nashborough/Nashville, Davidson Co. TN when TN was part of NC.

1803, Oct.3, Livingston Co. KY, Alexander Stevenson was appointed to appraise the estate of William Simpson along with David Shaw, William Laughlin, Jesse Margraves.

there was another DAVID SHAW in Liv. Co also

1806, April 7, Alexander Stevenson resided Piney Fork Livingston Co. Believe this became Critt. co. later.

1809, Caldwell Co. Court Order Alexander Stevenson was a surveyor Salina Rd beginning at fork of Donaldson Creek to Livingston Co. line.

1810 census, Caldwell Co. KY, Anna Shaw, 26-45 yrs for birth 1765-84. She had a male 10-16 yrs in hh. She is listed right next to Samuel Black and wife Keturah Shaw, son-in-law of Anner, wd of James Shaw. The age is incorrect for Anner, but it is the only Anna/Anner listed and Anner does not fit the age of anyone living with her children in this census. The age of the male fits Anner's son John.

The above is confusing because it appears that land is being first transferred to Alex. and then to Anner, yet is registered already in name of Aner. Need to track Geo. Anner's son James Shaw was dead much before 1820.

Note discrepancy of name of dau. Mary Anne Dodds in 1816 Will of Anner Shaw, and when she was called dau. Anner Dodds in 1822 deed when heirs of James Shaw selling land.    He was NOT named in his mother's will, but he signed 1819 P.O.A. in Caldwell Co. with his siblings.

1810 census Caldwell Co. KY. John seems to be the male 10-16 yrs listed with Anna Shaw 26-45 (wrong age for Anner) who was listed right next to Samuel Black and wife Keturah Shaw. This must be Anner, wd of James Shaw and mother of Keturah.

1820 census, John was possibly in Caldwell Co. but the only Shaw was listed as James 16-26 yrs, having a female of age to be his spinster sister Dorcas and a female over 45 of age to be his mother Anner. (census read as James Shaw by Kayla Michael, must recheck this). His first name and the older female were omitted in in my publ. census bk.

1830 census, cannot find John in Caldwell Co.

Odd that James and Anner had 2 ch. named Mary, but it is proven by the deeds and P.O.A. I believe the dau. who m. Dodds was usually called Anner.

Misc. VA.
The Roanoke of Colonial Days, 1740-1783 by F. B. Kegley has some interesting Shaw data. Unknown if info. connects to the Shaw family of whom we treat.

James Shaw, military service Bull pasture, at Wilson's Fort, Nov 1756- March 1757. Lt. Charles Lewis in command, sometimes called Lewis' Fort because of commander, but do not mistake with Ft. Lewis of Roanoke. This is too early to be our James Shaw, but could be related.
A William Black listed as service, 34's.
(Note that a Wilson family was connected with Shaw and allied families much later in Caldwell Co. Ky; a William Black was a Deputy Sheriff in Davidson Co. Tn 1780's, when our James Shaw was there).

1774, May 27, v. 2, p 14, James Logan, 200 acres, called Stanley's cabin which James Shaw purch. of Abram Crabtree, at a large spring in Pole (Powell) valley, foot of Clinch Mtn, where new road crosses Elk Garden 1/2 mi from fork of Holston; to include spring and improvements.

Our James Shaw Sr.'s granddau. was named Celestine Logan Black, d/o his dau. Keturah Shaw.

Note: Philip Love had 50 acres land between Craig, Logan and Blackburn. Also, 50 acres joining John Sharp's on Beaver Creek.
A much later Love marriage was connected to our Shaw and allied families in Caldwell Co. KY.

Alexander Ewing, same page, land John Newland's Patent line.

(One Alexander Ewing family was also in Nashboro, TN 1780's as was our James Shaw. Samuel Ewing owned land adjacent to our James Shaw in 1786 in Nashville. Some of the Ewings were in Logan Co. KY and Livingston Co. KY early 1800's).

1774, Dec. 19, John Hildruth/Heldreth, Mar. Lic. Fincastle Co. Va to marry Darcus (Darkis) Shaw, 21 yrs, (b. 1753), d/o William Shaw; James Shaw, Surety Feb. 9, 1775.

(All of KY was once part of Fincastle VA. We do not know where our James Shaw Sr. was in 1774, but these names

fit. Darkus was an unusual name which was carried down in the Shaw family of whom we treat. Our James Shaw Sr. would have been abt 24 or 25 yrs old in 1775. Also, a Hildrith family was later in Caldwell Co. KY, (Pewter et al).

1782, Sept. 25. James Hildrith withdraws 475 1/2 acres State Warrant. Enters 290 acres, at head of Love's Mills Creek, N.E. side of Joseph Eldridge Patent line which James Hollis sold to Daniel Chambers. Also 85 1/2 acres, E. of survey of William Shaw who lives on Love's Mill Creek of Reed's Creek; 1200 acres, survey of John Hollis in 1769, branch of Reed Creek.
(Must ck this out for more info. William Shaw).

One Hugh Shaw was in Sumner Co. TN Feb. 1810 when he sold 115 acres of Davidson Co. land on headwaters of Mansker's Creek to Andrew McCormick of Davidson Co. (deeds).

CHRISTIAN CO KENTUCKY

Hist. Christian Co. KY by Wm H. Perrin, says the first settlers came to Christian Co. abt 1782.

Page 300, lists William Shaw as one of the first settlers in Mt. Vernon Pct., no date, he from N.C. and settled on the West Fork, had a horse mill. Ch. of this William were James and William Jr, TWINS, and 4 or 5 daus. Grson George Shaw still lived at the old place when bk was written. (Tn was once part of N.C.). (Unknown if connected to Shaw family of whom we treat).

1814, Feb. 19, One William Shaw (having wife Ann), made his Will, which was filed March 1814 in Christian Co. KY. He had grown married ch. ie: son James, dau. Jane Stewart and others, sons-in-law James Stewart, James Wilkey, (all same as below).

This William Shaw was also listed in Caldwell Co. Wills, same date, probated March 1814. William Shaw, wf Ann, sons William Jr., James, Samuel, Smith; daus. Jane Stewart, Elizabeth. and several married in Christian Co. Twins James and Wm were b. Chester S.C. There was another set of twins in this generation.

(Since our JAMES SHAW SR., 1750/51-1803 moved to the part of Christian Co. 1796, that later became Livingston Co., this William could have have been a bro. or a nephew, however, I see no connection to our Shaw line, to date. (Is name McClelland significant to us? See our Shaw/Stevenson line.)

Gen. 2.

4. Joseph Shaw was prob. s/o William Shaw Sr. and brother of our James Shaw Sr. who married Anner. Joseph was over 21 yrs in 1787 when he was taxed in Davidson Co. TN, thus born before 1766. He was over 16 yrs in order to have land in 1790, so born prior to 1786.

1787, Joseph Shaw was taxed together in Davidson Co. TN with James and William Shaw, all over 21 yrs, thus all born before 1766.

Signed Alexander Crutcher. Deed of Conveyance Jan'y Term 1790 Davidson Co.

Note that a George Kincaid family was involved in Livingston Co. KY land with Anner Shaw, widow of James Shaw Sr. at a later time. This Joseph and george Kinkade needs to be researched because of the possibility of one of them being related to Anner Shaw whose surname we don't know. George Kincaid in Livingston Co. was not from the Kincaid family that were near the Rev. Samuel Black I family in Albemarle Co. VA.

The White Creek purchase seemingly links Joseph to William and William Jr. family. Was Joseph named after this Kinkade? Was his mother a Kinkade? The Kinkade name appears in conjunction with our Black and Shaw family in Albemarle Co. VA but were not related to the George and Samuel Kincaid family living in Livingston/Caldwell Co. KY 1800-1810.

MRS. OLIVE SHAW

Gen. 2.

5. Olive Shaw was probably daughter-in-law of William Shaw Sr. and sister-in-law to James and Anner Shaw since she was in Davidson Co. so early. Her maiden name may have been Shaw also, since she was listed as Olive Shaw Shaw in 1801 document. Perhaps she was an actual dau. of William Shaw Sr.

She appeared in Nashville, Davidson Co. TN and in Livingston Co. KY as does a Renfro family, which indicates that she probably belongs with our Shaw family. Whether the name Olive Shaw Shaw means 2 Shaw marriages, or a maiden name, or an error written on the land sale I cannot determine. Must try to track her in Livingston Co.

Rentfro family researchers list Joseph Rentfro Jr. (tithed in Pitts Co 1767 so born by 1751) with wife Olive living in Pittsylvania Co. VA in 1772, moved to Davidson Co. TN nr Nashville on Red River about 1779, where he was killed by Indians in June or July 1780, (verified); Had 2 known ch. John b. ca 1784-1834 d. Livingston Co. KY m. 1810 Patsy McClain and Polly b. ca 1785 who m. 1805 David Brown. If the father d. in 1780, how could they have ch. 1784/5? Olive Rentfro must have been born by 1756 or prior. The family were entitled to land in 1784 for defending the town against Indians and were granted a Patent on the Red River in 1793; Bk G. p. 187. This was north of Nashville nr Clarksville. They claim that wife Olive resided in Livingston Co KY in 1810, but they don't list her as Shaw. Chronological Index of the Renfro Family in the U.S. 1700-1850.

Since Olive Shaw, Admx of estate of Joseph Rentfro in 1793, was perhaps the wife of Joseph Rentfro who was killed in 1780, she must have married Mr. Shaw shortly after. Her Shaw husband was probably deceased by March 1783 when she was listed as Shaw in TN records. Thus, the Rentfro ch. listed above could not have been born 1784 and 1785. In this scenario she had time to have only one or two Shaw children b. 1780-1783; David Shaw may have been a son or stepson.

Notes:
David Shaw, s/o our James Sr and Anner, died after Sept. 1809 when he and his brother William borrowed money from his grandmother Fanny Waters, and before Feb. 1822 when David's death was proven by sale deed by siblings on that date. See his page, this mss.
The only way the David Shaw who left bequests in 1823 to the heirs of David Brown could be the same David, (s/o James and Anner Shaw), would be if the 1823 doc. was part of a will or estate and recorded in 1823 after his death.

Note that the Rentfro/Renfro family were connected in Nashville Davidson Co. TN with Olive Shaw to whom our James Shaw Sr. granted Lot 10 as an official of the town in the 1780's. Olive Shaw was later listed in Livingston Co. KY.

Note: Elizabeth Brown, d/o John Brown, married David S. Dodds, s/o Francis Dodds and Mary "Anner" Shaw, (d/o James and Anner Shaw). Were they related to David Brown?

JAMES SHAW JR.

Gen. 3.
6. James Jr. was s/o #2 James and Anner Shaw and grandson of William Shaw Sr. He was born ca 1769-1774, and died before 19 May 1803, Bk F, p 58-59, probate, when brothers and heirs David and William Shaw sold Lot one hundred eleven (111) in Nashville for $50 to John Overton, which they inherited from James Jr. This land had been conveyed by Commissioners to James Shaw Jr. 6 Aug 1790. David Shaw was POA for his bro. William Shaw. Registered Sep 20, 1803. Witn. Sampson Williams, Robert B. Curry.

James was perhaps the eldest son. His age is based on having been at least 16 yrs in order to obtain land in 1790 and age of his parents. No issue.

Nashville Trustees Samuel Barton, James Shaw, Thomas Molloy, Joel Rice, David Hay, granted Lot one hundred eleven (111) in Nashville, State of N.C. for 4 lbs money to James Shaw Jr. On Nov. 15, 1805 Joel Rice appeared before David Campbell, Judge of Superior Court State of TN and swore to signatures of the Trustees. On Nov. 27, 1805 appeared Howel Tatum Esq. and Bennett Searcy Esq.

before Hugh White Judge of Superior Ct and swore as to signatures of all the other Trustees, all of whom were supposed to be dead. Reg. March 18, 1806.

Sept. 3, 1804, brother William Shaw sold LOT # 14 in Davidson Co. TN which he inherited from James Shaw Jr. (Note that in 1819, Caldwell Co. KY. the heirs of James Shaw Sr. made P.O.A. in Caldwell Co. Bk C, p 143-144, to Joseph Woods to represent their right to this lot #14 in Nashville).

Loose papers 1799-1804 Livingston Co. KY Deeds (by Brenda Jerome) lists one James Shaw locates on 200 acres additional claim on branch of Donelson Fork of Tradewater River adjacent to Sam Duvall's N.E. corner, Stephen Pirkin's line and John Ead's line and corner.

DAVID SHAW

Gen. 3.
7. David Shaw was b. ca 1769-74, perhaps in Kaskaskia IL; died between 3 Sept. 1804 and 12 Feb. 1822; s/o James and Anner Shaw Sr. (Wm1). Documents show him definitely alive 3 Sept. 1804 P.O.A. and 4 April 1809 when he and his brother William borrowed money from William's mother-in-law Fanny Waters in MO. Possibly alive Feb. 1820. Definitely dead before Feb. 1822, see father's narrative).

1802, David Shaw, 400 Acres, Ohio River, Livingston Co. KY. Also, Samuel Black lived on half of this land; Francis Dodds resided nearby. Samuel Black III was not yet married to Keturah Shaw, (m. 1804), but Sam's grandmother was Catherine Shaw who may have been from the same Shaw family. Francis Dodds was also son-in-law of James Shaw b 1750. (Was this David, the bro. of James Sr.; or David, the known son of James Sr. who died bet 1804-1822)?

See bro. William's narrative. Did David reside TN at this time?

1820, 25 Feb. Livingston Co. KY Deed, one David Shaw located on 200 acres on first small creek emptying into Ohio River below mouth of Cumberland River, it being his additional claim adjacent to William Shaw. Not sure if he was same David, but seems likely with the name William listed.
There was also another David Shaw in Livingston Co. who died 1844 in Critt. Co. KY.

David d. before 12 Feb. 1822 (date that siblings were listed in a doc. selling TN land). Perhaps d. bet. 1820-22 if 25 Feb. 1820 deed of David who located adjacent to a William Shaw is this David. No issue.

WILLIAM SHAW AND POLLY WATERS

Gen. 3.

8. William Shaw, was son of #2 James Shaw Sr. and Anner, (grson of William Shaw Sr). He was b. 13 Apr 1775, perhaps Kaskaskia IL, d. 3 or 23 Apr 1826 Louisiana, (D.D. Cook).

William married 4 Sept. 1808 MO - (Kmichael Hist) to Mary/Polly Waters (Ref: Dorothy Cook's Book and her father's book. Cook's documentation unknown, but exact dates suggest bible entries). The place of birth and marriage of William Shaw is unknown. William possibly married at Cape Girardeau District where Polly's mother Fannie Davis Waters' estate was documented in Nov. 1810 or in what is now Commerce, Scott Co. MO where Polly's deceased father owned much land and was still owned by the family for many years after Waters' death. William Shaw was the 1st or 2nd child of James Sr.

July 14 (michael Hist) check dates my bible info

Mary/Polly Waters was born 1790, Newberry Co. S.C., died Nov. 1858 Caldwell Co Ky, (d/o Thos. Willoughby Waters and his second wife Francis/Fanny Davis). Polly Waters moved to S.E. MO in 1802/4 with her parents abt age 12/14, resided near present day Commerce, which is now Scott Co. MO. Her father owned most of the land that is now Commerce. Ref: Commerce MO land sales by heirs of Thomas W. Waters, Caldwell Co. KY will and other documents regarding the estate of Polly (Waters) (Shaw) Trotter. William Shaw and Polly Waters had several children. John Waters Shaw was the only son by Shaw who was alive in 1858.

> Mary/Polly (Waters) Shaw married second to Robert Trotter between 1826/9. Trotter b. 1783, died after the 1840 census and before 30 April 1846 in Kelso, Scott/Mississsippi Co. MO, at which time David Trotter was Adm. of his estate. (I have lots of documentation on Polly Waters.

Proof that Polly Waters married first to William Shaw, (s/o James Sr.), and second to Robert Trotter was found in several Commerce MO deeds when she and her two husbands were named as heirs of her father's much delayed estate settlement, as well as documents relating to her own 1858 estate in Caldwell Co. KY).

1804, Sept. 3, Livingston Co. KY Deed Bk A, p 172. William Shaw, brother of James Shaw Jr. deceased, and one of his heirs, appoints brother David Shaw to sell in his name Lot #14 in Nashville Tn which they inherited from James Shaw Jr. to convey William Shaw's interest in said lot to John Overton.

Signed William Shaw. Proved 5 Sep 1804. Test; Regin Davidge, Matthew Lodge, James H. McLaughlin. (ck these other names for poss. relatives). (David Shaw died between Sept 1809-1822). Good proof.

This explains why William Shaw did not sign the 1822 deed when his living siblings sold Lot 14. He had already signed off. ~~(Why was the same lot sold in 1822?~~ Did siblings still hold a portion after brother David died)?

1804, 3 Sept. Bk G, p 44, Davidson Co. TN, William Shaw of Livingston Co. KY states he made indenture 1803, May 19, giving Power of Att'y to David Shaw, being brother and one of the heirs of James Shaw Jr. dec'd; to convey Lot 111 in Nashville which was inherited from brother James Shaw Jr.; to sell to John Overton. At Livingston Co. KY, the above was proved by oath of Davige, Lodge and McLaughlin, admitted and recorded 3 Sept 1804. Registered 1806, June 10. Cannot read bottom of document. This is a lovely document having Samuel Black signing.
Proves: Sam Black/Keturah Shaw connection; Livingston KY and Davidson TN connection; William, James Jr. and David Shaw as brothers without doubt.
On left of doc. it says 320 acres South Harpth which appears to belong to above, but perhaps belongs to following deed. There was a Harputh family in Caldwell Co. KY.

1804, Oct. 3, Livingston Co. KY, William Shaw removed 200 acres pd #562?

See my Waters/Trotter mss for lots more on this family. SHOULD COPY TO THIS MSS.

William Shaw's wife Polly/Mary Waters married second to Robert Trotter ca 1827/8 prob. in MO. Trotter was born 1783 Augusta Co. Va, died between mid 1840 and early 1846, probably at Kelso, Scott Co. MO or Mississippi Co. which was formed 1845 from Scott Co. Polly Waters died 1 Nov. 1858, 4 days after making her will in Caldwell Co. Ky. She mentioned her daughter Maria (Trotter) Black; Her son-in-law David Lowery Black was her executor. Polly Waters' first husband William Shaw was an Uncle of David Lowery Black who married Polly's daughter Maria Trotter. Black's mother was Keturah Shaw Black, sister of William Shaw. Thus, William Shaw's children were full blood first cousins to David Lowery Black as well as being half siblings to his wife Maria Trotter.

Robert Trotter's land claim in Spanish Missouri was granted in 1811 on Bayou St. Thomas water course, New Madrid District Commissioner's certif. #622. Robert was

in Scott Co. Mo in 1830 and 1840 census. He had 17 young people in household. There were only 29 families there in 1830, consisting of 241 people. Robert was the son of David Trotter, who was murdered and scalped 28 January 1802 by Indians in Grande Prairie, New Madrid District, Upper Louisiana, which did not become part of the U.S. until 1803, the time of the Louisiana Purchase.

1809, 4 April, William Shaw and his brother David borrowed $520 from William's new mother-in-law Fanny Waters who lived in Cape Girardeau District MO. Fanny died in May 1810. Perhaps the two brothers were planning to start a business possibly in Louisiana. The estate of Fanny's husband Thos. W. Waters was still being settled in 1830, having been delayed by the earthquake and the changing jurisdiction of MO land.

Need to find William Shaw, buying and sell deeds in Livingston Co. KY, but he didn't stay long, went on to MO and LA.

My packet is in the mail now. May take up to 5 days because sending bk rate. I have not yet rec'd ur packet.

I included James and Anner's narrative and the narrative of all their ch. I mentioned the 2 Trotter ch. of Polly Waters who would not have Shaw blood, but there is Shaw bld in the line of the descendants of both Mariah Eliz. Trotter and her bro. Chas. Trotter which I didn't mention in my narrative on pp. of Wm Shaw and Polly Waters. They would be continued in the Shaw mss.

Please add this and tuck this into the proper place in line of Wm Shaw and Polly Waters, where it mentions Chas. Lucas Trotter and his sister Mariah Trotter. (prob. abt p. 49).

Chas. trotter wf Martha Jane Dodds was grd/of Mary Anner Shaw and Francis Dodds and their desc. are continued in the Shaw mss. Martha was also sister of David Miers Dodds who m1 Rachael Rosena Brantley, divorced her and m2 his cousin Jennie Brelsford, my grmother. David M. Dodds had 2 sons by Brantley who share Shaw blood. They were Wm Albert 14 April 1871 and Singleton Edgar 9 March 1877. Both moved to Wyoming. I have nfi on them, but they should be included in Shaw mss. blood line.

The orphans of Chas. Trotter and Martha Dodds were raised in Gonzales Co. TX by their Uncle Francis Marion W. Dodds and his wf Celestine Brelsford. Frank and Celestine had no issue of their own. Frank owned or managed a hotel in TX. The son of Chas. Trotter and Martha Dodds moved west to the Montana/Dakota area. Not looking it up just now.

David Miers Dodds moved to TX to be nr his brother Frank after his divorce and that is where he m. his cousin Jennie Brelsford. No issue by Jennie, but Jennie also had Shaw blood thru her grm. Keturah Shaw. Jennie's desc. thru her 2nd husb. David A. Black continued in Shaw mss.

Same p abt 49 where it mentions Maria Trotter. Her desc. have Shaw blood thru her husband David L. Black's mother Keturah Shaw.

So u see how convoluted and related these Caldwell Co KY people were. This is only a sample.

KETURAH SHAW AND SAMUEL BLACK III

Gen. 3.
9. Keturah was d/o #2 James and Anner Shaw, grdau of Wm Shaw Sr. She was b. 13 Nov. 1779, Kaskaskia, IL, which is now in Randolph Co., d. 12 Aug. 1852, 72nd yr GS, Caldwell Co. Ky, (1850 census and GS). Both were bur. Wilds cem. near Crider, Caldwell Co. Keturah's parents James and Anna Shaw were buried Wilds Cem. James is the earliest gravestone that is still intact in this cemetery.

(Our Ancestral Plots by Kyle, Wilds Cem., lists Samuel Oct. 11, 1779-Oct. 9, 1859, incorrectly. Keturah, Nov. 13, 1779-Aug. 19, 1859, 79th yr, incorrectly. Book has errors mixing 2 with 9, since the number 2 on the gravestone looks very much like a nine. I viewed this stone Sept. 1991. Caldwell Co. Ky VR lists her death as Mary Black, d. Aug. 12, 1852, age 72, born IL, died from cold chills, par. James and Anner Shaw. I believe this is Keturah, her death date coinciding with gravestone. She may have been Mary Keturah or Keturah Mary. It was common for people in the family to be called by their middle names.

Keturah was a frontier child in Nashville, TN, lived in a fort. (birthplace 1850 census).

Keturah Shaw married 12 March 1804, Livingston Co. Ky, Sam Black III, b. 11 Oct. 1772, Albermarle Co. Va, d. Pneumonia, 26 Oct. 1852, 81st yr GS Caldwell Co. Ky, s/o Sam II (Rev. Saml) and Mary Black. Marriage Bond - William Shaw and Samuel Black bound on 12 March 1804, Livingston Co. Ky, recorded prob. at Centerville, which was then the Co. seat. Record is now at Smithland, the present County Seat for Livingston Co. KY, (p. 141, 1799-1808).

William Shaw was her brother who married later Mary/Polly Waters, mother of Mariah Elizabeth Trotter who married David Lowery Black, s/o Sam and Keturah. Sam's middle initial may have been B.

7 March 1803 Livingston Co. Court order Bk A. Courthouse at Eddyville. Samuel Black 400 acres land, #561.Note that Keturah's brother William Shaw had # 562 and her brother James had # 558 for 220 acres.

8 March 1803 Livingston Co. KY, Court Order Bk A, Keturah Shaw #589 for 200 acres land. (Her father d. 6 wks later. Keturah m.arried Samuel Black a yr later).

No date, Livingston Co. Deed Abstracts by Jerome, loose papers, p 122, James Lyon claims 400 acres on Eddy Creek on rd leading from Eddyville to Eddy Grove, adj. KETURAH SHAW'S 200 acres, (Keturah, was d/o James Sr. 1750-1803).

Samuel appeared in Livingston Co. Ky in 1802, renting land from David Shaw, prob. his cousin and bro. of his future wife, (Croom, reck dates).

Smithland, Livingston Co. Ky has a printed book 1799-1804.
Index of Order Bk A, which lists Sam Black p 204, (L/C). Need code for L/C. (Code, Lvingston Co)?
Index of Order Bk C 1807-1809 lists Samuel Black, p 81, 91, a mill site.

no date, Loose Papers 1799-1804, Livingston Co. Deeds by Brenda Jerome, p 121, Samuel Black locates 400 acres on Popular Creek, a west branch of, supposed to be Long Creek that empties into Cumberland River.
p 122, James Lyon claims 400 acres Eddy Creek on the road leading from Eddyville to Eddy Grove, adjacent KETURAH SHAW'S 200 acre survey. This must have been 1804 or prior since Keturah married that year to Sam Black. Perhaps this was her dower land from her father.

1801/2 Samuel Black on Livingston Co. KY Tax Lists, resided East side Livingston Creek. This land became Caldwell Co. in 1809.

1804 Samuel Black bought 200 acres Donelson's Fork of Tradewater River. This was the part of Livingston Co. that changed to Caldwell 1809. Probably for a new homestead as a married man.

1806, 5 Feb. Plat Bk 1 1809-1828, p. 118, certificate 665 granted by Livingston Co. Court, found at Princeton Courthouse. Surveyed for Samuel Black, assignee of James Black, 370 acres Caldwell Co. Donaldson Fork of Tradewater River bounded E. side of Rocky branch, by William Morse line to East side of Donaldson fork to James Morse to Kennedy's run to Samuel Black in Samuel Kinkade's line to S. side Donaldson Fork etc. Recorded 24 Nov. 1818. (Note that Caldwell Co. was formed from Livingston Co. abt 1809, thus deeds may have had to be rerecorded in the new county. Drawing of Plat is odd shaped with a couple of cut out areas.

1815, 1 March, Caldwell Co. KY, Bk B, p. 81-82. Anner Shaw, consort of James Shaw dec'd; Francis Dodds, Matthew Stephenson; Dorcas Shaw; John Shaw; all heirs of James Shaw, deceased of Caldwell Co. KY, appoint Samuel Black, joint heir with us, of Caldwell Co., atty in fact in our behalf for land claims which James Shaw was entitled to for services rendered and otherwise entitled to at Kaskaskia, Illinois Territory in 1799. Signed by all and Dorcas was called Dorcas May, not Dorcas Shaw in this document. Francis Dodds, witn. (Could it be possible that Dorcas was married and later divorced)?

I do not understand why the date of Shaw's service at Kaskaskia was dated 1799. He served during the Revolutionary War there. Perhaps, a law was passed in 1799 permitting land for previously uncompensated service. Illinois was part of the northwest territory. It became a State in 1818.

1815, Caldwell Co. Ky, Samuel Black was an appraiser for the inventory of the estate of Joseph Miller. Other appraisers were James Morse, Sam Smith (Early Ky Wills and Inv. by J. Estelle Stewart King, p. 30, found Vero Bch Lib.).

Sam Kincade was probably kin since Joseph Kinkead was a witness to the will of Sam Black's grandfather Rev. Samuel Black. See also George Kincaid and Hugh Kincaid land connection in Livingston and Caldwell Co. to Anner Shaw, wd of James Shaw). Was Morse family related?

Miller (H is clear). Rec. 17 Jany 1831. N.S. Dollam, clerk. (Note Miller's wf was mary Kath. J.H.).

1830, July 22, S.B. Black was an organizing member of a Colonization Society to promote the colonization of free colored people on the coast of Africa. (Hist. Caldwell Co KY by Baker, p 145). The index also lists Samuel Black on this page, but only S.B. Black is listed on the stated page. If

this was our Sam, we now have a middle initial for him. I have not found any other S. Black in Caldwell Co. that time frame. (Was his mother;s maiden name Black as some have said)?

1830, Nov. 22, Samuel Black, Land Warrant 40 acres Donaldson's Fork (or Creek?). Bk Z, p 45. Vol. 6.
1832 Sam Black had a grist mill on Donaldson at Black Spring Branch (Hist. Caldwell Co. by Clauscine R. Baker, p. 162).

1839 Aug. 19, Caldwell Co. Order Bk F: County devised Common School Districts, one of which was #12, Cash District, beginning at mouth of Samuel Black's spring branch on Donaldson's Fork; running S.20W. passing between Black's house and horse mill to Eddyville Rd, thence to John Hayden's house; thence to Grigg's old place on the knob; thence to the range line at George Robinson's old house; thence N.20E. to corner of #11 near Mrs. Smith's; thence to Mrs. Nancy Maxwell's, Elihu Calvert's, the crossing on ford near Naomi Stone's, thence down Donaldson's Fork to the beginning.

The abovementioned Eddyville Rd ran alongside the Wilds Cem. The old sunken roadbed can presently be followed for some distance, (Sheridan).

Ky Geny and Biog. states that Sam Black came to Ky about 1800 and patented 160 acres where L. Adamson later resided, and remained there til his death, age 83. (Believe this was John Lindsley Adamson).

The Bethlehem Cumberland Presbyterian Church is located six miles northwest of Princeton and one mile north of Crider, on the Ohio Valley Division of the Illinois Central RR in Caldwell Co. Ky. The first preaching for this church began in 1810 at the Elkhorn Tavern. In October 1814, the church was organized by Rev. John Barnett, who preached there for 22 years. It was the Anderson Presbytery. A log church was built 1816 and completed 1820. In 1846, this ch. was torn down and a brick bldg erected. This bldg was demolished by a strong windstorm in 1877 and replaced the same yr by another bldg. Sam and Keturah d. 1852, after the brick ch. was built. Their ch. lived to witness the destruction of this church.

Sam Black and his wife Keturah were two of 17 charter members of the congregation which number included the pastor and his wife. Sam was ordained as a Ruling Elder at this time, thus was active in the organization of the church. Sam and wife Keturah were listed as members at the 1814 organization. Three Kinkaid ladies, Mary Ann, Phebe and Elizabeth, were also charter members. (Note that in 1770 in Virginia, Joseph

Kinkead signed as witness to the will of Rev. Sam Black I, our Sam's grandfather). Soon after, Francis Dodds, Clara Dodds, Anna Dodds, Jane Dodds, Elizabeth Dodds, Alexander Adamson, Dorcas Shaw, Isabella Adamson were amongt those who joined the church. People with these names intermarried into the Black, Shaw and Brelsford families.

In 1816, a log church was erected, not being completed until 1820. In 1846, the log church was replaced by a neat brick church. This church was completely demolished by a cyclone April 18, 1877. Rev. Love kept the church records at his residence which burned in the 1860's. The church records from 1814 to 1864 were destroyed in this fire. (Add other ch rec from newspaper).

In 1860, the church set apart land for burial purposes and was a central cemetery for the congregation.

1863, 6 Nov. Caldwell Co. Bk U, p. 250, John Black of Crittenden Co. sold 75 acres land in Caldwell Co. on Donaldson Fork of Tradewater River for $400 to Thomas J. Wilds of Caldwell Co. Adamson corner etc to S.B. Brelsford line etc. Recorded same day. Signed John and Mgt. Jane Black.

Note that in 1813, Alex'r Stevenson app't Hugh Stevenson to transfer plat and certif. to Aner Shaw, 200 acres of George Kinkead's Christian Co. KY land and another 200 acres of Geo. Kinkead's Livington Co. KY land. Thus, George Kinkead seems intimately connected to Shaw or Black or both. Some of George Kinkead's Livingston Co. land later became Caldwell Co.

Centerville, near Fredonia, was the first Co. seat for Livingston Co. It is just a highway marker now. The Army had large supplies of munitions there for the troops who accompanied the Indians on the "Trail of Tears" in __ yr. The Co. seat was moved to Salem, near Marion, before being moved to Smithland. Were the Centerville records moved to Smithland?

The maiden name of Sam III's mother Mary, and that of Keturah's mother Anner is not known. Since Sam III named ch. with the middle name of Logan and Wilson, they are clues to these maiden names. (James Wilson of Caldwell Co. was b. Scotland, not related).

Dorcas Amelia Shaw, was d/o William Shaw and Mary Waters who m2 Robert Trotter. William was brother of Keturah. Dorcas, prob. niece of Keturah Shaw Black, m. 1838, Francis Wilson Dodds, s/o Francis Dodds and Mary Ann Shaw. Francis m2. Mrs. Charity Guess. Mary Ann was sister of Keturah.

FHL lists William Erwin Black of Azhurst Arizona as a descendant of Samuel and Keturah Black. Desc. Catherine A.C. Porter was the Mormon desc. of William E. Black. She resided 544 E. 2nd Ave. Mesa, Ariz. in 1930's. I do not know how these people descend. The only sons of Sam Black III were James Shaw, David Lowery and John Thomas who had any desc. He does not seem to desc. down the line of David Lowery or John Thomas Black.

Add info. abt will of Samuel Black in another nearby KY county, earlier than when our Sam died.

Notes:
One Samuel Black in S.C. and Mo records:
1. A Samuel Black was a witness to Administration of the estate of Mary Tate Davis in Newberry Co. S.C. in 1795. Mary was mother of Fanny Davis that m. Thos. W. Waters. James Black was a witness to her 1791 will. Our Samuel III had a bro. James. Mary Tate Davis was grandmother of Maria Eliz. Trotter who married David Lowery Black, s/o Sam III and Keturah. To date, I have not found what connection our Black family might have had to the Davis family in the 1790's in SC. The Davis family were in Va before S.C.
2. 1796, Dec. One Sam Black was in the New Madrid area of Missouri having no property. This was when it was a Territory of France and called Upper Louisiana. Ramsay surname there early, too.
3. A Samuel Black claimed land on the Mississippi River, New Madrid District. This land was granted in 1811 to Samuel Black or his legal Representatives. This was the area where the Waters and Trotter families resided.

Thos. W. Waters, father of Polly Waters Shaw Trotter resided 1802, probably where Commerce, Scott Co. Missouri now stands, near New Madrid.
New Madrid is less than 100 miles from Crider area of Ky where Samuel Black III settled. William Shaw, prob. s/o James Sr., and William's wife Polly Waters, mother of Maria Trotter, appear in a deed with the heirs of Thomas W. Waters in 1826/7 in Scott Co. Mo. Mary Tate Davis, of the 1795 estate listed above, was the mother of Polly Waters. Samuel Black III and William Shaw became brothers-in-law in 1804, and also were perhaps cousins through Samuel's grandmother Catherine Shaw.

Mary Anner's niece Dorcas Amelia Shaw (d/o William Shaw) had married Mary Anner's son Francis Wilson Dodds.

Mary Anner's son David S. Dodds and his wife were deceased 1850 and 1851. Their orphaned son David Miers Dodds, 11 yrs old, was living in the same household with them in 1860. He was listed last after the elderly Mary Ann Dodds which shows that he was not a son of F.W.
Francis Wilson Dodds was his Uncle and Mary Ann Dodds was his grandmother.

She lived next to James Shaw 16-26 who had females 26-45 and female over 45 yrs in hh. This may have been an error for Mary's brother John, her sister Dorcas and her mother Anner Shaw. My publ. census bk publ by Hopkins Co. Genealogical Soc'y doesn't give Shaw's first name and omits the older woman. K. Michael read it as James Shaw.
Next neighbor was her sister Mary Anner Dodds and husb. Francis Dodds. Next to him were the three hh of Alex'r, William and Hugh Orr.

JOHN WATERS SHAW AND MARY STEWART PHILLIPS

12. John Waters Shaw was born 28 Sept. 1815 according to Dorothy Dean Cook. He was s/o William Shaw (James2, William Sr.1) and Polly Waters. John was born circa 1817 in Louisiana acc. to 1850 census, age 33. He was alive Jany 1864, deed, died by Dec. 1867, (estate). Said to have died near the close of the Civil War about 1865, near Columbus, Ohio, in Union prison, Civil War, (Dorothy Dean). Confederate, died as war prisoner at Camp Chase according to Confederate Veteran, V.25:467, Oct. 1917 #10 which was an article about his son William D. Shaw, (also a confederate), who was also imprisoned at Camp Chase. This article does not mention William's father by name. (Subm. by Rich. Sheridan). That John died at Camp Chase would be primary evidence.

1837, Dec. 18, Caldwell Co. Ky Order Book F, p 12. John W. Shaw was appointed Guardian for Dorcas E. Shaw, Evelina T. Shaw, over 14 yrs and Washington L. Shaw infant heirs of William Shaw, deceased. Samuel Black was his Surety in this document. (Note that the middle initials of Dorcas A. and Evelina K. vary here from other documents). Father William Shaw was said to have d. 1826 in LA. 1837 was probably about the time the Shaw children went to Caldwell Co., leaving bed and board of their step-father Robert Trotter.

Dorothy Dean Cook, (age 93 in Aug. 1992) took notes from a handwritten notebook at Smithland, Livingston Co. Courthouse which narrated that John Waters Shaw joined the Confederate Army during the Civil War. Family lore says that his family never heard from him again. He was taken prisoner, kept near Columbus, Ohio and buried at Camp Chase, Ohio.

Polly Waters Shaw Trotter mentioned her son John W. Shaw as her first heir in her 1858 will.

John W. Shaw married circa 1840/42, Mary/"Polly" Stewart Phillips, b. 20 Nov. 1813, Critt. Co. KY, d. 11 June 1855, age 42, Caldwell records. Remarks Dr. Johnson next to her name in Caldwell V.R., (FHC Reel #216819).

Polly was widow of Matthew McClelland Stevenson, (b. 1804 or 1810/20, d. between ~~15 Aug.~~ 25 aug 1838 1838 deed with wf and 23 March 1839 deed naming heirs.
Polly was d/o John Phillips, and 2nd wife Jane Morrow.

Matthew McClelland Stevenson was s/o Matthew Stevenson Sr. who d. 1815 and wf Mary Shaw who was d/o James and Anner Shaw. Will Bk 4, p. 56, Caldwell Co. KY. John Philips, b. 26 March 1767, d. 5 Dec. 1835 was s/o Robert Phillips who married Jane Edgar. John married first 1790 to Mary Stewart, d/o Capt Mathew Stewart of N.C. He married second Jane Morrow, widow of Robert Black, 8 Feb. 1809. If these dates are correct, Polly Phillips, b. 1813, was d/o 2nd wf, yet she carried the maiden name of her father's first wf.

(Reck my Caldwell deeds where M. Clalland Stevenson was heir of Matt. Stev.).

Jane Morrow was widow of Robert Black, (who had bro. Daniel Black, of Pendleton Dist. S.C. and Critt. Co. Ky who mar. Jane's sister, Ann Morrow). Robert Black was not related to Samuel Black line.

Polly Stewart Phillips was sister of Maxwell Pope Phillips who died 1880, Crittenden Co., who married first, Dorcas Black, d/o Samuel Black III and Keturah Shaw. Max m. second, Evelina Keturah Shaw, d/o William Shaw and Mary/Polly Waters who m2 Robert Trotter. Bro. and sister Phillips m. bro. and sister Shaw.

A Matthew Stevenson, Caldwell Co. Ky 1840 census, 2 males 20-30, 2 fem. 15-20, 2 fem. 20-30 yrs. Lived next to Thos. K. or R. Stevenson and neighbors Hilliard, Ray, Haile, Asher etc.

1869 Deed Index at Princeton KY Ct house Deed Bk X, p. 215, John W. Shaw, deceased, was grantor to William D. Shaw. Deed mentions that William D. Shaw obtained the land in 1867, which shows that his father John Waters Shaw was deceased by that time.

John's Confederate soldier service was probably in 1864-65 because he was listed in Caldwell Co. 1860 census and in deeds Dec. 1863 and Jany 1864.

John W. Shaw of Caldwell Co. KY is on a List of Confedeate Cavalry, officially known as 16th KY Cavalry, Co. A, of 13th KY Cavalry, a.k.a. Sypert's Cavalry. Says that John was captured January 15, 1865 at Marshall Co. AL with many others, and sent to Camp Chase Ohio.

Family tradition says that he died and was buried at Camp Chase, but veteran's grave registration lists him as dying in 1867 and buried in Caldwell Co.

W.P.A. cemetery survey listed James Shaw, buried Wilds Cem.

born 1812, d. 15 March 1867, no stone there today. Did the W.P.A. surveyors list the name wrong. Perhaps this was John Waters Shaw. Date of birth not exact.

Census and land transfer of children of John W. Shaw, who initiated court action against their Guardian William P. Black (who was s/o James Shaw Black and grandson of Samuel Black and Keturah Shaw) prove time of death of John W. Shaw as well as the number of his children.

Mary/Polly Stewart joined Bethany Presb. Church on Crooked Creek, Feb. 20, 1834, (Dorothy Dean Cook). This church was listed in Critt. Co. KY, Hist. and Families under Piney Fork Cumberland Presb. Church.

Caldwell Co. Bk U, p. 258, John Waters Shaw sold 125 acres of Caldwell Co. land on Donaldson Fork of Tradewater Riv. to Pleasant Neal of Livingston Co. for $1000. Bounded Hayden line, Robison, Edmund Fralick. Land orig. conveyed to Shaw by James C. Holmes and wf 1857, Sept. 6. recorded in Bk T, p. 186.

Benj. Young, Crittenden Co. clerk certified that Swanner and Phillips' parties acknowledged that above deed was their voluntary act on 23 Jany 1864. I assume these two families resided in Crittenden co. or near the county line.

Since those named above were all the heirs of Mary Waters Shaw Trotter, the land most likely belonged to her estate. Also, the slave agreement was signed this same day in Bk V, p 62-64. Did Mary Trotter purch. from Miller and Phillips? Look for land purch. abt 1852 when Polly Trotter first joined Church in Caldwell Co.

Was William D. Shaw named after William D. Miller who married Mary Katherine Black, d/o Samuel Black III and Keturah Shaw? More and more evidence supports John W Shaw's father William, as being bro. of Keturah Shaw Black as stated by Dorothy Dean Cook.

1864, 23 Jany, Deed of conveyance in Critt. Co. KY from E.G. Swanner and wf Maria C.; M.P. Phillips and wf Evelina K; to Seth G. Wigginton ackn. to be voluntary act.

1865, 15 January, John W. Shaw of Caldwell Co. KY, of the Confederate Co. A, 13th KY Calvary, also called Sypert's Calvary, was captured at Marshall Co. AL and sent to Camp Chase Ohio.

The following indicates that John W. Shaw held 236 acres of land. Was most of it from his parents? Index at Caldwell Co Courthouse states the following transaction regarding heirs of John W. Shaw dec'd, but the actual entry doesn't mention him.

1869, May 13, Caldwell Deeds Bk X, p 215, 13 May 1869, taxes and fees pd - land that J.N. Turner, Master Commissioner Chancery Ct, sold to William D. Shaw Nov 1867, Equity, William D. There must have been 3 or 4 Matt Stevensons.
1. Matthew (d. 1815) had wf Mary Shaw, d/o James and Anner Shaw.

2. His son Matthew Mc Clalland Stevenson was b. ca 1810/15 (calc. by deathdate of father and 1840 census), who d. 1838/9 married Polly Stewart Phillips who died 1855. Polly m2 John Waters Shaw.
1840 Caldwell Census prob. the Matthew 20/30 yrs old with 2 females 15-20,2 females 20-30 and another male in household 20-30; living near Thos. K. Stevenson, 20/30, perhaps a brother. This suggests that 2 young families lived together.

3. another James "Matthew" Stevenson, b. S.C. ca 1771/8, d. 1838, Galcona, IL, (Ref. McCLure, who also has Clement line). He m. Caldwell Co. 1818 to Delilah Freeman, b. 1796 N.C.-1893, Mt. Vernon, IL.

4. Heirs of another Matthew Stevenson in 1869 Caldwell deeds were David S., Susan D., William J., Eliz. C., J.W. Stevenson. Also, Livingston L. and Polly A. Harper, Harriet A. Gen. 4.

FRANCES ANN SHAW AND JAMES LUCAS JR.

13. Francis Ann Shaw was born 12 Apr 1818 d. 19 Nov 1837, Iron Banks, Scott Co. MO, (Cook). She was d/o #7 William Shaw (James2, William Sr.1) and Polly Waters. (Polly Waters was d/o Thos. W.4, (___3, Philemon2,1. See my Waters mss.). Dorothy Dean Cook claims that Frances died during an epidemic, 4 days after the stillbirth of a 2nd child.

Frances Ann Shaw married James Lucas, 5 Sep 1833, (Cook). World family Tree lists him as James Lucas Jr. b. 24 Feb. 1810, d. 29 Jany 1866; mx4. He married first to an unknown wife and had dau. Maria Catherine by her, m2 unknown Dalton and had 3 ch. by her, m3 Eliza A. Myrich 1848 and had one child by her, m4 Emaline Swanner b. ca 1830 (m. 31 Jan 1850 acc. to Mississippi Co. MO records). Emaline was related to Enoch Gray Swanner who m. Maria Catherine d/o Frances Shaw and James Lucas.

Robert Trotter of Scott Co. MO, (2nd husb. of Frances' mother, Polly Waters) was Adm. for the estate of an earlier James Lucas in Scott Co. Mo. Robert's sister Mary/Polly Trotter b. ca 1790 Fayette Co. KY (d/o David Trotter Sr. and Marie Givens of New Madrid Dist. known as Upper Louisiana before 1803 that is now in the State of MO) married the earlier James Lucas, who may have been parents of James Lucas Jr. who m. Frances Ann Shaw.

If so, all the children of James Lucas Jr. were cousins to all the children of Robert Trotter by all his wives and all the ch. of Mariah Catherine Lucas Swanner were Shaw cousins of all of the children of James and Anner Shaw. This makes the Swanner children double cousins to J. Humphrey, author of this mss.

I do not find the name Lucas in census of Caldwell Co. Ky from 1810-1840.

1850 census MO, p. 470, (prob. Scott or Miss. CO. read by Al Swonger):
James Lucas 39 yrs b. MO, farmer, Emaline 20 b. TN, M.C. Lucas female 17 yrs b. MO (ca 1833), Mary A. 10 yrs b. MO, S.A. female 8 yrs, Leona 5 yrs, M.E. female 2 yrs, E.G. Swaner 22 b. TN (ca 1828), laborer.

Listed 2 houses away was Joseph C. Swaner 22 yrs b. KY living with the W.A. Ramsey family, Ramsey was 37 yrs b. MO.

Surely M.E. Lucas on this 1850 census was Mariah Catherine d/o the deceased Frances Ann Shaw Lucas, and E.G. Swaner her future husband.

Emaline Swanner married 31 Jany 1850 Mississippi Co. MO as 4th wife of James Lucas Jr. Emaline was 20 yrs old in 1850 for birth 1830 with her husb. being 39 yrs old. She was likely sister of Enoch G. Swanner who became stepmother and sister-in-law of Mariah Catherine Lucas. Note the Lucas connection as found in the Trotter family.

DAVID LOWERY BLACK AND MARIA ELIZABETH TROTTER

Gen. 4.

#20. David "Lowery" Black was s/o #9 Keturah Shaw (James2, William Sr.1) and Samuel Black III. He was born Oct. 3, 1816, Caldwell Co. Ky. Caldwell Co. Rec. LDS reel), d. Feb. 23, 1899, 82 yrs, 4 mo, 20 days at Aransas Pass, San Patricio, Tx, (Bethlehem. Presb. Church rec. written by James Shaw Black; Mary Black Hansard, grdau. gives place, also).

David Lowery Black's burial place is not known to me. Goliad, Tx is a possibility. David L. Black resided with his son Charles Thomas Black in his last years. Charles T. was found on census in San Patricio Co. Tx in 1900 and belonged to the A.F. and A.M. Lodge of Goliad, Tx. Did his father also belong? David L. Black's son David A. Black was living in Fredonia, Caldwell Co. Ky in 1899 and 1900.

David Lowery Black married Nov. 24/27, 1845, Caldwell Co. Ky to Maria Elizabeth Trotter, by F. C. Usher, (Ref: Fowler, Caldwell Rec. Bk 2, p. 64, return 27th). Usher was a teacher at Cumberland Presb. College, Caldwell Co.

Maria was born Missouri (census), 31 Oct. 1829, (gs) in Scott Co. She married at age 16, resided and died Caldwell Co. KY, Dec. 8, 1861, age 32, consumption, another word for Tb, (Caldwell VR). She was buried in Wilds Cem. near Crider Caldwell Co. Ky. Maria was d/o Robert Trotter and his 2nd or 3rd wife Polly/Mary Waters as given in the Caldwell VR, FHC Reel 216819, handwritten record. Mother Polly/Mary Waters was widow of William Shaw (s/o James and Anner Shaw) when she m. Trotter).

When Maria was born in MO, there were only 29 families in Scott Co. MO became a State in 1821. She died 4 wks after giving birth to son David A. Black.

David L. possibly m2. ____ Mann (letter to Georgia Black Baker from cousin Mary Black Hansard). I didnt find a wife for him on 1870 KY or 1880 TX census.

David L. Black joined the Bethlehem Cumberland Presb. Church near Crider, Ky about 1830, (ch. rec), his father Samuel having joined in 1814. He was born about the time the log church was built in 1816 which was still being used when he joined in 1830. In 1846, the log church was torn down and a brick church was built. David L. Black resided in Fredonia KY in 1870, but belonged to the old Bethlehem Presb. church near Princeton/Crider in Apr. 1877, when it was demolished by a strong windstorm. Rebuilding of the church began Aug. 1877. David L. moved to Tx about 1878, when he transferred out of the church.

1850, Aug. 12, Caldwell, KY, Dist. #1, David L. Black, 33 yrs, b. Caldwell Co. Ky, Farmer, $600 real Estate, Maria E., 21 yrs, b. Missouri, Mary J. 3 yrs, b. Caldwell, Samuel R.. 1 yr, James W. __ months, Chas. L. Trotter, 20, laborer, (bro. of Maria, J.H.).

bef. 1852, David L. Black from Samuel Black, Bk N, p 32.

1853, 26 Aug., Bk S, p 190-192, Caldwell Co. KY. David L. and brother John T. Black bought 3 parcels of land of father Samuel Black III's estate from their siblings Hiram and Celestina Brelsford, William D. and Mary Miller and their Uncle James S. Black for $933.33 1/3. 200 acres, 50 acres and 50 more acres, totalling 300 acres. This land adjoined George Kinkead, Mary Lacey, William Rhea. (See p. on Samuel Black and Hiram Brelsford in my Black mss for descrip.).

1856, 29 Dec., above deed Recorded. In 1863, Jane, wife of James Black relinquishes right of dower in Bk U, p. 249. (This was James Shaw Black. Her maiden name was Jane Dodds Peden).

1856, 21 April, Deed, Bk T, p 140-141, Caldwell Co. Ky, David L. Black and wf Maria E. Black, sold to Nathaniel Martin, both parties of Caldwell Co. for $250, 152 acres of land Donaldson's Fork of Tradewater River, bounded on Brelsford's corner etc. to John P. and Naomi Stone's etc., to Toshes Corners etc. Property had appurtenances. Filed 15 Sep 1858, rec. on 18th. Signed by Clark/Clerk Weller 7 July 1859.

Black and George Kinkead's survey and line and tree boundaries to Brelsford and said

Black's 50 acres survey and line to Black's 50 acre survey in a line with Black's 200 ACRE SURVEY TO BEG. Rec. same day by Weller, Clerk.
Executed and delivered Feb. 1859.
Dorcas Phillips b. 1835, was grdau. of Sam Black III. She was 21 yrs of age in this transaction. This may have been land of Samuel Black III that Dorcas M. Phillips inherited by right of her deceased mother Dorcas Patrick Black Phillips.

David L. Black must have been considered to be a responsible person in 1858, as evidenced by his being named executor of his mother-in-law's estate, although her own sons Charles L. Trotter and John Waters Shaw were alive. He must have had a strong physical constitution to survive Tb of his wife and some of his ch. and live to a ripe old age.

1858, Nov. 30, personal property of Mary/Polly Trotter was sold at the home of her son in law David L. Black. David purchased the following items at the sale:

1 picture frame	.50
1 lounge and furniture	$ 7.75

1858, 25 March, Caldwell Co. KY, Bk S, p 553-554, (brother) John T. Black sold to David L. Black, both of Caldwell Co. for $300 land on Donaldson Fork. of Tradewater river, part of 200 acre survey and Patent of Isaac Bullard assignee of Elijah Baldwin, which part hereby conveyed contains 42 1/2 acres; also another parcel of 7 1/4 acres, part of a survey of 18 acres patented to John T. 1858, 25 March, Bk S. p 552-553, Caldwell Co. KY, David L. Black sold for $300 to (his brother) John T. Black, both of Caldwell Co., 86 acres on Donaldson Fork of Tradewater River land in Caldwell co., part of 200 acre survey patented to Isaac Bullard, assignee of Elisha Baldwin, bounded by stones and a stake in road etc. from Princeton to Flynn's old ferry etc. with appurtenances.
1858, 17 May, acknowledged by Black to clerk James C. Weller and recorded.

1858, Aug. residence was near Pleasant Hill when daughter Keturah was born.

1858, Oct. 28, Caldwell Co. Ky will of Mary/Polly Trotter: Maria Trotter Black to have the negro woman Ellen, and Ellen's child Thomas Alpheus; also a negro girl named Belle.

Maria must have been ill for at least a year (1860-61) since progression of Tb to the terminal stage would take some time. The Shaw and Trotter children of Mary/Polly Trotter had a lawsuit over these and her other slaves. The outcome was that about 1861, the apportionment was changed, (add final outcome). Note how close this was to the time of the freeing of slaves during the Civil War.

1859, David L. Black was Guardian for Charles L. Trotter, his brother in law. Strange because Chas. was b. 1831. Perhaps, this was for a land transaction, only, relating to the estate of Polly Trotter. This was listed in 1859 business, (was it orig. 1851/7, recheck). Oct. 28, 1858, Chas. Trotter was not living in KY, (mother's will). Look for him in MO or LA. Why wasn't this P.O.A. instead of Guardian?

1860 census, Caldwell Co. KY, David L. Black, 43 yrs, born Ky, farmer, $3000 Real Estate, $2525 Personal property.
Wife Maria, 30 yrs, b. Mo, Mary 13 yrs, Samuel 11 yrs, Dorcas 8 yrs, Patrick 5 yrs, Charlie 3 yrs, Keturah 2 yrs, Martha 11 months. Children 8-13 yrs attending school. Wife Maria, 30 yrs, b. Mo, Mary 13 yrs, Samuel 11 yrs, Dorcas 8 yrs, Patrick 5 yrs, Charlie 3 yrs, Keturah 2 yrs, Martha 11 months. Children 8-13 yrs attending school! Resided between brother James Shaw Black and A.S. Cartright; next neighbor, Francis Wilson Dodds who was m. to Maria's half sister Dorcas Amelia Shaw. Dodds was also a cousin to David L. Black.

Lowery had considerably more assets in the 10 yr period between censuses.

1860, 8 Nov. Caldwell Co. Bk T, p 587-588. Solomon Norman indebted to D. L. Black, all parties of Caldwell Co., for mortgage of $204.02, to be paid by 1 January 1862, on 120 acres on Donaldson Fork of Tradewater river where Norman resides, part payment in 2500 lbs tobacco. Recorded 13 May 1861. Ex and deed to David L. Black, mortgage released 21 Sept. 1863. Witness E.P. Watkins.

1861-1865: Time of Civil War, David L. Black was 45/50 yrs old, with no wife. Unknown if he served. With wife Maria having died from Tb in 1861 at the beginning of the war, he and some of his children may also have been suffering from this disease, (conjecture). Two sons later yrs known to have had Tb.

1863, 24 March, Caldwell Co. KY, Bk U, p 121/122. David L. Black of Caldwell Co. sold 50 acres land in Caldwell Co. to John H. Guill of Caldwell for $150, land on Donelson's Fork, Tradewater River. etc. where Guill now resides. Filed same day with clerk. Guill mortgages this land and F.E. Dodds takes the mortgage. Guill calls hin David Lowey Black. David was known to be called Lowry.

1863, 9 Nov. Caldwell Co. Bk U, p. 249-250, Jane Black, wife of James S. Black relinquishes right of dower in the foregoing deed between James S. Black and others to David L. Black and John T. Black, then of record in deed bk S, p. 190.

1863, 9 Nov. Caldwell Co. Bk U, p. 250, Margaret Jane Black wife of John T. Black, relinquishes right of dower in tract of land recorded in Bk S, p 555 by John T. Black to David L. Black. (Her maiden name was Newcom).

1863, 27 Nov. in Caldwell co. Bk V, p 12. E.P. Watkins, commissioner of Chancery June term 1863, in a suit by Petition in Equity pending in court in the name of Solomon Norman, Guardian for Mary Jane and Maria E. Moore. Judgment was rendered to sell 13 3/4 acres to the highest bidder. Land had been deeded from John P. Stone and wife to Sarah Moore. Sold at auction to D.L. Black for $225.25 on 17 Aug. 1863. Approved by Court 3 Dec. 1863. Certified 12 Dec. 1863. Recorded 3 Jany 1865.

1863, 5 Dec., Caldwell Co. KY, David L. Black was Guardian for Mary Jane, Samuel R., Dorcas Frances, Patrick Henry, Charles. T., Keturah and David A. Black. Mary J. and Samuel R. were over 14 yrs, the rest listed as minors. These were his own children as proved by the Caldwell Co. VR between 1852 and 1862, recorded as required by the Sutton Law. David's cousin,

Francis Wilson Dodds and David's brother James Shaw Black were sureties. (David's son, Sam R. Black, stated at his marriage that his mother was born Mo which was correct for Maria Trotter).

Emily Croom supposes in her book Kentucky Brelsford and Kin that these were probably the children of his brother John Thomas Black which is incorrect. John Thomas Black was alive and well in 1863, died in 1887. He had different children. David L. Black's mother-in-law, Mary Trotter, died in 1858 and his wife Maria Trotter died in 1861. It would seem plausible that this Guardianship paper was drawn up so that he could legally represent his own children's interest in Trotter property, after the death of his wife Maria.

1863, 5 Dec. David L. Black was Surety for his brother-in-law Chas. L. Trotter for a promissory note which Trotter made for land in Caldwell co.

1864, 11 January, Caldwell Co. Bk U, p. 290-291. John W. Shaw; F.W. Dodds and Darcas A. his wife; Charles L. Trotter, David L. Black; Maxwell P. Phillips and Evelina K. his wife; E.G. Swanner and Mariah C. his wife; of the first part sold 50 acres land on waters Sinking Fork on Livingston Creek in Caldwell Co. for $400 to Seth B. Wigginton of the second part. Land was bounded by now Wigginton's line formerly Mott's line etc. Land had originally been patented to William D. Miller and M. P. Phillips. Signed by the parties named and attested to by some of the same as well as J. H. Leech, S.B. Brelsford, G.W. Adamson. (these was Sam Black Brelsford and George Warner Adamson).
1864, 23 January, Crittenden Co. clerk Benj. Young certifies that E.G. and Mariah C. Swanner wife; M.P. Phillips and wife Evelina K. said foregoing to be their voluntary act.

(The sellers in this deed were all Shaw and Trotter heirs of Mary/Polly Waters Shaw Trotter who died Nov. 1858. Sellers also all had ancestry to James Shaw, Trotter through his wife. Original patentees: William D. Miller had married Mary K. Black; Max Pope Phillips had married Dorcas Patrick Black; both were daughters of Sam Black III.
Note that in 1852, Sam Black III had given some of his land to William D. Miller and wife). Perhaps Sam also had given land to Phillips. Maria C. Swanner was d/o Frances Shaw Lucas deceased, grd. of Mary/Polly Waters Shaw Trotter. Husb. was Enoch Gray Swanner.

1864, 11 January, Caldwell Co. KY, Bk V, p. 62-64, David L. Black acting for himself in his own right and to the children and heirs of his late wife Maria E. Black, deceased, and to David L. Black as Guardian of these children, received a negro

girl Mary Bell about 11 yrs old and a negro boy Thomas Alpheus about 5 yrs old in the division of slave property on legal settlement of the contested court case regarding ownership and estate of Mary/Polly Trotter. The other heirs of mother-in-law Polly Trotter also received slaves in this division. Witnessed. by S. Hodge, J.H. Leech and J.S. Black.

1864, 26 March, Caldwell Co. KY, Bk U, p 326-327. David L. Black holds $350 mortgage on 109 acres land of Gilbert C. Dodds, (his cousin), where Dodds now resides, on waters of Donaldson Fork of Tradewater River. Dodds purchased from Joel H. Hayden, see Deed Clerk's office, but does not say what bk. Recorded 26 March 1864.

Next deeds would be after 1858 using Bk letters as guides.
D.L. Black from Margaret Jane Black, Bk U, p 256. ca 1857.
(Mgt was wife of his brother John Thomas Black).
William P. Black to D.L. Black, Bk 8, p. 21.
(Wm P. was s/o his brother James Shaw Black).
1865, January, Caldwell Co. Bk V, p 11-12. Mentions that David L. Black acted as Commissioner with others in deed April 16, 1859 conveyed to E. H. Morse.

1865, 14 January, Bk V, p. 99, Caldwell Co. Ky, James T. Morse sold to David L. Black, Charles L. Trotter, J.L. Adamson, William P. Black, land on Donaldson Fork of Tradewater River for $650. Land adjoined Thomas Perkins corner in Samuel Kincaid's line etc. to Kinkead's additional survey etc. to where Kinkead's line crops William Perkins, etc. to James George's line etc. to William Perkin's line etc. to Thomas Perkins etc., the same land that was formerly conveyed to Morse by E.P. Watkins, commissioner 12 Nov. 1860. Recorded 21 April 1865.
(John Lindsey Adamson was widower of Elizabeth Brelsford, grand daughter of Sam Black III. All of the purchasers of this deed were related to James Shaw and Samuel Black).

1865, 14 January, Caldwell Co. Bk V, p 101-102. James T. Morse sold 39 1/2 acres to D. L. Black for $975, land on Donaldson Fork of Tradewater River bounded etc J.L. Adamson and David L. Black's corner tc. to D.L. and J.S. Black etc. Rec. 28 April 1865.

Same page, brother James Shaw Black and Kitty Black. Listed

on p. 446 were William P. Black, James C. Black and Jane Black. Neighbors were Mary DeBoe, William H. Fralick, Nathan Rowland, Richardson, C.S. Drennan, Thos. Hilliard.

1871, 6 Nov. Caldwell Co. Bk Y, p. 316. D.L. Black sold to Mrs. M.J. Trotter for $75 all of my interest in Caldwell Co. land on Donalldson Fork of Tradewater being the same tract conveyed by J.T. Morse to D.L. Black, J.L. Adamson, W.P. Black and C.L. Trotter bounded (etc.). Recorded 20 January 1872.

(M.J. Trotter was Martha Jane Dodds, widow of Chas. Lucas Trotter, bro.in-law of David Black's deceased wife Mariah. Martha's grandmother was Mary Anner Shaw, d/o James and Anner). Two of John Lindsay Adamson's wives were related to Black and Shaw, W.P. Black was also related to Shaw. How did Morse come by this land?

1872, 6 January, Caldwell Co. Bk Y, p. 317-318. D.L. Black sold 64 acres to S.R. Black (his son, J.H.) for $300 land on Donaldson Fork of Tradewater River in Caldwell Co bounded (etc.) J.P. Dalton and D.B. Stevenson corner (etc.). Recorded 24 January 1872.

1872, 15 January, Caldwell Co. Bk Y, p. 421-422. J.M. Turner, Commissioner of Chancery, sold 49 acres land to D.L. Black, for $158 as highest bidder, all of Caldwell Co., suit pending Nov. term in Circuit Ct by Petition in Equity between C.L. Trotter Adm. the Plaintiff, against C.L. Trotter's heirs and c, the defendants; judgment was rendered ordering sale of the lands embraced in the Dower allotted to the widow M.J. Trotter or so much as is necessary to pay the balance, subject to the life estate of M.J. Trotter pursuant to the judgment rendered Nov. term 1870. Land had been surveyed and allotted to the widow and was bounded etc. by William's field (etc.). Approved 14 May 1872 by Jno R. Grace, Judge and recorded same day.

Life estate prob. means that the land did not come through the Dodds family to Martha and Chas. Trotter, but rather through his mother Polly Trotter.

1877, 6 January, Caldwell Co. KY, Bk 1, p. 527-528, David L. Black received $400 for his title of 49 acres of land in Caldwell Co. on Donaldson's Fork of Tradewater River. Land was sold to his orphaned minor Trotter nieces and nephews, children of Charles Lucas Trotter and wife Martha Jane Dodds. These were Jennie, Etta, Francis L. and Annie Trotter who were then living in Gonzales Co. TX with their Uncle Francis Marion W. and Celestine Brelsford Dodds. The land was bounded by James William, Williamson's field (grgrfather of Rich. Sheridan). David's nephew, William P. Black acted as Power Of Attorney for the Trotter children in this transaction as had

been authorized by Martha Trotter in Nov. 1873. Frank Pasteur, clerk. I would guess this was land that once belonged to Mary Waters Shaw Trotter, David L. Black's mother-in-law.

David L. Black was said to have remarried to ___ Mann, by whom he was said to have had 2 children. This wife was related to his son Charles T. Black's wife Jewell Mann, whom he married sometime after 1880, (Letter to Georgia Black Baker from her 1st cousin Mary Black Hansard, about 1970). I have not been able to figure when David's 2nd marr. took place. A wife does not appear with him: on 1870 census in KY; when he removed from the church in KY in 1878; on 1880 census in Tarrant Co. Tx, although he was listed as married. Wife Maria Trotter died in 1861.

Add info. from Bethlehem Church article. News art. Oct. 17, 1968, etc.

1878, 12 Nov. David L. Black and all his then living children (except son David A.), as well as daughter-in-law Sue Belle Rustin Black, was listed as leaving Bethlehem Cumberland Presb. Church near Crider, Caldwell Co. Ky by letter. No wife was listed as leaving with them. Since he resided with his son Charles Thomas in his elderly years, he probably did not have a wife at that time. The likely time for David to have a second wife was after 1880, especially since son Charles likely married in Tx. In 1880, he was 64 yrs old. Did he really have children of the second marriage that late and after that date? Is information correct from Mary Black Hansard letter?

1878, was thus the time when David L. Black moved to Texas. His son David A. Black was not mentioned as leaving this church. Perhaps, they joined a Texas Presb. church.

David L. Black and his family were said to have travelled to Texas in 3 or 4 big horse drawn wagons. They stopped at camps along the way, crossing the Mississippi River on a barge. They were first at a small town near Ft. Worth, Tarrant Co., where son Charles operated the Post Office. David L. Black purchased a farm with proceeds of the sale of his farm in Ky. (Ref: Letter to Georgia Black Baker from relative).

Notes David L. Black family:

Thomas Black, b. 1855 Ky, res. near David L. Black in Tarrant Co. Tx in 1880, living with: head of household Martha Robinson. Related? Was he s/o his bro. John Thomas Black? That Thomas, s/o John Thomas, was in Crittenden Co. Ky about 1882 on family farm. Note that David L.'s sister, Celestine Logan Black Brelsford, had dau. Mary Ann who m. Joseph L. Robinson, so was this Robinson related?

There was a preacher in Caldwell, Ky named David Low(e)ry, first preached there, 1828. Was a teacher at the Cumberland college there. Need to ck out his age. David Lowery Black, b. 1816. Could he have been named after him? Was he related? Think there was a David Lowery in Davidson Co. Tn with James Shaw, reck. (Poss. clue to maiden name of Sam II Black's wf). Negative to poss. rel. was that there was a preacher named George David McLean in Caldwell Co. in 1851, d. 1854. A Shaw relative Finis Ewing Dodds named a child David McLean Dodds, 1854. Perhaps it was a custom to name children after favored preachers.

Notes Trotter family: EDIT and DELETE some. This written for Black mss, some not needed for Shaw mss.

1802, Robert's father David Trotter had a certificate for permission to settle in New Madrid, Scott Co. Mo. This was before the Louisiana Purchase of 1803. A deposition held to prove he homesteaded was made in 1806, when Jacob Myers testified stating that David, his wf and 8 ch. settled and built a cabin in 1800 at New Madrid. It wasn't until 1811, that David's claim was finally granted on Lake St. Mary watercourse, New Madrid, Mo.

1840 census Scott Co. MO Robert Trotter. Oldest female in household 20-30, does not suggest a wf. No female of age to be Maria in household. Scott co. grew tremendously bet. 1830-1840. In 1840, population was almost 6000. (Polly Waters separated from an unhappy 2nd marriage and went to Ky abt 1840.

Mary Trotter, 1850 census, Caldwell Co. Ky, 65 yrs, for birth abt 1785, b. Va, living alone bet. Seth Wigginton and Hud___ Jarrett. She had five slaves.
5 yr age diff. and place of birth varied from mother of Maria Trotter, but was prob. same person.

Maria's mother, Mary/"Polly" Trotter's will was made Oct. 1858. She names her son John W. Shaw; dau. M.E. Black; dau. D.A. Dodds; dau. E. Phillips; granddau. M.C. Swanner; son Chas. L. Trotter; exec. David L. Black (etc.).

1860 census indicates birth 1817 for whom? John Waters Shaw ?? reck - the one who served Confed. army in Co. G, 7th Reg't. Ky Cavalry which was enlisted at Keysburg, Logan Co. Ky. (James Shaw, 1812-Mar 15, 1867, buried Wilds Cem. acc. to WPA burial survey, stone not there, now, reck. Perhaps error for John W. Shaw - definitely died by 1867 acc. to deeds Caldwell Co. of is heirs).

Believe Hillyard Dodds, of color, who is listed as Guardian for Sarah E. Miller, 10 Sept. 1868 is Mary Trotter's ex slave Hilliard, who was willed to her son John W. Shaw (p. 383 in Guardian Bond, Caldwell Co. Ky). Lawsuit over who owned the slaves before and after Polly Trotter's death. reck who willed to. Think dau. Dodds recd him after lawsuit??

Incorrect family lore claims that Maria was dau. of Judge Sam Trotter of Louisville, Ky who was Brig. Gen'l in Ky Reg't during War 1812. Family lore often has some truth to it which is explained as follows. She was actually greatniece to Samuel Trotter of Lexington KY, a prominent family there who were originally from Aug. Co. VA. Also related to Brig. Gen'l George Trotter, War 1812.

No known relationship:
In Caldwell Co. Ky, we find Polly Trotter, 1820.
In 1850, a William Trotter lived in Caldwell Co. with Thos. and Betty Copeland.
There were Trotters, b. 1830's in NC, residing Hopkinsville, Christian Co. Ky in 1870. Cannot connect Hopkinsville line to mine.

WILLIAM DANIEL SHAW AND SARAH MARGARET PEACOCK

29 ~~27~~ William Daniel Shaw was s/o #12 John Waters Shaw (Wm3, James2, Wm1) and Polly Stewart Phillips. "Billie Dan" was born Dec. 31, 1842, Ky. He died 3 June 1917, Temple, Bell Co. TX, (Ref: article in Conf. Vet. V25:467, #10, Oct. 1917; Dorothy Dean Cook).

He m. Sarah Margaret Peacock. who d. abt 20 yrs before husband.

Grantee Index, Bk 3, Caldwell Co. Ky:
William D. Shaw from John W. Shaw, dec'd, Bk X, p 215.

Deed, Bk X, p. 215, Caldwell Co. 13 May 1869, that in Nov. term 1867 of Circuit Ct Petition of Equity pending, William D. Shaw and others, Plaintiffs and William P. Black, Guardian is defendant. 236 acres Land was ordered sold and was advertised 16 Dec 1867. William D. Shaw was high bidder for $1465. accepted by J.N. Turner, Master Commissioner. Land was on Donaldson Fork, Tradewater, bounded William Youngs, John H. Turley, James Wilson. On the 25th of May, William sold 119 acres land for $333 to Sarah A and Margaret E. Shaw , a portion of the same land he purchased 19 Dec. 1867. Thus, it appears that he was entitled to a half share of the land estate of his father and his sisters entitled to 1/4 share each. His portion was then sold to F.N. Dalton. Was Dalton related?

1869 28 May, Bk X, p 250 Wm D. Shaw sold to F.N. Dalton 119 acres for $700 on waters of Donaldson, Caldwell Co. both of Caldwell Co. part of land Shaw purch. from J.N. Turner Commissioner 19 Dec 1867. Deed filed May 14, 1869. Rec. 25 may 1869.

Confed. Veteran Mag. V25:467 #10 Oct. 1917, says he served as Confed. and wounded Battle Shiloh, Capt. held at Louisville KY and Camp Chase where his father died. Member U. Confed. Vet. Bell Co. Camp and Granbury Camp #1323 where he served as Adjutant. (Subm. by Rich. Sheridan).

Served Confed. Army Co. C, 3rd KY Calv.; wounded Battle Shiloh; captured and confined. Louisville KY, then transf. to Camp Chase. Member Bell Co. Camp U. Confederate Vets and Granbury Camp #1323 as Adjutant til April 1917. Art. states that father unnamed d. while a prisoner at Camp Chase (which agrees with family lore). (Ref: Conf. Vet. V25:467, #10, Oct. 1917 subm. by Rich. Sheridan).

In a list of Confederates from Caldwell Co. KY under his father's name, William Daniel Shaw, his son, is mentioned as having served in Co. C. 3rd KY Infantry, C.S.A.

MARIA CATHERINE LUCAS AND ENOCH GRAY SWANNER

3✓

~~30~~. Maria Lucas d/o #12 Frances Ann Shaw (Wm, James, Wm1) and James Lucas. She was b. 25 Oct. 1835, Mo, (Cook). She d. prob. after 1870/75 was of Ripley Co. MO. She prob. alive til at least 1870 if the listed ch. are all by her.

Maria m. 31 May 1855 Mississippi Co. MO to Enoch Gray Swanner (1826-1890, World Family Tree) b. Tn ca 1830 acc. to 1860 Caldwell Co. KY census.

Enoch was prob. s/o James Swanner b. ca 1792 TN, d. 1843 Scott Co. MO by his first wife Ann Cherry.
This James Swanner m2 4 March 1838 TN to Cynthia Ann Daniels Cynthia was prob. the one who m. Wm Bartlett June 23 1844 in Scott Co. MO. (On IGI she was listed as SinthiAnn Swanner).

James Swanner b. 1792 had a son Marshall Green Swanner b. April 10 1834 in MO, d. 1899 Caruthersville MO. Marshall had a dau. Nellie Gray Swanner b. 1882 in Caruther MO and a son Enoch. Marshall was likely brother of Enoch G. He prob. also had brother Joseph C. who m. 1854 and sister Emaline who m. James Lucas 1850, both of whom marr. Mississippi Co. MO. Miss. Co. was formed 1845 from Scott Co.

Enoch G. Swanner also named a dau. Nellie.

Joseph C. Swanner m. Eliza Prince March 30 1854 in Miss. Co. MO. In 1850, Joseph was 22 yrs b. KY, (b. ca 1828) listed in MO just 2 houses away from Enoch G. Swanner and Emaline Swanner Lucas.

Miss. Co. MO was formed from Scott Co in 1845.

1850 census MO, p. 470, (prob. Scott or Miss. CO. read by Al Swonger):
James Lucas 39 yrs b. MO, farmer, Emaline 20 b. TN, M.C. Lucas female 17 yrs b. MO (ca 1833), Mary A. 10 yrs b. MO, S.A. female 8 yrs, Leona 5 yrs, M.E. female 2 yrs, E.G. Swaner 22 b. TN (ca 1828), laborer.

Listed 2 houses away was Joseph C. Swaner 22 yrs b. KY living with the W.A. Ramsey family, W.A. was 37 yrs b. MO.

Surely M.E. Lucas on this 1850 census was Mariah Catherine d/o the deceased Frances Ann Shaw Lucas, and E.G. Swaner her future husband.

Emaline Swanner m. 31 Jany 1850 Mississippi Co. MO as 4th wife of James Lucas Jr. Emaline was 20 yrs old in 1850 for birth 1830 with her husb. being 39 yrs old. She was likely sister of Enoch G. Swanner who became stepmother and sister-in-law of Mariah Catherine Lucas. Note the Lucas connection as found in the Trotter family.

1858, Oct. 29, Caldwell Co. KY, Will of grandmother Polly/Mary (Waters) (Shaw) Trotter leaves to Mariah Swanner, negro slave Phereby valued at $100 in 1858. Phereby went to her Uncle John Waters Shaw in 1864 division of slave property of her grandmother Polly Trotter.

1860 census, Fredonia, Caldwell Co. KY, Mariah Swanner, 25 b. MO and E. G. Swanner 30 b. TN, farmer $1000 - $2000 and children James 4 yrs b. MO, Samuel 3 yrs b. MO, Lavinia 1 yr b. MO, Mary 1 month b. KY.
They were living next to her cousin F.E. Dodds and wife Minerva Wadlington. He was Finis Ewing Dodds, s/o Francis Dodds and Mary Anner Shaw. Mary Anner Shaw Dodds was d/o James and Anner Shaw and sister of Wm Shaw who was father of Frances Ann Shaw Lucas and grf. of Mariah Cath. Lucas.

1864, 11 Jany, Caldwell Co. Bk U, p 290-291. Heirs of Polly Trotter including E.G. and Maria C. Swanner sold 50 acres of land for $40 to Seth B. Wigginton. Land was on Sinking Fork of Livingston Creek in Caldwell Co. Swanner and Phillips families certified that deed was their voluntary act on 24 Jany 1864 in Crittenden Co. which leads me to believe they resided in or very close to Critt. Co. in 1864.

1864, Jan 11, Caldwell Co. KY, Bk V, p 62-64, slaves divided equally bet. heirs. Maria was awarded Henry who was valued at $1550 in 1858.

1866, 27 Aug. Caldwell. Bk W, p. 1. Gilbert C. and wf Eliz. (Smith) Dodds of Caldwell sold 109 acres land on Donaldson Fork of Tradewater Riv. for $700 to E. Gray Swanner of Critt. Co. Same land that was conveyed to Dodds by Joel H. Hayden. Land bounded by Brelsford.

1870, 17 Aug. Caldwell Co. Bk Y, p. 261-262. Enoch G. Swanner and wife sold to Andrew J. Tosh for promissory note of $190; all claim to dower of Gabrilla W. Davis, late Gabrilla Tosh, land of William Tosh, dec'd. Same Dower that was conveyed by J.H. Leech to Thos. J. Peck recorded in Bk V, p 439 on 17 March 1866; then deed passed from Peck to E.G. Swanner as recorded in deed Bk W, p 560 on 17 Aug 1870. Swanner conveys only such title as may be vested in himself in above deed from Peck to Swanner. Land in Caldwell Co. The above transaction signed by E.G. Swanner and Maria C. Swanner. McGoodwin, clerk, Pasteur D.C. Ordered to be recorded 14 Oct. 1871.

Recorded 1 Dec. 1871. (Note: Davis name, poss. related to Waters. Wm Tosh b. ca 1803 VA was listed 1860 with Gabriella 23 yrs b. KY, seems to be a wife, because son Andrew 22 yrs was listed after Gabriella).

1870 census where?

1873, 2 Aug. Caldwell Co. KY, Bk Z, p 109-110.
E.G. Swanner and wf Maria C. of Ripley Co. Mo, sold 109 acres Caldwell Co. land for $750 to Robt Moore of Caldwell Co. Bounded Brelsford line. Maria C. Swanner relinquished her dower 2 Aug. 1873 in Ripley MO. Rec. Caldwell 6 Sept. 1873.

Is it possible that Alexander Black 1795 and Rebecca Jones Black were Davids parents?

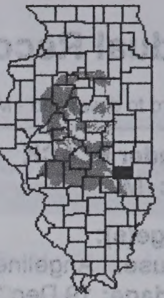
Cumberland County Genealogy

The USGenWeb Project

The ILGenWeb Project



Welcome to the ***Cumberland County, Illinois Genealogy*** web site. This site was established as a part of the Illinois GenWeb Project which is a part of the USGenWeb Project. This site is being freely hosted by the RootsWeb Genealogical Data Cooperative.

Cumberland County was created on March 2, 1843 from the southern part of Coles County. The court house in Toledo burned to the ground in 1885, thus official records for the period 1843 to 1885 are non-existent. Check out Coles County for records of the present Cumberland County area in the period 1831 to 1843. From 1819 to 1831, the Cumberland County area was part of Clark County. From 1817 to 1819, it was part of Crawford County. From 1814 to 1817, it was part of Edwards County. From 1812 to 1814 it was part of Madison County. And from 1809 to 1812, it was part of St.Clair County. See the Illinois County Boundaries 1790-Present web site for maps showing county boundary changes.

My name is Michael L. Hebert and, as a volunteer, I adopted Cumberland County as part of the Illinois GenWeb Project. I have been pursuing my roots for a few years now. My grandmother was born in Cumberland County and many of her ancestors arrived there in the early 19th century. If you need some information out of one of the Hamilton County reference books, please contact one of the lookup volunteers. Please contact me if you own or have access to any Hamilton County reference books and would like to volunteer for lookups.

Below are the links to the Cumberland County information pages and links to other web sites. Feel free to submit your Cumberland County surnames, queries, and any other historical material. Happy hunting!!
